संदेश अज्ञेय

समाज की सबसे बड़ी संस्था विद्यालय है। प्रतिभा - निर्माण और व्यक्तित्व के संतुलित विकास के लिए सृजनात्मक दृष्टिकोण का विस्तार आवश्यक है। इसका सबसे सहज, सशक्त और सरल माध्यम विद्यालय-पत्रिका है। जो इस दिशा में विद्यालय की सक्रियता प्रतिबिम्बित करती है।

विद्यालय पत्रिका के पंचम संस्करण 'एक्ला' का प्रकाशन एक ऐसा ही प्रयास है। वर्तमान समय में नित्यप्रति बदलते परिदृश्य हम सभी को प्रभावित करते हैं। हमारी शिक्षा भी इस प्रभाव से अछूती नहीं है और न ही हमारा समाज। परिवर्तन के इस संक्रमण काल में, शिक्षकों एवं अभिभावकों की भूमिका अहम है। दोनों से ही विनम्र प्रार्थना है कि वे अपने विद्यार्थियों एवं पाल्यों के शैक्षिक एवं आचरण संबंधी गतिविधियों को परिष्कृत करने में सहयोग करें और हम मिलकर विद्यार्थियों को एक सुरक्षित एवं स्वर्णिम भविष्य दें।

मेरे विद्यालय की प्रधानाचार्या, अध्यापकगण व अन्य सदस्य जो मेरे संबल हैं, और जिन्होंने विद्यालय के चहुँमुखी- विकास के लिए अपनी सार्थकता प्रमाणित की है, मैं उनका आभार व्यक्त करती हूँ और उनके उज्ज्वल भविष्य की कामना करती हूँ।

धन्यवाद!

प्रिय

अभिभावक गण, विद्यालय स्टाफ व बीएलएम स्कूल के सभी होनहार, आप सभी को असीम शुभकामनाएं।

विद्यालय कोई प्रतिष्ठान नहीं एक परिवार होता है और यहां बच्चों को सामाजिकता का प्रथम पाठ पढ़ाया जाता है। देश का जिम्मेदार नागरिक होने का प्रथम भाव स्कूल से ही बच्चों के मन में संप्रेषित किया जाता है। विद्यालय ही वह स्थान है जहां देश और दुनिया का भविष्य सींचा जाता है। ऐसे में अध्यापकों से लेकर अभिभावक तक की जिम्मेदारी बन जाती है कि वे विद्यालय में एक परिवार का माहौल देने में अपने-अपने स्तर से प्रयास करें, और मुझे यह कहते हुए बिल्कुल संकोच नहीं होता कि बीएलएम एकेडमी की प्रधानाचार्या श्रीमती रजनी कांता बिष्ट व उनके सहयोगी शिक्षकगणों के साथ बच्चों के अभिभावकों ने विद्यालय को एक परिवार बनाने में कोई कसर नहीं छोड़ी। संभवतः यही वजह है कि पांच साल के छोटे से अंतराल में आज बीएलएम एकेडमी का नाम जिला नैनीताल ही नहीं बल्कि पूरे प्रदेश व सीमावर्ती क्षेत्रों में सम्मान के साथ लिया जा रहा है। आज हमारे विद्यालय के बच्चे शैक्षिक व शिक्षणेत्तर गतिविधियों में देश के कोने-कोने में जाकर अपना डंका बजा रहे हैं।

यह गौरवांविज करने वाला क्षण है कि जब हम विद्यालय की पांचवीं स्मारिका का प्रकाशन कर पिछले वर्षों की उपलब्धियों को उसमें संकलित कर रहे हैं। स्व. वेदप्रकाश गुप्ता का सपना अब साकार रूप लेने लगा है। निसंदेह यह काम किसी एकल प्रयास से संभव नहीं। यह साकार हुआ है अभिभावकों और विद्यालय स्टाफ के सामूहिक सहयोगी प्रयासों से और बच्चों के परिश्रम व लगन से। स्व. गुप्ता ने हमें जो लक्ष्य दिया था उसे प्राप्त करने की दिशा में अभी हम चंद कदम ही बढ़े हैं, अभी हमारी यात्रा शुरू ही हुई है, इस यात्रा मार्ग पर मील के पत्थर स्थापित होने लगे हैं। यह आपके और हमारे लिए संतोष की बात हो सकती है, लेकिन यात्रा जारी है इस बात को भी हमें अपने जेहन से बाहर नहीं निकालना चाहिए।

अभी विद्यालय में बच्चों के संपूर्ण विकास के लिए बहुत कुछ करना शेष है। मुझे विश्वास है कि आपके सहयोग से हम अपने बच्चों को उच्च कोटि की शिक्षा देने की तमाम सुविधाएं जुटाने में सफल होंगे। इस ही विश्वास व आप सबसे सहयोग की अपेक्षा के साथ।

Tribute

You left for your heavenly abode leaving us shocked and bereaved .
We mortals couldn't decipher His designs. These are the moments when one feels one's helplessness before the destiny.
We can only pray to the Almighty, May your soul rest in peace!

Dear Ms. Bisht

It gives me immense pleasure to know that BLM Academy, Haldwani is bringing out its Fifth issue of School Magazine 'ECLAT'.

A nation's progress depends on the education of the children and BLM Academy has been relentlessly working towards providing information technology based qualified education to its students which will enable them to meet challenges of the fast changing world.

I take this opportunity to congratulate the principal, Ms. Rajni Kanta Bisht, staff and the students for adopting innovative teaching learning practices.

Wishing the BLM Academy Fraternity the very best in their future endeavours

Let us think...

The very purpose of RTE is marred when admission in a school is permitted after a test, which connotes the school is not for all.

As long as the board's results make headlines of newspapers schools will continue admission test and focus only on logical and linguistic intelligences neglecting interpersonal, intrapersonal, spatial, naturalistic, kinaesthetic, musical and rhythmic, and existential intelligences, unaware of the truth that these intelligences are desperately needed for sustainable existence. An IAS excellent in logical and linguistic intelligence commits suicide succumbing to the circumstances - being poor in interpersonal, intrapersonal and existential intelligence. There are numerous such cases like corruption by doctors and engineers-poor in existential intelligence, divorces - poor in interpersonal intelligence, depression- poor in intrapersonal intelligence and so on.

CCE [continuous comprehensive evaluation] is a step to evaluate a student for all nine intelligences, but incomplete as long as it doesn't give numerical value to evaluation of other intelligences also as is given to logical and linguistic intelligence.

Feeding the minds with some information and then evaluating the students for their rote memorisation is the **Education** in schools these days. Schools are not to feed the minds with some information, they are for **Enlightenment** and thereby for **Transformation** which cannot be ensured without due weightage to all nine intelligences.

Once numerical value is assigned to all nine types of intelligences the results will altogether change. A child excellent in sports or music and rhythm, but poor in maths may have the same score as the child with strong logic and language.

Let us stop for a while and rethink to establish such a system in schools which can do justice with all types of intelligences and can make every child feel special.

If such system could be established parents would heave a sigh of relief as they would get rid of unnecessary competition of their child with those who are good only in logic and language.

When this dream will come true nobody knows.

Rajni Kanta Bisht

EDITOR'S NOTE

The information boom, technological development, exponential material growth define the progress of this transient world. Eternal values have given place to ephemeral pleasures, the result is dwindling values. Information camouflaged in the name of education fails to inculcate the right set of values in our youngsters, who only regard instant gratification and aggrandizement as the ultimate aim of their lives. Creativity

whether in literature science arts and fine arts need to be fostered to arouse divinity, the ultimate value in the young soul, the actual role of the school, to save the world from ultimate collapse

B.L.M. is well aware of this fact and the journey of creativity in BLM started since its inception when with only 174 students 'ASCENT'. The annual book came into existence after the completion of the first session and continued with publication of BLITZ in session 2012-13, CYNOSURE in session 2013-14 and DE-LITE in session 2014-15 and Eclat pronounced as ECLA..., the fifth issue of our school magazine which, we bring forth with immense pride and pleasure reveals the brilliance of success justifying its name.

Putting together students' worthy thoughts, words, images; worthy enough to deserve exposure, is an exhilarating experience, a challenge. Nay! It is an opportunity to create, to communicate and to consolidate their ideas. Ecla is such an opportunity. Yes, while writing their articles and making illustrations, so many budding artists have discovered the wealth of their latent talents. I hope they will continue to write and draw and inculcate the skills that their teachers and parents have nurtured and developed in them.

After the work is over, it is an honoured privilege for me to thank you all, staff and students. Some for the creativity and some for the guidance and support extended whole heartedly. I thank honourable manager Sir Mr. Saket Agrawal, Executive member Mrs. Saumya Agrawal for their positive and motivating indulgence. I owe the sense of deep indebtedness to respected Principal Mrs. R. K. Bisht for her unstinting faith and being there ever ready with sparkling ideas, blessed time and crisp and concise prudence.

Finally, I express my profound gratitude to the parents who have stood by us and helped us in translating our dreams to reality. We need to recognise, appreciate and applaud the feeling of self respect sensitivity, responsibility in a child. Thus, Ecla... is to be viewed as laurel pad for the children's creative urges to blossom. natural. I make a humble request to relish the flavour and delicacy, beauty and vigour, anticipation and novelty of our collective and concerted endeavour - the Eclat.

Thank you

Usha Sharma

The Crafted Cruise

Each brick of success when laid down with utmost care, makes the foundation for next challenge that brings along laurels and laurels.

It is true for BLM Academy.

Late Shri V. P. Gupta's resolve culminated into the realization of his big and audacious dream, and the bon voyage of B.L.M Academy started on 12th march 2011 with 174 students..

A span of five years is a small step in journey of a school yet B.L.M Academy has made this step a magnificent and bold one with 1043 students only after four years of existence.

With the vision of Late Shri V. P. Guptaji, patronage of Mrs. Adesh agrawalji, chairperson of the school, liberal and ceaseless support of Mr. Saket Agrawal, manager of the school and Mrs. Rajnikanta Bisht, Principal at the helm to steer ahead the mission of the school, it has broken the boundaries of limitation and has registered its extraordinary growth making it the leading school of the area.

The class rooms buzzing with brilliance, playgrounds bubbling with physical poetry with the rhythm and melody of dance and music, creative strokes in art & craft, let the children here blossom, bloom and retrieve their latent potential and energy effortlessly.

The spiritual thoughts of Swami Vivekanand, truth and non-violence of Mahatma Gandhi and the vision and insight of great soul Dr. A.P.J. Kalam fortify the values in the students and the staff alike making it a shrine, a place of worship.

The juvenile buds are nurtured with respect, utmost care and love by the worthy faculty ensuring that their deeds are always meaningful and fair.

Parents' love and shoulder to shoulder support always strengthen their bonds with the school creating an atmosphere of amity and harmony needed for the speedy growth of the students.

Principal madam's personal convictions to the advancement of meaningful education, never compromising with excellence attitude and belief in building a great, efficient and proficient team has invited glory and grandeur to the school, incarnated in its achievements.

The foundation stones of the school are Satya, Purusharth, and Parmarth for its mission to produce enriched and enlightened human resource empowered with ethical and spiritual values to face the global challenges and achieve the goal **BRAHM TAT LAKSHYAM**.

The journey has just begun, it has to go miles and miles to live up to the expectations of its students and parents so that ultimately we all together can celebrate the gift of life.

पी.पी.टी. का जादू

पी.पी.टी. पी.पी.टी. पी.पी.टी. इतनी सारी पी.पी.टी.
कि मैं हो गई दंग
सभी लाए थे अपने अलग अलग रंग।
सोचा न था कि इतना मजा आएगा,
और समय कब बीतेगा
पता ही न चल पाएगा।
बी.एल.एम. के शिक्षक तो ज्ञान का भंडार हैं
और क्यों न हों ? जब प्रधानाचार्या महोदया की महिमा
हम सब पर, अपरमपार है।
प्रधानाचार्या महोदया सा तो कोई नहीं देखा,
इतना कुछ ज्ञान होते हुए भी
अपने में कमी बताती हैं, क्या ऐसी शालीनता
किसी और को आती है ?
प्रधानाचार्या महोदया अपने किस्से सुनाकर
हम सबको इतना उत्साहित करती हैं
और साथ में ढेर सारे मूल्यों की
गुणवत्ता को समझाती हैं,
सरिता मैम ने कहा कि बनो मुखिया,
प्रीति मैम बोली बनो अच्छे शिक्षक,
दीपा मैम का मैथ्स सो निराला था,
संतोष सर का वैदिक ज्ञान भी गजब ढाने वाला था।
पल्लवी मैम ने भी गुणों की याद दिलाई,
प्रियंका जोशी ने सब में पैशन की आग लगाई।
माधुर मैम ने जीवन में संतुलित रहना सिखाया,
आभा मैम ने अपना सकारात्मक अनुभव सबको समझाया।
पुष्पा मैम Honour पर पी.पी.टी. लेकर आई,
वहीं यास्मीन मैम ने अवसरों की गिनती कराई
प्रियंका पाण्डे मैम ने कहा बनो भावुकता प्रधान
वहीं पंकज मैम बोली Development of skills is not wrong.
Akhilesh Sir और Sonali Ma'am ने तो हम सबकी
एक Team भी बनाई
पर मंजू मैम बोली पहले अपने गुस्से को तो जानो भाई।
जया मैम और निधि जोशी मैम ने बड़े बच्चों से जुड़ी बातें
बताई।
इसी बीच संगीता मैम ने भी छोटे बच्चों की कथा सुनाई।
हर्ष सर और निश्चल सर बोले Exercise करो रोज़
तो हेमन्त सर बोले योगा की भी जरूरी है डोज़,
इसी बीच Kaizen लेकर ममता मैम आई
और सबमें एक ऊर्जा जगाई।
पर जब बादल सर ने Class Management की बात उठाई
तब कई अध्यापकों ने अपनी असहमति जताई।
बीच-बीच में Male-Female वाली खूब चली लड़ाई।

सचिन सर और श्याम सर ने अपनी Queries भी उठाई।
लवी मैम और पूजा मैम के दिखाए गए Pictures में खूब
मजा आया।

प्रकाश सर और पंकज सर का अंदाज भी हमें बहुत भाया।
Side में बैठी पूनम मैम बीच में मंद-मंद मुस्कराती हैं,
उन्हीं के हाथ में ही तो हम सबकी चाबी है।

सिम्ली मैम ने इस्लाम धर्म के बारे में नया बहुत कुछ बताया
और हमारी आँखों पर से पर्दा उठाया।

खुशी - खुशी करो अपना काम यही दिया भावना मैम ने
ज्ञान।

कृतिका मैम ने स्पोर्ट से कराई हम सबकी जान पहचान,
मनीशा मैम ने Education for girl child पर चिंता जताई
तो तारा मैम भी Value of Social education लेकर आई।
ज्योति मंगल मैम और ललिता सती मैम ने सबमें

Positive attitude की

चमक जगाई। वहीं नीलिमा मैम Maladjustment पर
P.P.T. बना लाई।

E-governance का ज्ञान हमें हमारी निर्मला मैम ने दिया,
निधि रौतेला मैम ने Teaching-learning की दोस्ती
समझाई।

शिखा मैम ने कहा सभी अपना Personal Brand बनाओ ।
तलत मैम और दिनेश सर ने बताया कि Success कैसे
पाओ।

राजेश सर ने गाकर अंधकार में प्रकाश जगाया
वहीं रुचि मैम ने सहनशीलता का अलख हममें भी जगाया

Motivate करने हमें संतोष मैम आई और
संदीप सर ने भी Quality Management की बारीकियां
बताई।

उषा मैम के पास तो शब्दों का भंडार है,
रवि सर ने बताया हमें Modern Art एक विस्तार है।

ज्योति जाशी मैम ने समझाया सफलता का राज,
तो माया मैम बोली आत्मविश्वास है सबका सरताज़।

सुधा मैम और गीता मैम ने भी कही कहानी
जिसको अपना लो तो न होगा तुम-सा सानी।

चारु मैम ने तो हम सबको Eagle की कहानी सुनाई,
मैंने भी अपनी ओर से positive thinking की गंगा बहाई।

पर!! Principal Ma'am सी - चमक ,ऊर्जा और
humbleness किसी में न पाई।

ENLIGHTENING MOMENTS

The dynamic teaching learning process calls for a continuous refurbishment of already learnt concepts and learning new ones. With this aim in view, **BLM ACADEMY** hosted and attended several workshops and seminars.

