EDITORIAL

VOICES BEHIND THE VISION

Every school year is a story written in countless moments—moments of discovery in classrooms, determination on playing fields, creativity on stage, and kindness in everyday interactions. This edition of The Bhonwal School Yearbook brings those moments together, celebrating the people and experiences that make our school community special. Within these pages, we honour academic endeavour, sporting spirit, artistic expression, innovation, leadership and service. Each photograph and reflection represents more than an event; it captures the curiosity, perseverance and shared effort that shape our students' journeys.

A school magazine is also a collective creation. Students contribute their ideas and perspectives, teachers guide and encourage, and the editorial and media teams work carefully to preserve the memories of the year. We hope this yearbook invites every reader to revisit cherished experiences and look ahead with renewed enthusiasm.

As we turn these pages, may we continue to learn, grow, belong and achieve—together.

TBFC

TIKARAM BHONWAL FOUNDER'S CONCLAVE

3–5 November 2025

A CELEBRATION OF TALENT, TEAMWORK & TOGETHERNESS

WHERE COMPETITION MET CREATIVITY, AND EVERY ACHIEVEMENT BECAME A SHARED CELEBRATION.

TBFC '25 brought together three memorable days of creativity, intellect, technology, sport and cultural expression from 3rd to 5th November 2025. The programme moved from ceremonial welcomes and spirited competitions to recognition of achievers, culminating in the Founder's Day Closing Ceremony. Across every venue, students demonstrated confidence, discipline, teamwork and joyful participation.

A Gracious Beginning

The opening ceremony began with the arrival and ceremonial welcome of the Chief Guest, followed by the Guard of Honour, bouquet presentation and lighting of the lamp. A welcome address, trophy reveal, march past by participating schools and 'Unity in Diversity' presentation created a dignified yet energetic beginning. The Principal's address, Zumba drill, flag unfurling and opening of the sporting contests carried the celebration forward.

Ideas in Action

Across the two competition days, students explored Hindi and English Debate, Elocution, JAM, Stand-up Comedy, PPT Presentation, Web Development, Photography, Vlog Making, Soft Board Decoration and Art (Arteria). Technology took an equally exciting place through Robo Race, Robo Soccer and related challenges, giving participants opportunities to combine ideas, presentation, innovation and teamwork.

Sustainability – A Vision for Tomorrow

The theme of sustainability highlighted the importance of protecting our environment, conserving resources and making responsible choices for future generations. It reinforced the belief that education extends beyond textbooks: it cultivates awareness, compassion and responsibility towards society and the planet. "Small Steps Today, A Sustainable Tomorrow."

The Spirit of Sport

The playing fields echoed with determination as Football and Basketball competitions for girls and boys brought speed, strategy and teamwork to the forefront. Every match reflected sporting discipline, quick decision-making and respect for opponents, adding a dynamic outdoor dimension to TBFC ’25.

Culture Takes Centre Stage

The cultural segment transformed the stage into a canvas of expression. Modelling, Singing and Dance gave students the opportunity to perform with confidence, while welcome presentations added colour and grace. From ‘Unity in Diversity’ to the Mahakali welcome dance, the performances celebrated creativity, heritage and collective expression.

A Dialogue of Ideas, Inspiration & Aspirations

One of the enriching highlights of TBFC 2025 was an interactive session featuring Advocate Poloumi Shukla Supreme Court of India and Mr. Gatik Bhonwal, Member, Board of Governors, The Bhonwal School.

The session provided students with a valuable opportunity to interact with distinguished personalities, exchange ideas and gain inspiration beyond the boundaries of conventional classroom learning. It encouraged curiosity, confidence, thoughtful communication and a broader perspective on personal growth and future aspirations.

This meaningful interaction beautifully reflected the spirit of TBFC—empowering young minds, encouraging meaningful conversations and inspiring the leaders of tomorrow.
