the school premises much before the schedule. All stalls were well arranged and neatly set up with various eatables and games. Chicken Biryani, Chowmein, Hoopla, Nine pins were the main attractions of the grand fete.

Some guest artists were also invited to adjudicate the work of our students and many of them were awarded too for their excellent creative work. Last but not the least, organizing Art & Craft Exhibition-cum-Fete in schools is a must because it brings a change in the students' mental approach from their routine work of learning.

Independence Day is the day when we pay homage to all those who sacrificed their lives to achieve India's independence.

The 70th Independence Day was celebrated at Bishop Johnson School & College, Katra Branch Extension with great gaiety. The whole atmosphere in the school was surcharged with patriotism. The entire school was decorated with tri-colours. The function started with the unfurling of National Flag by our Honourable Headmistress Mrs. P. Singh followed by the singing of National Anthem and with the words of God said by Mrs. A. Shepherd. There were different types of programmes performed by our devoted students. The Solo Dance performances by Manjishtha and Alisha were of particular interest, value and symmetry.

A speech was delivered in English by School Captain Khushi Srivastava, followed by a skit staged by our little artists with a great feeling of patriotism. The School Choir presented a number of patriotic songs. The whole programme was efficiently conducted by the undersigned and was greatly appreciated by all.