11-4-2015

Renowned clinical Psychologist from Krishna Hospital Dr. Vineeta Kapoor conducted a counselling session with the students and parents. The interaction focused on study skills for enhancing academic performance in clean and healthy environment.

May, Nov., 9th Dec. 2015

Children are smart, smarter than we think! Having said that I have proofs so many, would quote an incident, real uncanny! My son, Kabeer on asking by people who is better Mummy or Papa would simply say Mummy when I'm around and in front of his father, he would say Papa! So, when one day, we both were around and some guests were ready to take Kabeer to expound! Who's better was again the question! Kabeer was in dilemma as we could see. He suddenly asked me to get him some water & by that time, the problem was sorted! Of course, he pleased his father in front of guests and I was laughing in the kitchen and hugged him, all smitten!

22nd MARCH 2016

- * The exuberant Graduation Day witnessed jubilant young starlets marching triumphantly to the next stage of schooling with a blaze of glitz, glory and achievements. An awestruck audience watched the little scholars bedazzling all. The dance troupe depicted the fact that unknowingly a child listens and watches everything.
- * Mrs. Priyanka Joshi presented the report of pre primary achievements.
- * The Chief Guest Mrs. Shardha Kandpal, the Principal 'SRI JAN' Spastic School, commended B.L.M. School-Culture in her address and along with Mrs. Khushi Digri, Guest of Honour of the day, a renowned poetess and singer of Kumoun, gave away the prizes to the little masters.
- * The event of jubilation and achievement culminated with sweet melodious folksong Chaiti beautifully presented by our Guest of Honour Khushi Digri who wears many national and international hats for her skill.
- * Principal Madam, Manager Sir Saket Agrawalji and Executive Member Mrs. Saumya Madam felicitated the children on the Eve. of New Beginning of the journey of learning and wished them more attainments in the New Session.
- * Mrs. Yasmin Ali anchored the programme and Mrs. Suneeta Adhikari proposed vote of thanks.

One day I was conducting a competition in class "Preet" got II position in competition. She came to me and happily said Ma'am today I got II rank in the competition, I'm very happy. I was amazed and said to her you got II position not I, then why are you so happy. She replied Ma'am number-II "तो I से बड़ा होता है उसमें two - two I होता है।"

Devdaksh's mother told-He sometimes speaks in English at home, often we don't understand what he wants to convey. When we tell him to speak in Hindi, he immediately reacts "Don't you know English -My Ma'am says" Always speak in English.

Ma'am & Me

Everyday I am giving my best
And I am not doing any less,
My Mam always pleases me
And I won't create any mess,
I am not regular in school

So, nowadays my Mam is in stress,
I'll daily come and do all my homework in future,
So, cheer up ma'am and be relaxed .

Muzainah learnt at school

- * When I was doing house hold work and getting late to sleep Muzainah asked her father to help mom by saying "Papa mummy ki help karni chahiye, hamari ma'am kehti hain".
- * Once I was driving car so she insisted me to wear seat belt, I was surprised to hear and asked, "Who told you." She replied, "My Ma'am".

- * One day I asked my students "whom do you love most? Aastha quickly replied, "Ma'am, I love you the most, "मैं आपकी बेटी हूँ"
- * Her innocent belongingness touched my heart.
- * One day during lunch-break Neeranjana was unwilling to have her lunch. So, I told her "Neeranjana, please finish your lunch fast." Suddenly Vatsal said 'Eat quickly otherwise Ma'am will call Cockroach and he will eat up your lunch". Neeranjana's quick reply was "अरे, Cockroach के पास फोन नहीं होता कैसे आयेगा"
- * I was awestruck by her prompt reasoning!

LOVELY BUBBLY

Machines are machines after all! Sometimes we all face technical problems while operating digital board. So, on one such day when I was trying to open it "No Signals" was flashing on the board again and again. I felt a bit irked. On this, one of my little scholar Udai said, "Ma'am today board is saying No! As we say no to bitter medicines".

During Hindi period, while teaching them how to put Matras in Vyanjans I said - "Look children Matras are holding hands of Vyanjans so, spontaneously Dasmaya said - " जैसे हम अपने बड़ों का हाथ पकड़कर चलते हैं वैसे ही मेम। " Listening to his innocently co-relating instance, I was moved by the pure trust and faith of a child in his elders.

मेरे लाडले के नन्हें सवाल

और उसकी जिज्ञासाएं
मम्मा आप मेरी मैडम जैसा काजल क्यों नहीं लगाती हो, मोटा-मोटा काजल अच्छा लगता है!
मम्मा महिने में ३० दिन ही क्यों होते हैं , १०० या उससे ज्यादा क्यों नहीं?
मम्मा आप ही हमेशा व्रत क्यों रहती हो ,पापा कोई व्रत क्यों नहीं करते ?
क्या भगवान तो मम्मी को ही व्रत रहने को बोलते हैं?

Once, in my class two children were busy in unending arguments on a new pencil box. While pacifying them Aarnav Gusai came with his suggestion, "Ma'am - Don't stop them just say "Om Shanti Om" automatically they'll be quiet."

WOW! What a magic.....

During summer, one little angel of my class (Kanika Bisht) brought a doll and laid it down on the next seat near her seat when asked, she said, "Ma'am She was feeling hot at home due to no electricity."

Oh, I was amazed! How caring and daring are today's kids!

Little eyes of toddlers have intensive observation power.

One day while telling them the importance of parents , I asked my students," can you tell me what makes our parents happy ?"

Immediately, one of my little champ Aryan responded, " when the child is happy then his or her parents will be happy".

Wow ! They are awesome.

While taking reading test in class, I gave for the best performance three stars on their cheeks, I was awestuck to see one of my little champs Risit Kholia didn't wash his face for three days .

Really, little appreciation is a great treasure for them.

I LOVE MY SCHOOL

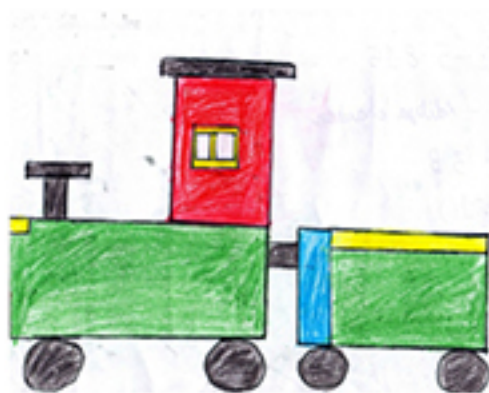

Every morning I think of my school,
It makes me feel cool.
I put on my uniform,
It makes me look charming.
I enjoy learning hard words to spell,
In my maths class I learn to add and subtract.
I like my school and want to say,
I am always ready for the next day.
Activities are so interesting in the school,
That's why I love my school.

मैं मेरी मुझे प्यार से समझाएँ।
छुट्टियाँ होते ही मेरा खेल शुरू,
स्कूल खुलते ही मेरी पढ़ाई शुरू।
पढ़ाई है एक ऐसी विद्या,
जिसके बिना जीवन है मिथ्या
जो न इसको पाता
वह अनपढ़ ही रह जाता।

RELIGIOUS WINTER BREAK

My winter break was really fun and I did a lot of things that I wanted to do.

I felt, this was the best way to spend my winter break visiting "Maa Vaisno Devi".

I was awestruck to see the beauty of nature on the way.

My family and I were very excited during our journey.

Our first stop was Katra and then from Charan Paduka we had our further journey on horse back.

After reaching Bhawan through tunnel we finally reached Maa Vaisno Devi temple.

We all were very happy to seek the blessings of Mata.

We took Prasad from there for everyone.

Excitement was not yet over, I sat in chopper for the first time.

It was really an amazing view that everyone wants to enjoy once in life time.

I will never forget this trip in my life.

MY TRIP TO FUNCITY

During summer vacations I went to FUNCITY with my family. When I reached there I sat in different water rides.

I took few swimming lessons over there .There was a small pool. In this small pool first I practiced with swimming tube.

When I felt I am confident I requested my father that I want to swim without swimming tube. It was an amazing experience for me. I played with my sister, papa and mummy. My father and I sat on a huge water slide. My father swam in a big pool. We had our lunch and spent some more time in Funcity . By evening we came back home by car. It was an unforgettable trip for me.

मेरी प्यारी बैणी

नन्ही-मुन्नी मेरी बैणी
रोती रहती घड़ी-घड़ी।
दूध पीती बोटल से
विस्तर में पड़ी-पड़ी।
दादा दादी को तो वह
सारा दिन नाच नचाती है
मम्मा की मीठी थपकी से
पलभर में सो जाती है।
कभी चहकती चिड़िया जैसी
और कभी सो जाती है,
जब मैं स्कूल से घर आता हूँ

हँसते-हँसते मेरे पास आती है।

दददा आया दददा आया
कहकर शोर मचाती है,
पापा की अति प्यारी बेटी
नानी की दुलारी है।
भैया की यह प्यारी बहना
मम्मा की राजकुमारी है।

छुट्टियाँ

छुट्टियों का मौसम है आया
हमारे मन को खूब है भाया,
मन उमंग से भर उठता है
जब छुट्टियों का दिन है आता।
उत्सव जैसा माहौल है होता
हर तरफ आनन्द है होता
दिन भर खेलते हैं बच्चे
खूब हैं खाते, मीज हैं करते
छुट्टियाँ तो हैं सिर्फ एक बहाना
नाना नानी , दादा दादी के घर है जाना
मन करता है रोज हों छुट्टियाँ

Favourite Teacher

I was just sitting in my room when PARTH, my nephew, rushed in and asked me to write an article for his school magazine. Okay, so on which topic I have to write an article for your school magazine. "Tauji meri Manisha mam pe likh do na", comes the prompt reply. So, "She is your favourite teacher". I asked, he smiles, "What makes her your favourite?"

She listens to me, she let me share my thoughts with her, Parth replied.

A song lyric comes to my mind "From the moment I could speak, I was ordered to listen".

This is a problem, how we raise and educate children. We order them to listen, we lecture, True, we have important wisdom to pass on, but we need to listen too. And the teachers who let student share, who listen, become popular among students.

I recalled, the same Manisha madam has been favourite of my son Sparsh too. Children love to communicate with their lovely teachers. That way, they would regard teachers as their older friends instead of the strict instructors only. If we let children share, they will be more willing to listen to what we want to share with them. A teacher is loved if he /she can make the efforts to reach out to every child in the way, he can access knowledge and has a deep rooted sense of belief that, "EVERY CHILD CAN".

A teacher who believes there are no right answers. Someone who challenges you to think and find out for yourself. Students like the teachers who are kind, warm, relaxed and motherly. If I can't learn the way you teach, "WILL YOU TEACH THE WAY I CAN LEARN". The role is to facilitate the learning of their students. Actually, kids are just like adults. They want respect and care. I wondered what would happen if teachers were evaluated by the people who see them every day. THEIR STUDENTS.

What they thought of their teachers and classroom culture, if you ask kids, the right questions, they could identify, with uncanny accuracy, their most ---and the least ---effective teachers.

MY SCHOOL

I love my school B.L.M.

It is beautiful, it is fine.

It is yours and it is mine.

Six days are full of joy.

On Sunday we play and enjoy.

My school is a treasure chest.

That's why it is the best.

एक से अधिक फूल मिले तो
गुलदस्ता बन जाता है
ईट सीमेंट मिलाकर जोड़े
सुन्दर घर बन जाता है
बूँद- बूँद अगर मिल जाए
सागर बन लहराती है,
मिट्टी के कण-कण जब मिलते
पृथ्वी यह बन जाती है
पल भर छोटा होता है,
पर मिलकर युग बन जाता है
हर पल क्षण का जो मोल समझता
बुद्धिमान कहलाता है।

काश मैं एक पतंग होती

काश! मैं एक पतंग होती,
नीले, पीले हरे गुलाबी रंगों से सजी होती,
फर-फर पंख लगाकर, दूर गगन में उड़ जाती,
इतनी ऊपर उड़ती आकाश में,
किसी के हाथ न आती,
सबको पीछे छोड़-छाड़कर,
अपने ही मन की कर जाती।
होमवर्क और टेस्ट की टैशन
न मुझे कभी सताती,
एक दिन सब भूल-भालकर,
मनीशा मैम की छत पर जाती,
दूर-दूर से उन्हें देखकर,
मन्द-मन्द मुस्काती,
फिर देख मैं बी.एल.एम. को झट से नीचे आती,
डोर से तो बँधी रहती, पर किसी के हाथ न आती,
खिलते फूलों को देख, खुद को रोक न पाती,
हँसते बच्चों के संग फिर से सुहानी बन जाती ॥

कर भला हो भला

मेरी दोस्त सुहानी ने अपना जन्मदिन धूमधाम से मनाया,
वापसी में सारे दोस्तों को रिटर्न गिफ्ट थमाया।
मुझे कॉफी मग और भैया को चॉकलेट पैक दिलवाया।
चॉकलेट बाक्स देखते ही मन में एक ख्याल आया।
भैया को कॉफी, मग दे, चॉकलेट बाक्स मैंने हथियाया।
फिर मम्मी को समझाया-
भैया छोटा, चॉकलेट पैक बड़ा, तालमेल कुछ मिल न पाया।
तभी मेरे दिल ने, दिमाग को समझाया,
कल ही पापा ने मुझे चॉकलेट पैक था दिलवाया।
सोचा मनीषा मैम ने सेवा का जो पाठ पढ़ाया,
आज उसी पाठ को पूरा करने का दिन है आया।
स्कूल में मम्मी के साथ प्लान बनाया,
चॉकलेट का पूरा पैक गरीब बच्चों में बंटवाया।
साथ ही मैंने उन्हें मिल-बांट के खाने का पाठ पढ़ाया।
मेरे देखते ही देखते बच्चों ने पूरा पैकेट पल भर में निपटाया,
उन्हें देख मन मेरा खुशियों से भर आया।
गद्गद् होकर लौटे घर, देखो ऐसी भगवान की माया,
दो चॉकलेट बाक्स वैसे ही घर में देख दोबारा,
मन आश्चर्यचकित हो आया।
पूछी मम्मी से -“कैसे हुआ ये जादू, दिया एक पर कैसे दोगुना पाया।”
सुनकर जच्चा और बड़ गया, जब मम्मी ने समझाया,
भगवान उसी के साथ हमेशा, जिसने सदा गरीबों को हाथ बढ़ाया।
मेरी प्रशंसा का प्रार्थना सभा में, प्रिन्सिपल मैम ने सबको बतलाया।
उसी दिन से मैंने सदा ही अच्छे काम करने का मन बनाया।

Most Unforgettable Day

The most unforgettable moment during the winter break was my birthday. It was a wonderful and cheerful day. A day of full enjoyment. In the morning I played with my friends. During day, I went for shopping and in the evening I celebrated my birthday. I invited all of my friends and gave them an awesome party. We enjoyed a lot in the party. Then after the party I with my father went to orphanage and distributed gifts among the orphans. They were so happy after seeing the gifts. Really it was the most unforgettable day for me.

Winter Break Experiences

This winter break I fully enjoyed.

I played many games.

My mother told me many stories.

She cooked my favourite dishes.

My father did shopping for me.

My father bought for me clothes and toys.

Sometimes I read books and did house chores.

In this way I spent holidays at my home only.

My Experience During Winter Vacations

I went to Gaulapar and I saw the making of International Stadium.
I also visited to ancient temple of Lord Shiva.
I went to my uncle's home and I met my relatives.
I saw the Jungle where the International Zoo, after sometime will be made.
I bought my favourite game toy.
I saw the Nandaur Valley and Machhli Van. These are very cold places.
When I went to my uncle's home there was a dangerous dog which was barking at me. Now when I remember that, I feel how much afraid of that, I was.
There I saw very big lizards on the walls. They were very horrible.
When I was riding my cousin's bicycle I fell down and got hurt.
I missed my father very much because he was not with us. During these holidays he was on his duty.

मेरे प्यारे दादा जी

खुशियों से भरा है मेरा संसार
मेरे पास है संयुक्त परिवार,
मम्मी-पापा,ताऊ-ताई
दीदी-भैया चाचा-चाची
पर सबसे पहले दादा-दादी,
ये सब मेरे सुख-दुःख के साथी
कभी खिलाते मीठे मखाने
कभी खिलाएँ चोकोबार।
उनके पैरों पर चढ़कर,जब मैं पैर दबाता हूँ,
दादा जी के प्यार भरे ढेरों आशीश पाता हूँ।
लगाकर समाचार दादा जी झपकी लेते रहते हैं
मैंने चैनल बदला नहीं, फौरन जाग जाते हैं
मेरे नाराज़ होने पर कभी लुभाते, कभी मनाते हैं,
हरकतों पर मेरी मन ही मन मुस्कराते हैं।
गलतियाँ मेरी छिपाकर डांट से बचाते हैं।
मैं उनका प्यारा पोता हूँ, गर्व से बताते हैं।
हो जाऊँ कितना भी बड़ा उन्हें टटोलेंगी ये उंगलियाँ,
मेरे दादा जी से ही है हमारी ये प्यारी दुनिया ॥

World, A Big Family

Meeta used to live with her Dadi. She was very naughty. She used to tease everyone. One day Dadi took her to a garden. It was a very beautiful garden. Meeta was pleased to see the scene. Suddenly, she saw that some animals were playing together. Meeta went close to them and started teasing those animals. Dadi called Meeta and told her, "Meeta do you know, our earth is one big family and all the living creatures, whether trees, animals, insects or human are part of this big family. She asked "Dadi then who is our parent?", to this Dadi replied, "God, he is our supreme father". Then Dadi told her further, "We should not harm other living creatures they are our companions, our brothers and friends. We should take care of each other. Then only our world will become a heaven". Meeta realised her mistake and promised her Dadi that she would never tease anyone and will give respect to everyone.

MEET MY TEACHER

Let me introduce you with my teacher,
She is unique and a good speaker.
She has wonderful smile,
She tells us the story of monkey and crocodile.
She tells us to love, respect and share,
She always gives us motherly care.
What else I can say about my teacher,
She is the best and a wonderful preacher.

After the Rain

There is a lot of fun,
Here comes the sun,
The clouds have gone,
The flowers have woken,
And rainbow is drawn in the sky.
The frogs are croaking,
And birds are singing,
Thundering and lightning's
Noise has gone,
Music of nature is all I here,
Here comes the sun,
Let's play on the grass
And have some fun

मैं हूँ मेरे पापा की परी

मेरे पापा बचपन से एक परी की कहानी सुनाते हैं,
उस परी के वह बहुत सारे नाम बताते हैं,
उस परी का बोलना, हँसना और उसका रोना,
उस परी का नाचना, चलना और उसका सोना,
उन्हें मेरे जैसा लगता है, अब समझ में आया,
मेरे पापा बचपन से मुझे मेरी ही कहानी सुनाते हैं
इसीलिए वो मुझे अक्सर एन्जल कह कर बुलाते हैं।।

Once there were four children named Sidhi, Ridhi, Anand and Rahul. One day they all went to a park with their granny and they also took their pets two cats, two parrots and a dog. The children played, with the pets and their granny was sitting on a bench. Suddenly, the children got bored they told their granny that they were getting bored. Then their granny asked, "Do you want to listen a story?" "Yes granny" shouted the children. The children sat quietly to listen the story. When the story ended the children understood that our Earth is very beautiful we should not litter on it. From that day the children planted more and more trees as they could. Then they sang a poem.

When we take birth,
First we know the mother earth.

How beautiful is the sky!
So clean, neat and vast.
What we can't make in our notebook,
With imagination we draw on its canvas.
Soft clouds float like boats,
Pleasing you and me.
Stars twinkle sun and moon shine,
In its very large blue sea.
Birds and kites, aeroplanes fly,
Higher and higher without any harm.
This blue heaven is so wide and high,
There is never a traffic jam.

मेरा प्यारा बी.एल. एम

सुबह उठकर आँखें खोलूँ तो,
चाह रहती है मन में हरदम,
सामने दिखाई दें मुझे मम्मी-पापा,

Sky: Hello friend, you seem to be new here! You seem to be different, you don't have wings like other birds.

Kite: Hello sky, I am kite from earth, and I am not a bird.

Sky: But how have you come flying without wings?

Kite: You see, I am attached to that thin thread which is controlled by a kid standing there on earth!

Sky: Oh! I see, by the way, do u come from a rainbow?

You are so colourful.

Kite: Ha-ha! They painted me on earth. It is a beautiful planet

Sky: You are very lucky because you live on the planet earth and kids make you and enjoy with you.

Kite: Yes, I am lucky, but you are also lucky because children never miss to draw you in each scenery and frame it on the walls.

Sky: Yes, but I am unlucky because I cannot see earth, a beautiful planet. I would like to visit earth someday.

Kite: Yes, sure, it will be fun. It is going to be night soon, it's my time to go back home now. So goodbye.

Sky: Goodbye!

When God Made Mother's Day Special

First of all, I would like to thank my elder brother Jayin for his great help in writing this article.

Mother's day was round the corner and as usual, I and my brother, Jayin were busy making cards for our loving mom. Each year we want to celebrate this day differently. Like last year, we gave mom a chocolate along with a card. This year also we had to think what more to add with card and chocolate. But oops! we didn't have much time to think because I came to know about a competition organised by 'Punarnava Mahila Samiti' and decided to participate as a drummer as I consider myself good in playing drum. I will be a solo performer. I was happy. I started practising hard for the competition. Now, the whole sole responsibility to make mother's day special was on my elder brother Jayin. I was relaxed because Jayin always comes up with good ideas (that's why mummy calls him a very good event manager). I asked my brother if he had any special plan for mother's day but to my surprise, he also had his district level Taekwondo fight on 12th may i.e. Sunday i.e. Mother's day! Now, what to do?

Mummy wanted us to take part in respective competitions, so we felt sorry for no new idea, but card and chocolate only. Finally, mother's day arrived Jayin went to Nainital and I went to Ramlila ground for competition with mummy. We had to wait for long and finally, program started. Suddenly, I came to know that I had to participate in group orchestra. Brijesh Sir made group of three players for orchestra in which I had to play drum, Divyansh Kwatra keyboard and Kavya Joshi, Guitar. Orchestra group was made on the spot. What practice could have been done together? The competition was among all! I mean no separate category for dance, singing and orchestra. Now, you can imagine the possibility of winning the competition. It was very uncertain. Mummy said not to think about result and enjoy the performance.

Now, move to Nainital, where Jayin was having bout. We came to know that he lost his bout but still Ma was happy as her shy son could dare to participate for district level Taekwondo competition. He was on his way to Haldwani when our competition started after a long wait and all the participants, as well as our orchestra group came on the stage. We tried our best and immediately got reward too in the form of applause.

After an hour when results were announced, my mother was very happy as my orchestra group got first prize. I can never forget the true happiness on my mother's face. I got a memento also for the same. Next morning, during assembly Principal Ma'am repeated our Taekwondo Sir Mr. Sandeep Thapa's words - "Though Jayin lost the bout but he played it extremely well".

My I'm sorry; our mother was really very happy. We felt that our wish to make mother's day special was accepted and made true by God in the form of real happiness in our mother's eyes.

Happy Mother's Day Mom!

अनोखी चोरी

चोरी करना बुरी बात,
अब तक मैंने था सुना,
पर उस दिन मम्मी बोली,
आज तुम्हें चोरी है करना।
बात नहीं ज्यादा पुरानी,
आई मौसी की बारात,
सुबह से थी मैं बेकरार,
क्यों कि चोरी करनी थी आज रात।
खाना खाने के बाद जब मौसा जी आए मेरे,
होकर सूट-बूट में तैयार,
मैं झट से जूते ले भागी,
जिस कमरे में हुए हम तैयार।
छिपा दिए जूते मैंने फिर,
करने लगी इंतजार,
जब मौसा जी ने जूते मांगे,
मैंने कर दिया इन्कार।
फिर मौसा जी ने दिया इनाम,
जूतों के बदले आज,
मम्मी बोली ये तो है रिवाज,
वरना चोरी करना बुरी बात।।

मेरी प्यारी दोस्त

मेरी प्यारी दोस्त एरिना,
रहा नहीं जाता अब उसके बिना।
लगती है वह भोली भाली,
पर है बहुत शैतान।
करती है बातें बड़ी-बड़ी,
दिखती है वह बिल्कुल नादान।
उसकी मीठी-मीठी बातों में
आता है बड़ा ही मजा,
परन्तु रूठ जाती है अक्सर
चुप रह कर देती है सजा।
उसे मनाने में जब हो जाती हूँ बोर,
कहती हूँ जा, दूँड ले कोई साथी और।
पीछे-पीछे आती है, कहती है,
फिर ऐसा मत कहना,
हम दोनों तो दोस्त हैं,
है साथ-साथ हमें रहना।

मेरा परिवार

सबसे अच्छा सबसे प्यारा
लगता है मुझे मेरा परिवार,
मम्मी हमको खूब पढ़ाती
हमारे सारे काम है करती,
पापा स्कूटी की सैर कराते
मोमो, चाऊमीन हमें खिलाते,
सबसे अच्छा सबसे प्यारा
लगता है मुझे मेरा परिवार,
दादा-दादी का दुलारा
सारे जहाँ से प्यारा,
चाचा का आशीर्वाद, बुआ का प्यार
लगता है मुझे सबसे अच्छा मेरा परिवार
भाई है मेरा बड़ा नट-खट
मेरी चीजों को लेता झपट,
फूलों सा खिलता, तारों सा चमकता
बागों सा महकता,
सबसे अच्छा सबसे प्यारा
लगता है मुझे मेरा परिवार ॥

We love our school

We love our school,
We do not have any scary rules.
Our teachers here are so kind,
But wrong doings, they do mind.
Such an amazing atmosphere,
And surely you won't find it anywhere.
Imbibing in us values of love, not fear,
By our teachers] so lovely and dear.
Studying here is not just a pleasure,
It is definitely a lifetime's treasure!

मेरे सहपाठी

सर्व प्रथम अरमान सक्सेना का आप सभी को नमस्कार।
अब मैं कराता हूँ अपने सभी सहपाठियों का साक्षात्कार।
मेरे सभी सहपाठी हैं इस बी.एल.एम.की शान,
और आप सबको कराता हूँ मैं इनकी खूबियों से पहचान।

गोल-मटोल है प्यारा-प्यारा, सबको लगता न्यारा-न्यारा,
वो है पारस प्यारा-प्यारा।

जिराफ के जैसी ऊँचाई और हिरन सी चाल, कम्प्यूटर में करता यश रोज-रोज कमाल।।

दिखने का तनिष गोलू मोलू और शक्ल से भोलू भोलू।।

पवन की आँख विच पंजाब, उसकी जुल्फ विच बंगाल।

उसके लाल गुलाबी गाल, जैसे शिमला नैनीताल।।

रोज करता वेदान्त योगाभ्यास तभी तो है वो सबका खास।

शरीर को चुस्त तंदुरुस्त बनाता, इसलिए वेदान्त सभी को भाता।।

रिचा, कल्पना, रिया, हिमानी सुनो ज़रा इनकी कहानी।

ये चारों सहेलियाँ इठलाती, कोई भी पूछो सवाल तुरन्त जवाब बतलाती।।

सुन्दर-सुन्दर गुड़िया जैसी, निहारिका प्यारी-सी दिखती है।

रॉकेट की गति जैसे वो कौपी में लिखती है।।

पढ़ाई में हैं होशियार, करते हैं सब कृतिक, मेघा और कोमल को प्यार।।

ऊँघम मचाता हार्दिक दिनभर, सब लोग कहते उसको शैतान।

पढ़ाई में हमेशा अब्बल आता, इसलिए है कक्षा की शान।।

नहीं मतलब तन्मय को किसी दुनिया से,

बस अपने सपनों में खो जाता है।

हृदय उसका मोम सा कोमल,

जरा-जरा सी बात पर रो जाता है।।

अहान बच्चा है मन का सच्चा, पढ़ना-लिखना लगता अच्छा।।

करता है अभय मन से डांस, कभी तो दे दो इसको चांस,

एक दिन दुनिया में कुछ करके दिखलाएगा,

खुद नाचेगा और दुनिया को नचाएगा।।

हृदय है राधिका और पाखी का कोमल-कोमल और मधुर है मुस्कान।

नहीं पसन्द उन्हें हल्ला-गुल्ला, रहती है हमेशा शान्ता।।

नई-नई आकृतियों में रंगभरकर ऋषभ करता चित्रकारी।

उसके रंग बिरंगे रंगों में समा जाती दुनिया सारी।।

नहीं किसी से इनको नफरत, करते हैं वो सबसे प्यार।

राज, कार्तिक और हिमांशु हैं पढ़ने में भी होशियार।।

नन्हा-मुन्हा प्यारा-प्यारा पीयूष है सबकी आँखों का तारा।।

सानिध्य और आयुष पढ़ाई में हैं एक्सीलेंट, दिखते हैं जेंटलमेन।

मंयक, देवाश मेहनत से जी नहीं चुराते, इसीलिए वो हर किसी को हैं भाते।।

हर्षिता नहीं देती किसी को चांस, इसीलिए है वो बहुत एडवांस।।

मधुरता-भरी झलकती है एरीना और मुदिता की शान,

एरीना रंगों से डाल देती है चित्रों में जान।।

आदित्य की सूरत प्यारी-प्यारी, श्रेयांश है सबका आशाकारी।।

नवराज न बनना चाहता है जार्जवुश, न बनना चाहता है क्लिंटन।

उसका तो एक ही शौक है, बैडमिंटन।।

सूरत मेरी प्यारी-प्यारी, माता-पिता का अरमान हूँ,

चित्र बनाता हूँ ऐसे, लगता उनमें जान है,

नहीं रहता हूँ कभी उदास,

हर पल मुस्कराता हूँ,

गाता हूँ, मैं सुन्दर गाना,

और गिटार भी बजाता हूँ।।

अपनी प्रधानाचार्य

वो तो अपनी पी.एम. हैं,
मोदी जी से क्या कम हैं।
पी.एम. मतलब प्रिन्सिपल मैम,
उनकी बगिया के प्यारे फूल हैं हम।
सुबह-सुबह ही वे आ जाती,
कितने सारे काम निभाती।
सबका ही सम्मान वो करती,
खुशियों का निर्माण वो करती।
कभी किसी को वो न डाँटें,
वाणी का मधु सबमें बाँटें
बातें उनकी वजनी हैं,
वो सचमुच में रजनी हैं।
बातों से चुप्पी जब टूटे,
अटल, इन्दिरा पीछे छूटे।
सब काम में सबके साथ,
सबके ऊपर रखें हाथ।
चीजें करती अलग ढंग से,
देखते रहते सब दंग से।
वो तो अपनी पी.एम. हैं,
उनके लिए शब्द कम हैं।

सुन ले सुन ले रे भगवान

सुन ले सुन ले रे भगवान
बिगाड़ा मैंने क्या तुम्हारा
गर्मी की छुट्टी में दे दिया
होमवर्क इतना सारा।
सुन ले सुन ले रे भगवान...
नानी के घर घूमने जाऊँ,
या प्रोजेक्ट बनाऊँ?
आईसक्रीम खाऊँ या फिर उसकी
स्टिक्स को मैं चिपकाऊँ?
दो पाटों में फँस कर रह गया
मैं नन्हा बेचारा।
सुन ले सुन ले रे भगवान...
मोटर, पतलू, डोरेमोन जब
टीवी पर आता है
छोटा भीम देखने को
मन मेरा ललचाता है।
जैसे ही मैं बैठा देखने
मम्मी ने थपड़ मारा।
सुन ले सुन ले रे भगवान...
दस पेज इंग्लिश के लिखने
दस हिन्दी में हैं लिखने।
इतनी लम्बी-लम्बी शीट्स में
नम्बर भी हैं भरने।
इतना सारा काम देखकर
बहती अश्रुधारा।

Picture composition.

In a small village of few houses there lived a little girl named Riya. She was very fond of bird, pet animals, and cattle. Once she saw that some elder persons were beating a little goat. It would graze up all the grass and spoil their plants and flowers. So they were fed up with that overeating goat. Riya said to them, 'If you give me some time I can solve this problem as it is not the fault of this poor goat'. People

agreed and help her in selecting a square piece of land and putting fence around it. She sowed some quickly growing seeds of leafy plants and planted grass on that plot and took complete care of watering etc. After some time a green field was prepared and that goat was left behind the fence to eat and enjoy without annoying and disturbing others. People liked Riya's ideas and appreciated her for hard work and kindness.

मेरा सपना

मैंने सपना देखा था ऐसा,
जिसे कोई न कहे ऐसा वैसा,
मैं बना था आस्ट्रेलियन टीम का कैप्टन,
जिसका नाम था स्टिवन।
जैसे ही मैंने मारा एक छक्का,
देख सब रह गए दंग,
और वैसे ही हो गया मेरा सपना भंग।
जैसे ही मैंने अपनी आँखें खोली,
सब खेल रहे थे होली,
तो मैं भी सबसे कहने लगा,
"हैप्पी होली - हैप्पी होली"।

MY DOLL

When I was an infant, I got a rag doll .It was a very plain, little doll, and it wore clown's hat . I used to take that doll to bed with me every night. My mother used to pretend that the doll was talking to me .She would make the doll dance and sing song .I would talk to the doll. My mother would answer for the doll, but I was a baby, and I thought that the doll was actually talking to me. That doll was my best friend. I took her everywhere. It is still with me. My mother has taught me many things through that rag doll of mine.

Love You Mom

My mother is the best in the universe.
I love my mom very much.
She does every thing for us.
And drops us in our school bus .
Afternoon , I find her waiting at the stop.
To see her there with love my heart pops.
She wakes up early and sings prayer to God.
She is the loveliest gift to me from the Lord.
She makes me happy and teaches good manners.
I am so proud of my mother.
She doesn't love me only,
She loves all others too, very dearly.

प्यार से प्यारी होती है माँ

कष्ट को सहकर हमें सुख पहुँचाती है माँ

खुद भूखे रहकर खाना,
पहले हमें खिलाती है माँ
एक एक तिनका जोड़कर,
मकान को घर बनाती है माँ
पापा के जाने के बाद, उन्होंने ही मुझे संभाला है।

मेरे दादा जी

एक दिन मेरे दादा जी ने ठाना कि वह प्रतिदिन दस-दस पौधे लगाएंगे। मैंने सोचा कि मैं उनकी मदद करूँगा लेकिन उन्होंने मदद लेने से मना कर दिया। एक दिन मेरे दादा जी की कमर में दर्द हो रहा था, मैंने दादा जी से पूछा कि मैं आपकी जगह दस पौधे लगा दूँ। दादा जी ने मना नहीं किया। ऐसा करते-करते पूरा साल बीत गया और पूरा का पूरा गाँव हरा भरा हो गया और हमारे गाँव में वर्षा होने लगी, हमारे गाँव के सभी लोग वर्षा का लाभ उठाने लगे और सारे

वच्चे झूमने नाचने लगे और गाँव के सरपंच जी ने हमारे दादा जी को पुरस्कार दिया। अगले वर्ष वह स्वयं सरपंच बन गए। हमारे दादा जी बहुत अच्छे हैं, उन्होंने गाँव की उन्नति के लिए बहुत कुछ किया, अब हर घर की औरतें बाहर आकर काम करती हैं और गाँव के लिए अनेक काम करती हैं। सभी पशु-पक्षी स्वस्थ रहते हैं और हरी घास का आनन्द उठाते हैं। मुझे अपने दादा जी पर गर्व है।

How I make my parents happy

Apoorva Kabadwal
Class-5A

Our parents play a very important role in our lives. They always try their best to make us happy. So, it is also our responsibility to make them happy. First of all I obey them. I keep my things properly. When they come tired from anywhere, I offer them with water and prepare some tea or coffee for them. When they fall sick, I take care of them as they always do for me. On their birthdays, I give them a gift or hand-made greeting card. My parents are very special for me.

My first day in school

I would never forget the first day of my school. I was so excited and a bit scared too. The moment I entered the class, an unknown fear gripped my heart. Just when I was thinking whom to look forward to make friends with, a familiar voice echoed into my ears. To my utter surprise, she was my lovely friend, Gayatri! She was a very good friend in previous school too. Just couldn't imagine that it was really happening! I was delighted to meet an old friend. When our class teacher entered the class, she made me sit next to a girl called Apoorva. My happiness doubled as she also was a nice and friendly girl. On the same day, I got two friends. It was indeed an awesome day! A day I would never forget!

'Walking with Grandma'

Walking with grandma is a great fun
Slowly she walks with steps very short ones
She takes her time and never say to hurry
With her I always feel myself free
With mom and dad seldom I have found
The chance to enjoy all around
When with them I don't pace
They generally shout and make a face
Thank you grandma for your toothless smile
You patiently listen to me and give your time
My working parents are found always in hurry
You tell me that haste is waste and it spoils the curry.

Conversation between Maggi and Chapatti

Narrator-Do you know Maggi is a junk food and it is not healthy for you. So, let us listen to the conversation between Maggi and Chapatti.

Maggi- Hello Chapatti!

Chapatti-I'm sad, because all the people run after you.

Maggi-Do you know? why all people run after me, because I'm delectable. I'm ready to eat in 2 minutes and you know why people dislike you because you are not so tasty .Yes! oh ! sorry Chapatti it's my generation.

Narrator-After two, three days ,some miracle happened. Maggi was sitting sad and forlorn. Let's see why Maggi was sad.

Chapatti-Hello Maggi what's up!

Maggi- Hi chapatti !

Chapatti- What happened? Why didn't you come to play in the park today?

Maggi- Chapatti, I'm sorry ! I was making fun of you but now people are making fun of me.

Chapatti -This is called tit for tat. By the way why all people are making your fun.

Maggi-Chapatti, I'm banned now.

Chapatti- What! Banned?

Maggi- Yes, because I'm unhealthy and some harmful chemicals and lead are found in me.

Chapatti-Now there is one way Maggi, tomorrow we will go to Mr. Parle-G's house.

Maggi -But why to Mr.Parle-G's house?

Chapatti-Because G for Genius.

Maggi- Ok!

Chapatti-Ok Bye (Cheer up now)

Narrator-The next day Maggi and chapatti went to Mr. Parle-G's house.

Parle-G -Hi , Maggi and Chapatti what happened? Why are you so sad Maggi?

Chapatti-Hello, Parle-G. You know Maggi is banned.

Parle-G-What! banned?

Chapatti-Yes Maggi is banned. That's why we have come to you to take help from you.

Parle-G-You have come to the right place. I know that person who can help you.

Maggi-Yeh!

Narrator- Next morning, Maggi went to Baba Ramdev.

(Maggi knocks the door, ding dong)

Baba Ramdev- Yes coming, who has come ?

Maggi-Help Baba Ramdev ! Help !

Baba Ramdev- What kind of help you want from me?

Maggi- I'm banned. I'm unhealthy and some harmful chemicals like lead are found in me.

Baba Ramdev- OK. I'll think about it.

Chapatti- Hh Hh Hh ! Maggi you have heard the news that now you are in a healthy version.

Maggi- Yeh Yeh Yeh! Thanks a lot to all of you.

Sunday with Dad

Sunday is a not special
When dad is around,
He wants us listen boring news
With a loud T.V. sound.
With finger corking the ears
We wish to sleep a little more
But we are never spared
For even minutes three or four.
Even mom tries to stay in bed
With her a bit of sleep
But can't do, she knows
There dad is waiting for tea
But when we all are up
We feel relaxed, fresh and bright
For we are with the whole family
Since morning till the night.

I AM DHAIRYA

I am a boy,
Whose heart is filled with joy.
I want to be a pilot,
Want to fly over the whole world.
I like to read novel,
And love to play bubbles.
My handwriting is not so good,
But still I want write a book.
My favourite subject is science,
And I want to go in diamond mines.
My aims are so high,
They can even touch the sky.
I want to work for society,
And for that I want to be mighty.
My parents are God for me,
Teachers are inspiring for me.
My sister is a life skill guide for me
My dog is like a friend for me,
I am Dhairya, you can test patience in me.

A friend in need is a friend indeed!

Once my class teacher told us "Friends are family we choose for us". This I have felt is so true. My friend Kirti and I have grown a special bond together. Many a times, he has proved to be a good friend. He has helped me in so many ways. One special incident I would like to share with you all that made me feel so proud of our friendship. Once I forgot to do my homework as I was away to attend some family function. Next day, when I reached school, Kirti helped me complete my work. He not only dictated all the work but also made me understand everything. I completed all my work because of him. When the teacher arrived, she announced in the class that all the work given as homework would be evaluated for final marks, I just could thank my best friend enough!

And just like an angel fulfil all my wishes.
What to say about my Dad,
My Dad is an Army Man
He is my hero in many ways.
Words could never express
How I feel about you.
How much I truly love both of you.

My Teacher-Mother

I wish my mother were a mother only
And not my class teacher
Because then only I could have saved
Three hours of scolding altogether
She is definitely nice and kind
But at school, she has a different side
I know whatever she does is good for me
Still I don't like when she gets furious on me
But I will tell you my mother is wonderful
With her my life is colourful, cheerful and joyful
I wish long life to her as like her there is no other
May God bless my dear mother!

प्यार घर से आरम्भ होता है।

कीर्ति काण्डपाल
पंचम स

इस पृथ्वी पर बच्चा अपना जीवन अपनी माँ की ममता-भरी सेवा से आरम्भ करता है। जैसे-जैसे वह बड़ा होता जाता है उसे परिवार के प्यार की अनुभूति होने लगती है। वह धीरे-धीरे प्यार के उस संसार में अपने को डुबो देता है। इसलिए इस कहावत में सच्चाई है कि प्यार घर से पुरु होता है। स्कूल के प्रारम्भिक दिनों में स्कूल घर का ही विस्तार लगता है। बच्चे को दूसरों को प्यार करने और उनकी परवाह करने के मौके मिलते हैं। सब रिश्तों का आधार प्यार की मूल भावना है। इसलिए हमें ऐसा वातावरण प्रस्तुत करना चाहिए, जिसमें प्यार ही प्यार हो। हमें जल्दी से जल्दी यह सीख लेना चाहिए कि देना लेने से ज्यादा महत्वपूर्ण है। यह ज्यादा महत्वपूर्ण है कि हमने दूसरों के लिए क्या किया है वरन् इसके कि दूसरे लोग हमारे लिए क्या करते हैं। ऐसा सोचकर कुछ करेंगे, तो सभी का जीवन खुशियों से झूम उठेगा।

250 रु. का करेला

मैं और मेरा नटखट भाई वेदान्त.....। हर चीज देखना और सीखना चाहते हैं और यदि सफल रहे तो हमारे अतिप्रिय दादू के सौजन्य से मिठाई और चॉकलेट पार्टी के द्वारा Celebration तो अति आवश्यक है। एकवार घर के गमले में ईश्वर के प्रताप से बगैर हमारे प्रयत्नों के एक करेले की बेल उग आई। बेल देखकर और दादू के बारे में सोचकर कि दादू को मधुमेह है, मेरे नन्हे भाई वेदान्त को बागवानी का शौक चर्चाया। अब तो रोज बेल की देखभाल होने लगी। सुबह-सुबह बेल को पानी देना, दिनचर्या का एक अभिन्न अंग बन गया, और एक दिन ईश कृपा से एक नन्हें करेले का आगमन हो गया। एक शुभ मुहूर्त में महाराजा वेदान्त ने हमें भी नन्हें करेले के दर्शन करा दिए।

अब क्या था कर्मफल निकट पाकर घुँ लगा जैसे सफलता कदम चूम रही हो। नन्हें करेले की चौकसी अब और बढ़ गई। तीन पहर के दर्शन और चारों पहर की सेवा प्रारम्भ हो गई। परन्तु समय तो जैसे बीतता ही न था या फिर नन्हा करेला जानबूझकर धीरे-धीरे बढ़कर हमारे धैर्य की परीक्षा तो नहीं ले रहा था ? जो भी हो आज प्रकृति की गति सचमुच धीमी प्रतीत हो रही थी और विज्ञान में पढ़ा Slow change का उदाहरण too much slow change के उदाहरण में बदल रहा था। हम दोनों भाई प्रकृति की गति से करेले के माप का संबंध देख रहे थे। अब हमें ये करेला अतिप्रिय हो गया है। लंबे अंतराल के बाद करेले ने पकने के लिए सही माप पा लिया, लेकिन यह क्या, यह तो सखा विहीन करेला है, इसका तो कोई संगी साथी ही नहीं...। पूरी बेल में एक ही करेला.....। अब अकेले करेले की क्या सब्जी बनेगी? हम सन्न रह गए। अपनी मेहनत से उगाए करेले को दादू को खिलाना क्या स्वप्न ही रह जाएगा ? हम दोनों बहुत उदास हो गए। परन्तु माता तो बच्चों के सारे कष्ट हरती ही है न ..., सो इस विपत्ति की घड़ी में भी माता ने हमारी सहायता की और हम अपने प्राणप्रिय करेले के संगी साथियों को लेने के लिए माता के साथ निकले और संगी साथियों के साथ करेले को कुछ समय के लिए छोड़कर हम दादू के पास चले गए क्योंकि Celebration तो दादू के सौजन्य से ही होता है न। अब समय था करेले को पकाने का। माता करेले को काटकर उसमें

नमक लगाने की तैयारी कर रही थी और इस विचार से कि अपना प्रिय करेला अब अपनी अंतिम साँसें गिन रहा है, हमारा कलेजा मुँह को आने लगा। इतने समय से हम दिन-रात इस करेले के बारे में सोचते और सेवा करते रहे, इससे बहुत जुड़ाव हो गया था और यही जुड़ाव इस समय हमारे दुःख का कारण बन रहा था। इस कारण हमने रसोईघर से दूर जाने का निश्चय किया। दुःख से निपटने का सर्वोत्तम उपाय है कि अपने मन को कहीं और लगा लो। अतः हमने रसोईघर छोड़कर पिता जी के पास जाने का निश्चय किया, जो दादाजी के आदेश पर मिठाई लेने जा रहे थे। चूँकि करेले का दुःख अधिक था तो मन को मिठाईयों के प्रकार में उलझना पड़ा और एक के स्थान पर तीन प्रकार की मिठाईयाँ चुनी गयीं। घर आने तक हमारी सफलता का प्रमाण (करेले की सब्जी) एवं खुशी का सामान (मिठाई) तैयार थे। सुख-दुःख का अनोखा संगम था। करेले की विदाई, सफलता की प्रसन्नता पर भारी पड़ रही थी, अतः हमने करेले की सब्जी न खाने का निर्णय लिया।

भोजन पश्चात् सबने मिठाई खाकर हमारी सफलता को सराहा तो हम फूले न समाये, परन्तु उसी समय माता ने हमारे परमप्रिय करेले पर ही एक गणित का प्रश्न बनाकर हमें दे दिया, जिसके उत्तर ने हमारी बुद्धि चकरा दी। दरअसल संगी साथियों और मिठाईयों को मिलाकर हमारे एक अकेले करेले की कीमत २५० रुपये पड़ी। हे करेले! तुम हमारे विज्ञान व गणित के साथी भी बने। तुम्हें हमारा शत-शत नमन।

बेटियाँ पढ़ाओ

पढ़ा लिखाकर तो देखो बेटियों को
हे बेटों के पुजारी !
फिर देखिए, युगों से थी जो बेचारी
कैसे बनती है वह एक सुदृढ़ नारी।
स्वच्छन्द पुरुष होगा कुछ भयभीत,
जब पाएगा एक जागरूक मीत
सुधरेगे उसके अहम भरे भाव
धुल जाएंगे सभी उपेक्षाओं के धाव।
बनेगी जब दुर्गा स्वरूपनारी,
पुलिस बन पकड़ेगी अत्याचारी।
डॉक्टर बन हरेगी बीमारी,
नेता बन देश के लिए होगी कल्याणकारी।
जीने का हक है दोनों को एक समान,
क्यों करते हो फिर जीवन का अपमान।
बेटियों की सुरक्षा सुनिश्चित कराओ,
धरती पर मानवता का मान बढ़ाओ ॥

Once there was a boy named Karan. He was a good boy and always obeyed his parents and elders. During vacations, he went to his granny's house who used to live in a small

village near the town. Karan enjoyed the delicious food prepared by his granny and her inspirational, moral stories. Granny too used to love making food for her lovely grandson. He enjoyed helping his grandmother in every work. Soon the time came to return to his parents as the vacations were going to be over. He returned back to his house but was missing his granny, her love and affection and her delicious food.

One day, when his best friend Harshit told him that his grandma lives with them. Karan asked his parents to ask granny to live with them forever. His parents were delighted to hear this and without wasting any time, they brought her to live with them. Karan was extremely excited to get his granny, her food, her stories back and so was granny. And from then on, they lived happily ever after.

स्वच्छता अभियान

पीने के योग्य रहा न जल,
जीवन के लायक रही न हवा,
घरती का लुट रहा शृंगार,
कुदरत का कहर बन गई दुआ।
संगीत नहीं अब शोर है,
खादों और मिलावट के ज़हर से,
बीमारियों का जोर है।
स्वस्थ धरा है तो प्राणी है,
वरना कहाँ फिर,
गुड़ धानी है।
करो न दूषित अब नदियों को,
साफ रखो घर-आंगन-गलियों को।
जाग रे मानव होने दे न अंधेर,
पछताने से कुछ न होगा,
अगर हो गई देर।
सेवा कर घरती को ही बना स्वर्ग,
आने वाली पीढ़ियाँ भी,
कर सके फिर इस पर गर्व ॥

UNFORGETTABLE SCENE

The other day, I saw an accident when I was returning from school. I was as usual cycling. Afterwards, I heard a screeching sound. I turned around to see the source of the sound and what I saw, I think I will never be able to forget. There was lying a young boy in a pool of the blood hit by a jeep. The sight of blood was really horrible. People gathered around the boy. I too went to see who was he. He like me was returning from a nearby school. Then quickly, a man searched through his books and found his diary. The contact no. was found in the diary. He informed his guardian. The boy was taken away to hospital. The jeep driver was totally drunk. The police man came and took away the jeep driver. After then, I went home and told about the accident to mother. My mother was so scared and hugged me. I told her, I am fine. Then I and my mother prayed for that boy.

MY CLASS TEACHER

Class teacher is the closest school person,
Can we be so free to any other name?
Like a true friend she knows every thing,
Despite all our shortcomings,
She still keeps on loving,
She cares like a mother,
She dares like a father,
To lift us up she strives harder.
She muses us with encouraging songs,
And always rectifies all our wrongs.
With all love and kindness,
She solves our problems.
The whole class loves you,

MY PLEASING MOTHER

My mother is always positive. One day she planned to go to market. When she was ready to move out, I asked her to bring MOMOS for me. Waiving her hands, she said ok.

I was too engrossed in my game to notice my mother's return. I rushed towards my home to relish the mouth watering MOMOS. My mother told me that she couldn't bring MOMOS. I got annoyed and told her that she had disappointed me. She presented alternative of MOMOS. She had brought different

seasonal fruits. She prepared special FRUIT CHAAT seasoned with many other nutritious ingredients and spices. It was looking so tempting I couldn't resist myself and grabbed the plate to devour and freely enjoyed it. Later on my mother explained that deliberately, she had missed the MOMOS because street foods are generally contaminated which make us ill. Fruits are natural clean and energy booster and good appetizer. She promised to prepare MOMOS at home for me.

Our parents are more intelligent and experienced than we children are. We should not be angry with them on small things. We should understand the intention behind what they say.

MY SCHOOL

BLM ACADEMY gives us education,
Quite a long summer and winter vacations.
One hobby and eight more periods each day,
So many games and big ground to play.

We have to work very hard,

To get a good report card.

We have to do a lot of exercises,

To get medals and prizes.

Boys and girls here don't scream,

We all work together as a team.

Students here don't waste time in talks,

But they try best to achieve their tasks.

MY mother and my brother

To the mother who gave me life,
I can give only respect and love.

She is a star full of life,
She always guides me to rise above .
My brother who is nine months old,
always brings happiness to our home.

Says Jai and joins his hands
in the morning when he sees me.

When I return from my school
my brother says Dee-Dee.

He moves in a walker, trut trut
Says mostly mum-mum and pup-pup.

I love you both more than anything
you are for me everything.

I am blessed child

I thank you my dear God

Giving me a bubbly brother ,

Dear dad and loving mother.

ME & CRICKET

(ROUNAK BISHT)
7TH A

Me and cricket have a good relation,
For cricket, I can give good explanation.
I love playing cricket a lot,
I play only classical shots.
For it I will work hard & strive,
As its my passion for life.
J P Duminy is my favourite player,
As he is also offspinning all rounder.
Kohli is good in looks,
Also plays flicks & hooks.
Dhoni is our captain cool,
Play's good helicopter & pull.
Yuvi is our hitter king,
As his name is Yuvraj singh.
Ashwin throws good ball,
As he is '6.1' tall.
They all inspire me a lot,
To throw good balls & play good shots.
After all this is my future,
And I am going to be a cricketer.

FAMILY

Families are people
Who care about you.
My family is a precious gem,
Your family is too.
Mothers and fathers,
And sister and brothers,
Grandma and Grand pa
And so many others.
Our family is big,
While some are small.
Some have children,
But some have no one at all.
When we are together,
Or far-far apart.
The people whom I love,
Fill the gap of my heart.
Family is understanding and,
Never demanding.

I can't imagine, how my life would be

Without, as those who are destitute have sad stories to unfold

I possess one more family

Which is my school BLM

We are crazily happy in

This vibrant den

At last I confess cheerfully

That I am complete with both the families

 My passion is karate and singing,
 And I want to become brave like the lion king.
 My aim is to join army as an officer,
 Or else I would like to be a doctor
 And I am a girl who is very dreamy.
 I love dancing and throwing the parties,
 I prefer to enjoy action movies
 I love different hairstyles,
 Wearing high heels is my cherished choice.
 On my head I always feel a crown
 Uplifted by this feeling I'll never go down.

Let me fly

Let me fly... Let me fly,
 I want to touch the sky.
 I want to see what is next after the horizon,
 Where is the home and resting place of sun?
 Where the moon hides in the day.
 I want to see the beautiful earth from the sky,
 I want to compete with the birds that fly,
 I want no boundaries I want to fly high,
 Let me fly... Let me fly.
 I will follow the river which comes from the mountain.
 I want to fly over the sea, I don't want to be in chain,
 I want to know how the clouds give us shade,
 I want to see everything that God has made.
 I want to visit the deserts and want to fly over green field,
 I want to enjoy the life and see from above people's deed.
 Let me fly... Let me fly,
 I want to touch the sky.

CONVERSATION of PRO Madam and Parents

PRO - Welcome Sir and Ma'am to BLM Academy. How can I help you?

New Parent - Ma'am I want to know the procedure for new admission in your school.

PRO - Sir please have a seat, I would like to tell you about the procedure and activities which our school organizes for the students.

N P - Ma'am can you tell me the number of seats available in 7th class.

PRO - Sir, I would like to tell you that we have three sections in our school of each class like its 7A, 7A1 and 7a2 and in a particular section there can be only 35 students.

N.P - OK! Ma'am I would like to know about the fee structure and how it is paid?

PRO - (Showing fee structure) Sir, this is our fee structure which is according to the activities that are done in the school.

NP - Can you tell me something about activities.

PRO - Sir, I would like to tell you that the aim of our school is to help each and every child in the best possible way and for that different activities are organized in the classroom as well as outside the classroom.

NP -Ma'am now a days the students want to get the things done by themselves, what does your school provide for this?

PRO - Sir for this our school has Robotics, in this students themselves get involved in the activity moreover our classes have Smart boards with the help of this students directly understand the facts.

N.P - Ma'am could you tell something extra about BLM Academy?

PRO - Yes Sir, our school gives chance to every student to speak in assembly, so that his/her stage fear gets removed. Our school organizes activities, subject wise every Saturday and students participate in that and give their best. Our students are excelling in every field.

NP - Would you tell us how?

PRO - Not only in our school students participate in inter school competitions sports, debate, play, songs, dance etc. and they win trophies for the school.

NP - Ma'am can we see the school, if you allow?

PRO - Sure Sir.

NP - Thanks Ma'am, can you provide me school's phone number for further inquiry.

PRO - Gives the phone number and calls one of the school peon to help the parents.

NP - Thanks for your help. Now we should take your leave.

आज़ादी का तात्पर्य

आजादी एक ऐसा शब्द है जो.....? इसका उत्तर आपको हमारी कविता में मिल जाएगा-

आजादी मेरी मत छीनों,
मत छीनो मेरा जीना
चार दीवारों में नहीं रहना,
जीना है और खुलकर जीना।
मत बांधो जंजीरों में
मेरा भी हक है जीने का
एक बार आजादी दो
आजादी मेरी मत छीनों।
मत कैद करो पक्षी को,
उसका भी तो जीवन है
उड़ने दो उसको खुले गगन में
आजादी का हक उससे मत छीनों
एक बार आजादी
सबको देकर देखो
उड़ने दो खुले आसमान में,
और आजादी का मतलब सीखो।।

Maths a challenge

My parents want me
try try try .
But the more I try,
The more I cry .

I practise maths with my heart and soul ,
Yet I am not able to achieve my goal.

I never get marks in maths, inspite of my great endeavours ,
I never find fate in my favour .

I really want to improve my maths

Because I love this subject,

And for this I am trying my level best ,

Believe me ,even don't take rest .

But in maths exam only, I always create a mess,

Because my solutions are based on guess,

And ultimately the the marks I get are quite less.

The Cricket Religion in India

There may be many religions in this secular country India, but it is to be said Cricket unites Indians better than any religion can ever do. With millions of ardent followers cricket has become the dominant religion of India. Men in blue are adored by the crazy cricket fans. Because of this enormous popularity in India , cricket attracts a lot of sponsors too. The frequency of matches played in India is higher than most of the other cricket playing countries.

Apart from international fixtures, domestic cricket to gathers a huge support. BCCI is the richest cricket board of the world.

The religion of cricket has no holy books but there are several gods such as Sachin Tendulkar , M.S.Dhoni, Kapil Dev.

"If cricket is religion so Sachin is God."

Monika is constantly trying,
Anushka's gossips are always flying,
Maansi's dance is very good,
Saurabh is always in polite mood,
Vaibhav and Vinay are good friends,
Rohit and Shiva's arguments have no end,
Table tennis of Yash is fabulous,
Kanchan's drawing seems to be marvellous,
Rishabh's jokes are so funny,
Mridul is as sweet as honey,
Siddhant, Gaurav, Shubham, & Charita are very polite,
As they never fight,
Aman, Dheeraj & Harshit never fall ill,
And to our class they are thrill,
Jatin is like a Teddy bear,
Mrs. Garima Pant our class teacher shreds our fear,
In my class 7th A2 nobody is found in tears.

न जाने क्यों मनुष्य का स्वभाव है कि जिस कार्य को मना किया जाए उसे अवश्य ही करता है। अब अपनी दिनचर्या से ही इसके उदाहरण ले लीजिए-बस की सीट पर बड़े-बड़े अक्षरों में लिखा होता है- "महिलाएँ" और उसी सीट पर पुरुष पैर पसारते बैठे होंगे और महिलाएँ पास में खड़ी उनके उठने का इंतजार करती होंगी। एक और उदाहरण लीजिए- दीवारों पर "धूम्रपान मत" का साईन लगा होगा पर लोग वहीं पर धूम्रपान करते हैं। "यूज मी" का खाली डिब्बा उदास हो अपने आस-पास फैले कूड़े के ढेर को हसरत भरी निगाहों से तोंकता है। पुस्तकालय में लिखा होगा- "शान्त रहिए" पर वहाँ शान्त स्वभाव के लोग भी ऐसा शोर मचाते हैं जैसे कि यह उनका जन्म सिद्ध अधिकार हो। "नो पार्किंग" तथा "नो हॉर्न" के बोर्ड के नीचे ही गाड़ियाँ हॉर्न बजाकर कान फोड़ती नज़र आती हैं। ऐसे लोग समाज को कलंकित करते हैं और इस धरती पर बोझ हैं। मना किए हुए कार्यों को करने में न जाने क्या आनन्द आता है। अब आप स्वयं ही अपना निरीक्षण कीजिए और देखिए कि कितनी बार आपने मना किए कार्यों को किया है। अगर आपका जवाब है नहीं तो आपसे निवेदन किया गया था कि कृपया इसे न पढ़ें। लेकिन आप तो...! जब आपने पढ़ ही लिया है तो कम से कम आप तो समाज को सुधारने एवं धरा को संवारने में पहल कर स्वच्छता अभियान में हमारा साथ दें।

The girl in the picture is Leena. She comes off a very good family but due to the ill stroke of fate her family with her sick mother struggles hard for survival. Leena is brilliant but she is not professionally qualified. She wants such a job which can fetch her lot of money. She tries and gets a call for the post of a chef. in a big mansion near by the city. During demo she was asked to prepare complete lunch for thirty five members of the family. She loves cooking but she has never cooked for so many people at a time. She was at her wit's end but she

doesn't give up. She smartly enters the kitchen holding menu card in her hands. She starts cutting veggies and fries them. She wishes if there could be someone to help her. Soon she gets overstressed and faints. But the cooking work

doesn't stop. All the items according to the menu are prepared and the table is laid. When Leena regains her consciousness she finds some fairies in the kitchen. Family at the kitchen is so impressed by the timely work and delicious food that Leena is appointed as the head chef to mentor other cooks. She gets a handsome advance salary. She is so happy that her hands raise to thank to God and His fairies for the help. Now she has some hope for her mother's treatment.

नाले की उदारता

घर के आगे एक नाला है,
कितना ख्याल हम उसका रखते हैं,
बासी खाना, टूटे खिलौने सब उसको देते रहते हैं।
कूड़ा-करकट को भी शान्त-चित्त से अपनाता है,
बारिश आने पर ही वह फिर अपना फर्ज निभाता है,
हमारे सारे कूड़े को घर हमारे पहुँचाता है,
जो कुछ दिया था हमने उसको, सूद समेत लौटाता है।
बीमारियों के कीटाणु मुफ्त में दे जाता है,
'जैसे को तैसा' यह नियम प्रकृति का है भाई
गंदगी तुम्हारी है, तो जिम्मेदारी भी तुम्हारी
इसे समेटने में ही है, हम सबकी समझदारी।

IMAGINATION OUR FRIEND

Imagination is a fantasy we can delve in
Each and everything we can imagine
Imagination is our great power, within
Things we can't do in our life can be imagined.
Imagination plays biggest part in our life.
Like our friend
Just like the universe it has no end.
Imagination is to skill our mind to train and hone
The perception of different imaginations also fills our life with hope
For the better tomorrow.
Beautiful things have no room for sorrow.
Imagination adds colours to my life.
To rejuvenate, to relive and to do everything right.
It is a creative feeling to make the world glittering.
So don't stop imagining and keep the innovation flying.

हास्य कविता प्रतियोगिता

जुलाई का है महीना बरसात
है छमाछम,
भीगी फिज़ा में अंकुरित भावों की है रिमझिम,
शब्दों से हँसाने की लगी हुई है होड़।
देखें, किस की कविता का नहीं है कोई तोड़।
आजकल रोना है आसान मुश्किल है हँसाना
ढूँढ़ना पड़ता है कोई न कोई बहाना।
हँसने के लिए कौन सा बटन दबाऊँ।
चलो इसके लिए एक कथा ही सुनाऊँ।
दो दोस्त जा रहे थे यात्रा पर कहीं
रास्ते में बस जब एक ढाबे पे थमीं,
लघुशंका निवृत्ति को एक दोस्त को हुई तलब,
उतरते ही बस से वह भागा बेखबर।
जब देखा गुलाब जामुन बन रहे थे काले काले
सर्दी से ठिठुरते दोस्त ने सोचा चलो खा लें।
खाते ही हो गया मुँह का दाह-संस्कार
पहुँचा वापिस बस में ले आसुँओं की धारा।
दोस्त ने पूछा, आंखें क्यों हैं तेरी नम,
अरे यार बीमार है मेरी नानी उसी का है गमा।
कुछ हल्का होने को दूसरा भी बस से उतरा,
गरम-गरम गुलाब जामुनों पर उसका भी मन मचला।
खाते ही हो गया उसका भी वही हाल
बस में पहुँचा तो था बुरी तरह निढाल।
पूछा दोस्त ने क्यों हैं तेरी भी आँखों में पानी,
बोला वह मुझे लगता है मर गई वो तेरी बीमार नानी ॥

INDIA

India is our country where we took birth,
The most beautiful place on the mother earth.
India is on the way to development since 1947,
But I think our country is itself a heaven.
I dream of 100% literacy where everyone can write and read,
I dream of a place where there is no discrimination on the base
of cast and creed.
A country where women are not less than men,
Whatever men can do even women also can.
A country with the feeling of brotherhood and unity,
A country with glistening gems of hard work and dignity.
India is having democracy and the right to vote,
This means that public is having a government's remote control.
For our mother land our hearts are filled with devotion,
Our Soldiers are ever ready to lay down their lives for their
nation.

Merry Christmas

Christmas is a festival of joy and fun,
On this day, nobody is angry with anyone.
We wish Jesus Christ, Happy Birthday,
And children are happy, they love to play.
We together sing all through the day -
"Jingle bells, Jingle bells, Jingle all the way,
Oh! What fun it is to ride in a one horse open sleigh;
Christmas comes in winter and we play with snow,
We pray for a special gift & Santa never says No.
At night Santa comes for giving our gifts,
Sitting on his beautiful reindeer airlift.
We also celebrate Christmas in our B.L.M. Academy,
Santa comes and gives us chocolates and toffee.

Chinmay is a science blast.
Shaurya, Jyoti and Bhoomika are fashion queens,
Navya and Varsha are talkative twins.
Manish has a habit of commenting,
Mudit indulges in fighting.
Mayank rarely comes to school
But Aditya Raj never misses the school.
Deepak is a good artist,
Whereas Tanuj is a yoga medalist.
Shreya has a wonderful voice,
Saurabh Fulara always enjoys.
Aditya is champion of good handwriting,
Om is always suggesting for hardworking.
Ujjwal is our maths professor,
Manjeet is an excellent challenger.
Gracy & Parnika are the best friends,
Sakshi always envies them.
Bhavya is very tall & cheerful
Tushar and Dipanshu are forgetful.
Anil is very fast,
But Dhruv is slow & reaches last.
Deepti ma'am is our class teacher,
Prompt to help and explain whenever we need her.
I am Adarsh the poet of the poem,
I love my classmates
They really are COLOURFUL GEMS.

BELIEVE IN YOURSELF

Everybody has an individuality,
And is free to make his own identity.
All have their separate pathway to take,
And own destinations to choose.
All have own contributions to make,
And own special talents to use,
All have our own kind of life to pursue,
Own kind of dreams to weave.
Everyone has a power to make wishes come true,
As long as one keeps believing.
Life is a beautiful gift of God,
If one stands deserving and accountable.
Life is a reflection of our deeds,
This is the only fact try to believe.
The world is waiting for you,
Dare to dream
Dare to try
No goal is too distant
No star is too high.

LIFE AS A STUDENT

School is a daily routine for us,
In the morning, many of us make a fuss,
As! There's Mom's calling,
"Hurry up, put on the dress,
But don't you create any mess".
Reaching the school,
Seems to be cool,
Standing during assembly under the sun
Oh yes! It's surely going to be a fun.
Here comes Nidhi Mam's English,
Full of poetry and stories,
She teaches us how the world is sweet,
About the songs without a beat,
A dozen, a gross and a score,
Plus there's time for square root of four,
Studying number here and there,
Solving problems everywhere,
So much that we forget Garima Mam's Maths,
Otherwise proofs and theorem will definitely harass,
So here can't you consider the witty science,
With Mamta mam telling all the laws,
And Deepa mam's explaining everything has a cause.
Last but not the least,
She tells anyone to read,
And helped us when we need,
Here is revolution, wars in the entire history,
You guessed it right.
It's Deepti Mam's awesome S.St.
We make enemies, we make friends,
Every day we discuss, we answer, we question.
We sit everyday in the class, with a new aspiration,
Sometimes in class, the teachers also jest,
That student life is the BEST.

माँ मुझे आने दे

फागुनी बयार की तरह ,
तेरे आँगन में भय से पसरा,
शीत अवसाद उड़ा ले जाऊँगी,
द्वेष दम्भ की उग्रता शमित कर
उल्लास का वातावरण फैलाऊँगी,
तेरे शुष्क जीवन में अभिलाषा की कोपलें चटकाऊँगी,
माँ मुझे आने दे

मेरे सुकृत्यों की विरुदावली
लाएगी तेरे जीवन में बहार,
माँ मुझे मौका तो दे
प्रकट करने का आभार,
मेरे आते ही तू संतुष्ट हो जायेगी,
तेरी सारी आकुलतायें
मेरी तुतलाहट में खो जायेंगी
अपनी किलकारियों से तेरा
आँगन चहकाने दे

माँ मुझे आने दे

ऋचा
कक्षा अष्टम अ१

स्वर्चित कविता

माँ! मुझे आने दो।
तेरी गलतफहमियाँ दूर करूँगी,
तेरे सभी दुःखों को दूर करूँगी।
तेरे जीवन में नया प्रकाश लाऊँगी,
प्रसन्नता और खुशहाली की नई आस लाऊँगी।
दिखाऊँगी मैं अपने पैरों पर खड़ी होकर,
बेटे और बेटी का भेदभाव धोकर।
तेरी झोली में खुशियों को भर दूँगी,
चाँद तारे तोड़कर तेरे चरणों में रख दूँगी।
तेरे हर काम में मैं तेरा हाथ बटाऊँगी,
दुःख को तुझसे बहुत दूर ले जाऊँगी।
किसी भी क्षेत्र में पीछे न रहूँगी,
केवल सत्य वचन ही मुँख से कहूँगी।
पर खुद को सिद्ध करने का मेरे पास मुझे भी तो एक अवसर पाने आने दो,
माँ! मुझे आने दो।
जितने भी किए तुझसे वादे, मैं उन सभी को निभाऊँगी,
विपरीत से विपरीत परिस्थितियों में, मैं तेरे साथ खड़ी हो जाऊँगी।
अगर बेटियों का मार्ग दर्शन सही है,
तो बेटियाँ भी किसी से कम नहीं हैं।
इसी उल्लास के साथ मुझे तेरे आँगन को सजाने दो,
माँ! मुझे आने दो।

Jerry- "My Loved One"

How could you even think?
How dare you leave me?
My eyes did shrink,
With overflowing tears unseen
You are my first and last best friend
We promised to live together forever
But from my life, away you were sent
The cutest face, cheerful eyes and loving soul,
I wouldn't be able to see again.
You have left me with so much pain
God sends friend like you a few
As if a diamond for me was due
First when we met,
You were not able to see me,
It took you many months to set,
Your presence was full of glee.
You loved everyone and many hearts you won,
Our story went very magically
Turning all sorrows into smiles, but one day
You went away, you went and went miles,
and could not return by smelling our scent
I know you would have tried
But it was all in vain, a lot my mother and I cried
Hoping you would come back someday
But time slipped like quick sands
But it wasn't at all in our hands
I hope you are okay wherever you are
As God is there to embrace such stars

Angels

First day in the school
I met the first angel,
Daring and confident and really cool
Aided me throughout the day
Keeping all hurdles at bay
But still it's not too easy
As soon as it comes to Darshita and me
Then came the second angel
Cute creative and caring
Always breaks the glasses she is wearing
Her imagination has no boundary
Bit of work makes her drowsy
Interested in sin, cos, theta
Of course because she is Isha
Last but not the least
It is my third angel
Blessed with intelligence and vigor
Loves dancing and also is a singer,
Scolds me like a mother,
Though I never bother
Aggressively she acts on things
Which are petty,
But I admire her name Sanskriti
These three angels are a boon,
Lucky to have them so soon
I wish you don't bid me adieu,
As I love all of you!

Chance favours Those in Motion

A bright name in Today's world- " Divya". The top successful business woman in the world.

In her childhood she lived a miserable life . Her father died when she was just 2 years old. Her mother was a maid, who hardly got 70 Rs. Per day . She didn't have her own house also. She lived in a small room, which was in a remote area of that city. Where ever her mother used to go, she also followed. She was attracted by the jewellery, which was worn by the women, where her mother used to work. She loved the designing work. At the age of 10, she made her aim, that she will be the owner of the best jewellery company. In the evening when other children used to play, she used to collect small stones, flowers. At night she used to join them and develop it into beautiful handmade jewellery.

Then slowly she started selling her flower jewellery in the market. In this job, she could hardly get Rs. 10 or 20 per day but she didn't stop. Her mother used to work in other houses and with that money her mother earned her livelihood. Divya collected her own

money for future use. After then she took a job of maid in one jewellery shop . When that jeweler used to design the gold, she observed it and learnt to design jewellery. From the money she collected she opened a small shop of flower and marble jewellery. While doing this job she used to send her jewellery designs to the company. In the starting she did not get any response but slowly companies started selecting her designs.

Soon after she got a job of jewellery designer in Kumaon jewellers company. Her jewellery designs were so attractive that they were wanted by all. She worked for Kumaon jewellers for 8 years and collected her money.

Then she opened her own jewellery shop. In the starting there were losses, but she did not give up . She worked day in and day out , made beautiful designs , one after another and after 6 months her jewellery shop "Divya Jewellers " were at the top . Till then she used to get orders from the city but now she started getting orders from outside jewellery companies. Then her business rose rapidly and today she is the owner of Divya Jewellers and she has her own designing school, where there are more than 3000 students

Her passion and her hard work supported her. She is a big example for today's world that hard work and passion leads to success. In the starting she was just a poor girl with stones and flowers in hand. But today whole jewellery world is in her hands.

Life is a kind of a desert; hard work is like hot sand. We have to travel on it and then we will reach a shore, where there is a bright world.

भारत विविधताओं का देश है। यहाँ अनेक जातियाँ, धर्म, सम्प्रदाय, एवं भाषाएँ हैं। आजादी के बाद जो संविधान बना उसमें भी इस विविधता को संजोकर रखने की बात की गई। इसके अलावा संविधान में समानता, धर्मनिरपेक्षता, समाजवाद पर भी काफी जोर दिया गया है। पर इतना होने के बावजूद भी ये मूल्य सही अर्थों में लागू नहीं हो पाए हैं। कारण देश में आर्थिक रूप से कमजोर गरीबों की संख्या काफी अधिक है। इन्हें हमेशा रोटी के लिए संघर्ष करना पड़ता है। दर-दर की ठोकरें खानी पड़ती है, पर इन गरीबों ने देश को कभी बेगाना नहीं समझा। देश की प्रगति के लिए हमेशा प्रयास किया। जबकि दूसरी तरफ देश का अधिकांश धनाढ्य वर्ग देश के प्रति पूर्वाग्रहों से भरा हुआ। वह देश को अपना देश नहीं मानता। उसे संविधान गलत लगता है। गाँधी गलत लगते हैं। ऐसे व्यक्तियों को डॉ. ए.पी.जे. अब्दुल कलाम जैसे व्यक्ति से सीख लेने की जरूरत है। डॉ. ए.पी.जे. अब्दुल कलाम बेहद ही गरीबी में पैदा हुए थे। उन्होंने जीवन में काफी संघर्ष किया, और उस ऊँचाई तक पहुँचे, जहाँ धनाढ्यों के बच्चे भी नहीं पहुँच पाए। कहने का मतलब यह है कि उपलब्धियाँ हासिल करने के लिए पैसा नहीं बल्कि जज्बा महत्वपूर्ण होता है। जिनके अन्दर संघर्ष करने की क्षमता मौजूद रहती है वे अवश्य सफल होते हैं। इसके अलावा एम.एस. धोनी, जे.आर.डी. टाटा आदि ने विपरीत परिस्थितियों में भी अपना नाम ऊँचा किया, जिससे देश ने गौरव प्राप्त किया।

वृत्तान्त लेखन

सुप्रभात ! आज मैं ईशा अग्रवाल कक्षा नवम् की छात्रा, आपके समक्ष एक वृत्तान्त बताना चाहती हूँ जिसका विषय है- "मेरी दुनिया के सबसे रोमांचक पल"

सैर कर दुनिया की गाफिल , जिंदगानी फिर कहों।

जिंदगानी गर रही तो, नौजवानी फिर कहों।।

इस बार की छुट्टियाँ! आहा ! क्या मजेदार थी , अगर किसी की ऐसी छुट्टियाँ बीती हों तो बताना जरा। इतना घूमी हूँ कि बस क्या कहने ? पर इस गृहकार्य ने तो नाक में मानों दम ही कर दिया था, कुछ करने की सोचो , तो दिमाग में गणित के फॉर्मूले इधर से उधर , उधर से इधर घूम रहे थे। कुछ करने बैठो तो यही याद आता कि, अरे! अभी तो विज्ञान , इतिहास आदि का भी कार्य बचा है। कैसे होगा ? मैं फिर यही प्रार्थना करती हूँ कि , हे भगवान! अपना कोई फरिश्ता भेज दे या रातों रात मेरा कार्य अपने आप हो जाए। पर भगवान ने मेरी एक न सुनी और रातों बैठकर मुझे

ही अपना काम खुद करना पड़ा। चलिए, कोई बात नहीं थोड़ी मस्ती और आराम के लिए सुविधाओं को खोना पड़ता है। यह तो था मेरा बुरा समय , फिर आया मजेदार समय।

जब मैं नानी के घर गई, सोचा था कि मजे कहेंगी , पर हाए ! मेरी फूटी किस्मत, मजे तो छोड़िए, मजे का "म" भी मुझे नसीब नहीं हुआ, वहाँ भी अपना गृहकार्य ही करती रहती थी। फिर एक दिन था रोमांचक जब मेरे मामा जी मुझे रज़ा लाईब्रेरी घुमाने ले गए। वहाँ पर जाते ही मेरा मुँह खुला का खुला रह गया। इतनी सारी तलवारें , प्राचीन हथियार, इतनी सुंदर आकृति थी बस मन को मोहने वाली , वहाँ पर मंत्रमुग्ध ही हो गई थी मैं। फिर हम गए श्री मेहदीपुर बालाजी । आप मानेंगे नहीं वहाँ जाते ही मुझे सकारात्मक तरंगें महसूस होने लगीं। जहाँ हम ठहरे थे वहाँ से मन्दिर साफ नज़र आता था। दर्शन के लिए श्रद्धापूर्ण लोगों की एक किलोमीटर तक की लाईन नज़र आ रही थी। वह दृश्य तो मैं अपनी जिंदगी में कभी नहीं भूल सकती। सब लोग वहाँ इतने भाव - विभोर होकर भजन और राम - राम के नारे लगा रहे थे। सच बताऊँ तो मेरा मन हो रहा था कि बस मैं बाहर जाकर नारे लगाऊँ, पर फिर भगवान श्रीराम जी की आरती समय हो गया। आपको पता है कि जब बालाजी की आरती होती है तो सभी पंडितों के द्वारा श्रीबालाजी के चरणों में जल बरसाया जाता है। आप मानोगे नहीं वहाँ एक बार में ५०० लोग खड़े रह सकते हैं , जिसके कारण वहाँ धक्का मुक्की के कारण यदि कोई गिर गया तो वह बचेगा कि नहीं , इसका अनुमान नहीं लगाया जा सकता, पर असली आनन्द उसी माहौल में आता है। फिर हम सब ने एक ढाबे पर खाना खाया और अपने कमरों में सोने चले गए और सुबह होते ही हम क्या देखते हैं कि वहाँ शोर हो रहा है और लोग आपस में लड़ रहे हैं। फिर हमने लाईन में लग कर श्रीबालाजी दरबार के दर्शन किए। अंत में, मैं यह बोलते हुए अपने शब्दों को विराम दूँगी-

अरे बरखुरदार, किताबों को क्यों रटता रहता है ?

जरा, जिंदगी को पलटके तो देख,

प्रकृति तुझे सिखाने को तरसती है।

छुट्टियाँ हो तो ऐसी , बाह मज़ा आ गया।

WHY WE GREW UP?

"Childhood is the age span ranging from birth to adolescence. According to Piaget's theory of cognitive development childhood consists of 2 stages-preoperational stage and concrete operational stage." - Wikipedia

Isn't it looking too confusing, such an amazingly joyful stage of life being described in such a confusing manner. Childhood is a stage where a person's every mistake is given a name of childishness. You have ample time for your interests and take no worries or are least bothered about the future. We never contemplate and never manipulate things.

But when we are in this wonderful & lovely stage of our life, unfortunately we don't realize its importance. As it is said, "You realize importance of a thing only when you don't have it

or have lost it." After growing up we regret our time for our interests starts getting reduced. While in childhood we want to grow up. "LOVE", we do it unconditionally and have no axe to grind

If we see children playing games of their age, we would laugh;(stone ,paper, scissors). These games look silly but trust me , these games give immense pleasure to the children and childhood is spent seeking this bliss.

After growing up we reminisce the time we had spent innocently, giggling, for giving the pranks of our peer, the spanking by the elders .We grow up to be engrossed in the priorities that we face the challenges that wait.

So friends lets enjoy our bit of a childhood left in ourselves as after four five years who knows we would also be regretting that

Why we grew up?

Majestic Green Rivers

The mightiest valuable of the earth
Which resides in it since took birth
It seethed to keep us alive
Even if it costs her life
We are now the vampire
Sucking every pint of earths green blood
But earth ought to keep her promise
Even if its precious life,
The green blood slowly dives
Slowly dives into the water so deep
That it is nearly impossible
For it to stand on its feet
As we progress
Destroying and harming her
She the earth cannot sleep
Due to our own load
Its life is the river
The river of survival, the river of growth
The green colour is the only hope
Go kill green river and be the beast
Kill yourself till you can't breathe
But some time is left, just hurry-up
You and I can save the world,
Let's gear-up
There is still time left to protect the green river
So she can be relieved soon
And forgive us as quick as possible
For our holy sin
And bless us with a boon

नई पीढ़ी के छात्र

दो पेजों की कॉपी लेकर स्कूल पढ़ने जाते हैं,
मार्ग में यदि मिले यार तो, सिनेमाघर को मुड़ जाते हैं।
नीचे लटकी जींस देखो, चश्मा कॉलर के पीछे लगा होगा,
प्रिंटेड शर्ट रंगीला और रूमाल रेशमी ही होगा,
रोज डांट-फटकार हैं सुनते, पर सुधरना नहीं चाहते,
माता-पिता का पैसा है फूँकते, शौक नए फरमाते हैं।
अगर अटेंडेंस कम हुई तो, वापस दौड़ आते हैं।
पढ़ना-लिखना कभी होगा नहीं, फिर भी पास होने की आस लगाते हैं,
परीक्षाफल के आते ही, रोने लग जाते हैं,
माता-पिता की किसे पड़ी है, चेहरा फिर से चमकाते हैं,
ठोकर लगी नहीं सुधरे हुल्लड़ में समय बिताते हैं,
यह नई पीढ़ी के युवा हैं, जो स्टूडेंट कहलाते हैं।

TIME

Time, Time, Time
It will never decline.
It is the one which will never come back,
If we utilize it properly it keeps us on track.
Time is very precious,
Sometime comes sorrow,
Sometime comes happiness.
Second by second time is going,
What is going to happen
No one is knowing.
Mood of time keeps on changing,
Some moments are very sad
And some very experiencing.
Your life span is the only time which you are having,
So utilize it properly and
Live with good feelings.

A Mentor Profound

I am very happy that you are my teacher
I enjoy each lesson you teach
As my role model you inspire me
To dream and to work and read
With your kindness you get my attention of
Curiosity and motivation
Everyday you are planting seeds
To know, to grow and to succeed
You help me fulfill my potential
I'm thankful for all that you've done
I admire you each day and I just want to say
As a teacher you are number one
You help me in mathematics
Always there at your door with a friendly
greeting
A bond like no other
But daughter to father
You are the best
My ninth grade teacher
You are ideal for me, that's why Badal Sir,
You are my Best teacher in BLM Academy.

A Right Choice

In selecting my friends, I made a right choice,
All of them are nice and make my every moment rejoice.

All of us are bound with a bond of trust,
Deeper than seas and oceans and broader than sky and earth's crust.

They can't be doubted about their loyalties,
In words I cannot enumerate their qualities.

For help round the clock help, they are always ready,
Do each work with enthusiasm and are always steady.

They entertain me and make me laugh whenever I cry,
You can't get such friends even if you try.

Good friends are really very hard to find,
But I am happy and feel blessed that I have mine

A Bond Of Friendship

A loving bond a caring bond
Whenever needed my friends are there to respond
With them I can share everything without hesitation
This gives me the feeling of complete satisfaction
Best friends are united together
Whether it is good or bad weather
They are the ones who can make you laugh
Do anything if needed on your behalf
We fight, we laugh, we play together
Come what may we won't be scattered
The loving bond which is so strong
That it can even beat the storm
Friendship is a bond which ties many
Encompasses happiness, love and caring

MYSELF

My name is Chandra shekhar,
I am calm bold and sincere.
I am studying in class nine,
And enjoying life at the same time.

I like to study all the subjects,
But only exception is maths.
Sports is my love and passion,
And I dream to serve my nation.

My aim is to be an Army officer,
To save my country from outsiders.
I am very possessive about my family,
And want to make them feel proud of me.

एक स्वप्न

एक स्वप्न जो हुआ साकार,
ईश्वर का कैसा चमत्कार,
न जाने क्या था मेरी सफलता का रहस्य,
बन गया मैं भारतीय क्रिकेट टीम का सदस्य।
देखने को मिले मुझे शिखर और सुरेश रैना,
जो हैं भारतीय टीम का गहना,
मैदान में उतरते ही हुआ मैं हैरान,
एक तरफ हम और दूसरी ओर पाकिस्तान।
900 रन पर गिर गए थे चार विकेट,
पाकिस्तान का क्षेत्र-रक्षण था अडिग।
क्योंकि 5वाँ था मेरा स्थान,
मौका था मेरे लिए महान।
तीन गेंदों में हमें चाहिए थे तीन चौके,
घबरा रहा था मन मेरा, फिर भी इरादे थे पक्के,
तो गुस्से में आकर मार दिए दो छक्के,
रह गए सारे खिलाड़ी हक्के - बक्के ॥

स्कूल का कर्तव्य

सुबह-सुबह देखो मम्मी की डरावनी आँखें,
मुझ से हमेशा कहती है एक सी बातें,
क्या ? नहीं है जाना तुम्हें टाईम पर स्कूल
ये सुनते ही नज़र घड़ी पर पड़ती है
और हमें बस की जैसी सुई लटकती दिखती है।
विस्तर से उठते ही करते हैं सारी तैयारी
जिससे लेट न हो गाड़ी हमारी।

स्कूल पहुँचने पर होती है,
हमारी एसेम्बली प्यारी
जिसमें गाते हैं बच्चे कविता बहुत सारी।
एसेम्बली खत्म होने पर होती है पढ़ाई शुरू,
और होना पड़ता है सारे सब्जेक्ट्स से रुबरु।
आठ पीरियड खत्म होने पर आता है स्पोर्ट्स पीरियड,
दिल को मिलता है कुछ सूकून।
और लगता है हो गई पढ़ाई खत्म!
पर घर में जाकर होमवर्क फिर पढ़ाई की याद दिलाता है,
और हमें याद आता है कि कल भी हमें स्कूल जाना है।

बचपन का अहसास

वो भी क्या अहसास था
जब मैं छोटा बच्चा था
वो मुझे अपने चेहरे की कितनी याद है
जब मैं हरदम हँसता रहता था
पढ़ाई-लिखाई से परे
जब मैं इशारों में बहुत कुछ कह जाता
मेरे माता-पिता को मुझ पर गर्व हो जाता
अपनी उस हल्की सी मुस्कान से
मैं सबका मन बहलाया करता था
क्या अहसास था वो
जब मैं खुद की परवाह नहीं करता था
मगर हर कोई मेरा दीवाना हुआ करता था
मैं थोड़ा सा चेहरा बनाता नहीं था कि
हर कोई अपनी गोद में उठा लिया करता था
कितना निराला था वो मेरा भोलापन
जब मैं चीजों के भावों से अनजान
सिर्फ एक टॉफी से खुश हो जाया करता था
क्या अहसास था वो,
जब मैं हर एक छोड़ी से बड़ी चीज को
अपना खिलौना बना लिया करता था।
क्या अनोखापन लगता था जब
मेरी गलतियों पर मेरे गालों को प्यार से खींचा जाता है।

दोस्ती

दोस्ती है ऐसा भाव,
जिसमें मिट जाए सारे घाव
दोस्ती में हो ऐसा प्यार,
जिस पर मिटे सारा संसार।।
दोस्ती है एक मंत्र
जिसका कभी ना हो अंत,
दोस्ती में हो ऐसा रंग
जो भर दे दिल में उमंग।।
दोस्ती में हो ऐसी भक्ति,
जिससे मिल जाए हमें शक्ति
दोस्ती है ऐसा दर्पण,
जिसमें झलकता है केवल समर्पण।।

I started Respecting ~~Businessman~~ ENTREPRENEURS

On the 20th death anniversary of my beloved sister, all my bureacrat family was gathered. As per family ritual small care of health and hygiene was taken so that no one in the entire clan catches any infection. I still remember my childhood, where we were never allowed to play outside our sterilized house. But baby was different. She used to play with 'chotu a servant's kid.' Her death - a tragedy also occurred due to dirt, as they say. That fateful day, she went to chawl with Chotu and succumbed to the pollution's wrath there. She caught an infection, as I believe it was because of her weak immune system, it was fatal.

I was lost in my thoughts when he came- the Chandra B "plastic entrepreneur of the country". The only businessman who dealt in garbage. He owned hundreds of factories all over the country.

What was a business man doing at my place on this day? To my surprise, he addressed me as Tintin bhaia..How come he knew my pet name? Who is he? I tried to calm inner turmoil by recalling each and every person in my old days. But none named Chandra came to my mind..

With no other option left, I asked him about the reason for coming to my business-non appreciator family's function.

' I m Chhotu, bhaiya' he said. His face was pale, voice trembling and body showing his lack of confidence to introduce himself. 'Chhotu....aah you', I said checking my emotional flood. ' I remember you... long time man' ... I blurted a few words.

He fell down on his knees, trembling like anything. Without a single word, without any expression. I lifted him and took him to the study room, which was the only quiet and abandoned room in the entire house.

"I m sorry..sorry..sorr..". he kept mumbling on the way. I shut the door, so that Singhs -my clan couldn't hear us. "sorr...sorry.." I could hear him but I myself felt sorry for it wasn't his fault, it was us... over conscious family who killed her. Just to change the topic, I requested him to tell me his story-the story of "Chandra B- Plasticman" . Hesitatingly, he declined, instead he kept apolozing. Irritated by then I shouted at him to tell his story in a rude manner.

That day I decided..I'll end the dirt in our country... his voice was firm. I studied in the day and worked at night as a rag picker in my chawl.

His usual fluent English turned into stumbling words but due to fear he started,
That day when dad..told me...that baby... babbby...was no more.. my world fell apart..but he wouldn't let me see her.. upset I asked about the reason... he told me..the chawl killed her... I killed her.... Oh..I killed her!! He stopped for wiping the tears flowing unrestrictedly out of his swollen eyes. I nodded " no you didn't. It was nothing but a medical fault. You continue with your story.
Days of hard work and nights of passion.. I missed baby.. every moment..... I did my diploma in waste management and planned to set up my garbage treatment plant... he stopped , his voice a bit mature now..
I sipped the coffee and nodded in interest.. "What about money?"
With a smile he continued, I took a loan of 10 lakh too big for me..but for baby, I took the risk and promised the mafia my kidney in case I couldn't return the money
But you did.... I exclaimed in joy. Yes I did but it wasn't over I had to sell the plant once to ensure that my ragpickers get their salaries on time. But since then there was no looking back..maybe it was because of their blessings. The rest is history.
He finished his story leaving me in a dilemma about what he used to think and should think about businesses man. He stood up to take leave handing me the white bouquet he brought.. chotu I said, what's with the B in ur titles?
He winked you better know.
And he left, leaving me the bureaucrat son to respect them..The entrepreneur race///they love..they care..they take risk to fulfil their goals.
Those are the entrepreneurs I wondered and a new me stepped out of study room that day

Try Flogging A Dead Horse

Ever felt useless ? If yes , there is nothing to be ashamed off .
The thing that matters is - What did you choose to do ? Plan to sit idle or took an impossible looking task . If the first one then bravo, you are amazingly ordinary. Look, we live in a world of crowd where we find thousands of scholars but only a few happy faces. When you try to do something real hard , you achieve !! not only the target but the joy !! You did something. Still , if you are trying to grow a plant in desert , you ought to know it needs water , manure and care . As they say , even impossible says I am possible , for this you need to know how to read . Even if the crowd pokes you , tell them to wait . Not that - take anything , take that something which has a spark in it , that fascinates you - something you find hope in .

It may be small or big ! but the task , it has to be there . " I don't care " attitude is good . Until you find your horse , be in lazy mode and save energy for it ... But once you find your dead horse , try every magical portion to make it alive .

Dear scholars , no offence , I forgot to mention , only the hardworking , ones are happy .

Begin to weave God will give the Thread

It is a story of a poor boy named Raju. A very poor, unhappy child who had little to eat, one can say nothing to eat. He was a thief minded child. He had his mother and 2 sisters and his younger brother. In the whole family Raju's mother was the only one to earn in the whole family. Raju's father died due to the habit of drinking alcohol. Raju used to steal things from the shop and sold those stolen things in other shops. But Raju had a dream of becoming one of the greatest entrepreneur of the country. He used to save all the money which he used to get by selling the stolen things in his small piggy bank made up of grass. One day he stole a toy car from a gift shop to make money, but the shopkeeper did not even try to catch him nor he shouted on him. He simply said, go, go, go. Raju felt embarrassing and became very curious to know why the shopkeeper said, go, go, go. Raju could't control his curiosity, so he went again to the shopkeeper to ask why he said go, go, go. The shopkeeper said that my intension was to check whether you are really a thief or you are acting of becoming a thief. The boy asked that what did you conclude from my behavior. The shopkeeper said, "You are not a thief". If you were a thief you would have never come here again to ask me the meaning of my words. The boy felt guilty. He promised to the shopkeeper that he will never steal things. The money which he got by stealing, was donated by him although it was very less. From that day he became a changed Raju.

He used to get up early in the morning and used to sell newspaper to the nearby people. After selling he used to go to his school, did a lot of hardwork in the school and used to study with complete dedication. When he returned from his school, he used to again work hard. The place where he lived was a good tourist place. Raju used to take charge from the people and helped them in seeing the entire place. He also used to polish shoes of the people to earn money. When he used to reach his home, he felt very tired but was determined to his target, to become the country's most famous entrepreneur. At night he used to do his school work. One day he came to know about a scholarship exam which charged Rs. 3000 for its entrance. He had only Rs. 2500 which he collected by polishing shoes, selling newspaper etc. So he went back to the shopkeeper because of which Raju was a changed boy and asked him to give Rs. 500 for scholarship exam. The shopkeeper gave him Rs. 500.

Raju went to give scholarship exam. When it was the day of declaration of result, Raju was very tensed but by the grace of God he qualified the exam and got selected to be a student of Oxford University. He did a lot of hardwork there also. He came back to India. He was now a successful man. He opened a steel industry in Haldwani which he named after his parents. It was a great success to Raju and he opened lot more industries in India and abroad. Raju, who hadn't even to eat enough, now has godowns full of grains. This was a result of Raju's hard work and his dedication towards his work. As there is a saying "As you begin to live according to your own guidance and your own daring, everything changes completely". This thing was followed by Raju. And everyone across the country now knows Raju as India's greatest entrepreneur and not as poor Raju.

Secret of Success is constancy to Purpose

This story is about a person who is worth a million but his past was not so comfortable .VivekTripathi born to a family which lived in slums and did not have any education . His father was a drug addict and used to harass his family everyday. Vivek , when was very young decided in his mind that this wasn't what he wanted to be. Being the eldest child in the family he had to do a lot of hardwork in order to have a dinner before going to bed . He used to work in a nearby Dhaba . " When I saw pile of dirty plates and cups I used to wash , I used to cry while seeing my condition" he recalls .Being the only bread earner for his family , he had a very big load of responsibilities on his shoulders . When he was 15, his father died and the entire responsibility of the family came over his shoulders . He , then left his job and worked with a tea seller. His day used to start when other people would be thinking about retiring to bed. He used to get up at 10 p.m. and bathed and then went to his workplace. There, he took up trays of tea and go into each newspaper office and distribute tea. He used to get engaged till 5 in the morning and retired to bed . "I didn't play with any body, sometimes woke up early and watched cinemas evening show and then used to go to work " . He recalls "the only point that today I can go to a five star hotel and can have lunch there is my hard work and patience " . One day , as usual he was going to work , suddenly he heard three or four people talking about business in the park . He immediately went there and hid in the bushes. He carefully heard what they told each other. One man told the others " If any person has good fortune , he can be a millionaire just by this dead rat , lying in the road " . He heard it and after the men had left , he picked up the dead rat and started going to the tea shop . A rich couple was passing by . They had a cat in their arms .Vivek moved besides them while waving the rat . The cat meowed rapidly on seeing the rat . The couple noticed it and asked him , at what price would he sell the rat . Vivektold , he would take Rs. 50 from them . The couple agreed and gave him the money . The next evening , he went to his employer and asked him for his wages. The employer gave him Rs. 200 and he left for home. On the way , he bought an earthen pot and kept it in his home. The next day , he filled the pot with cold water and left for the fields where the women used to come for cutting grass . When they were tired ,Vivek used to make them drink cold water. But , he wouldn't even charge them a penny .

One day , he heard that a fleet of horses would be passing through his village . He continued the free service of serving cold water .Till the day arrived when the fleet was coming. He went to the women and bought there grass that they had cut . He then took the grass to the owner of horses and sold the grass at a very high rate. Thus , he was able to make a lot of money which he used to start a business. He purchased many horses at high rates . Today , he is the owner of a group of 'Tabelas' which are full of horses , camels, dogs and even cats of all varieties , colours And breeds. He is now a very successful man and often his articles come in the newspaper regarding his rags to riches story.

He is also having many schools and colleges and hospitals for the welfare of poor people and mankind . He went to the same businessman whom he heard in the park to thank him and the business man made his daughter marry to Vivek. He is now living in Newyork and has travelled to many countries and given many speeches in many reputed schools and colleges of the world.

MY BLM

A few words of praise
 That brew in my heart,
 Come forth instinctively
 About the school, I'm a part
 In its core are enshrined
 Ideals of; Vivekananda and Gandhi ji
 The essence is fortified
 With Kalam's insight
 It has emerged as a school
 That is splendid and incomparable
 It's not only information pool
 But imparts, education that's admirable
 Here juvenile buds are nurtured
 With love and utmost care
 Their minds enlightened with knowledge
 Ensuring their actions are fair
 I wish firmly and whole heartedly,
 Never stops, chariot of BLM's conquest
 It keeps on moving graciously
 To celebrate many triumphs and quests

TRUE CONFESSION

My parents love me but I don't think I do deserve it. My mother always insists on me to study inspite of my regular studying. That's all because she is thoughtful about my better future .She never lets me bear up the scarcity of anything. Even out of limited stock she keeps my share reserved and lovingly offers me without asking for that. When I say," Mamma it's tasty', the satisfaction brightened up on her face listening to it, can not be described in words. When I play she hides herself and watches me with more than two eyes just to be assured that I may not get injured anyway. Unfortunately, if I get hurt double the pain floats in her worried eyes than I feel in my body. When she finds me a bit indisposed she wakes up through out night to take care of me. A bit of cold and sneeze on my part make her rush to me to inquire if I need any medicine keeping at bay her own arthritis pain. When I say that I love grandma more than she, the jealousy on

her face reflects the intensity of her love for me. She loves me so much but I don't find myself the right person who deserves it .I don't reciprocate her feelings openly. Though I am a bit callous yet at the core of my bosom enshrines her unconditional love her belongingness her hopes .Unknowingly all these are helping me right now to ink my feelings in an autobiographical expression. .

Where there is a Will There is a Way

Will is a power that can move even mountains.

Will is a great force both for good & evil. It's up to us whether we use this great force for good things or for fulfilling our evil desires.

Will can also be called as 'determination'. The determination for achieving our desired goals. But for weak people there is no word like 'will power' only 'ifs' and 'buts'.

Those who want to be great, they have to think great, do great and for doing great there should be will power inside them.

'We can think of many such great examples of will power in great people'.

Mountain climbers face many obstacles in their way but the will for achieving their goal help them to face any odds & obstacles in their way.

Great conquerors like Napoleon and Hitler were all men of great determination whose strong will helped them to achieve everything they wanted.

Will power can be achieved by every one of us through continuous concentration on our goals. If once acquired, it will enable us to have our way in every field, every thing.

So it is very true - "Where there is a Will, there is a Way".

A Stitch In Time Saves Nine

The proverb 'A stitch in time saves nine' is applicable to lots of situations.

The proverb literally means that if one does not immediately sew a hole in a garment eventually hole will take on proportions of big tear in the garment and it might end beyond the state of repair.

So it goes to say that it is better to deal with trouble when it first appears rather than put it off for later when it will be more difficult to deal with.

Despite understanding this proverb time and again we are faced with situations in our life where a little attention in the begging could have meant the saving of lot of time in the end. Almost all of us at same point in our lives have misplaced our keys. If we had kept them in the right place we would have spared ourselves the time we took looking for them later.

Timely prevention is better than cure. When one ties one's shoe laces, one should make sure that they are secure. It takes just a fraction of second to do this but most of us won't be bothered to do this.

A stitch in time saves nine applies to everybody and this phrase can be applied to almost everything in our lives. Procrastination is the thief of time so we must make sure to make a timely stitch which will prevent us from having to make several later.

Confessions Ease Our Life

Facts aren't stated they are proved. Same applies to the three magical words "I Love U". When was the last you told your mom or your dad or sibling. You have to tell them that you love them. Just by merely saying I love you, you make them happy. But in the beginning they are to be proved.

A tight hug, a morning kiss or wish, show them you care. It's easy to say, I'm not that kind of person. I'm this - that, ever realized they love you the reason is just you. They know your truth from the very beginning. They just run away from it because TRUTH ARE HARD, REAL HARD TO ACCEPT. They go against everything to mend the fences you don't have to pretend. You are born to make relations and KEEP THEM ALIVE. You have to accept the responsibility. Tell your dad, he is your and you care.

"Stay blessed and keep expressing your love".

MIRROR SPEAKS

As you know I am a mirror. I am so tempting that you can't resist yourself peeping into me not only once but rapidly whenever you find me available on the window pane , doors , mobile screen and over other places many and more.

As I am known for the purity on my part . I am never biased . I only show what you are and how you look ! I know you come to me to improve your image . But my dear , there is already inside you a great mirror which reflects your inner being , your love , the malice of your heart without any restriction . So for a smarter and prettier look , to the inner beauty you have to be hooked . If you think about other's welfare and do good to them , you look always

handsome. Your beauty is mirrored in the appreciating eyes of others. So I am not only a reflector , I do make you better , don't I?

KARTIK JAIN XA2

Being Mirror

Today , standing amidst you I feel honoured to have been given the opportunity to express my feelings and share my thoughts with you . I am an important part of you . Without me you cannot see if your dress is neat or not . To check your hair , you bend over me before going out to school campus , shopping or any other work . Some people always complain about me saying , I am not truthful because they don't want to see the person they desire to see in me . I am not cruel , I am always truthful to everyone who comes to see himself in me but you always complain about yourself to me and cry . You are not aware of the difference everyone has , everyone is unique art of God . The beauty is not from outside , but the inner beauty

describes a person's quality . So , you should never cry for your external beauty , but polish and care about your inner beauty , intentions and values . Being mirror I will always be truthful because truth is my destiny .

The people who after seeing themselves in me cry , are the people who don't have the courage to face the truth , therefore they call me cruel and mourn. But this is not the solution. You should proudly herald even if not beautiful but your inner intentions are filled with good qualities and moral values. This is my dream which would be fulfilled by you humans only so think of it .

A VISIT TO VAISHNODEVI SHRINE

I went to Vaishnodevi shrine during the summer holidays with my family . The wayside scenes were so beautiful that words cannot describe. I think you all will experience a thrill in course of reading it. I am not a poet to bring a living sight before your minds .

However you all will enjoy reading it.

We reached Jammu Tavi by train at 9 a.m. From there we took a bus to katra. The road through the hills were zig-zag. The hill sides were covered with deodar trees and flowery creepers. We looked on excitedly. We gaped with wonder at the rich and beautiful nature. At many places falling water was making a musical sound. At Katra , we stayed in a hotel . We passed the night there and began the on-foot journey . We left for the shrine in the early morning , people walked and raised the slogan " Jai Mata Di " . We walked as we talked and talked as we walked. People were talking about mother Vaishno's battles against the demons . She had fought and had freed the region from the demons.

The surrounding hills were attractive and beautiful . Here man has not interfered with nature. So the hills had sacred beauty. Trees were covered with soft green

leaves. The creepers were loaded with flowers. On every turn there was a new sight . We climbed up many mountains and climbed down also many . But we did not feel tired. There were many tea shops where the pilgrims could get eatables both for the adults and children. The wonder of wonders , even the small children did not feel tired. They were equally full of zeal and joy. Nature appeared in her bare beauty . There was no pollution . It appeared as if the mother nature was always ready with open arms to embrace her children.

At last , we reached the temple of Vaishnodevi in the midst of shout of slogans of " Jai Mata Di " . There was a good arrangement for " Darshan " . Thank to God ! there was no backdoor entry. The pilgrims went to the shrine according to the allotted turn. We had "Darshan" quiet comfortably .

At the shrine there was silence and peace , " have darshan and keep moving "the priest said , no body can stay there even for a minute . The return journey was equally attractive. One definitely feels here a place on earth free from chaos , crime and corruption.

The Raghunath temple ,Bhairodev temple and the cave of Ardhuvari were also worth seeing. If possible everyone should visit this beautiful place.

जश्न

इस नए साल के जश्न में
मुझे मस्ती मज़ाक करना है।
पर साथ ही मैं मुझे पढ़ाई पर भी ध्यान देना है।
इस साल के मेरे संकल्प में,
भौतिकी या गणित ही केवल विकल्प नहीं,
बल्कि आगे और मेहनत करनी है।
२०१५ को बाय-बाय करते हुए
२०१६ को हेलो करना है।
पीछे नहीं मुड़ना है,
पुरानी यादों को ज्यादा याद नहीं करना है,
और नई यादों को बनाने की कोशिश करनी है।
हिम्मत से काम करना है और सिर्फ आगे बढ़ने की कोशिश करना है।
भौतिकी और गणित में लगातार अभ्यास मुझे करना है
मुझे मेहनत बहुत करनी है,
मुझे सिर्फ मेहनत ही नहीं करनी है,
बल्कि भारत को स्वच्छ बनाने में
छोटा सा योगदान मुझे भी करना है
कुछ इसी तरह तो इस साल मुझे अनोखा
और अच्छा काम करना है।

MY EXPERIENCE AS A TEACHER

Personality Development Classes were announced for teacher in the morning assembly by Principal ma'am in the last two periods. And seniors were given the responsibility of looking after smaller classes during that time. Girls and boys were paired and allotted classes by Sangeeta mam. I was allotted class V-A with Manish of Commerce section. When we went there the children were shouting and I was really surprised to see what Manish did, he went and sat on a vacant chair as if he was also a student of that class and I had to request him to help me out in controlling the class. But they were not ready to listen to us. Then I thought of entertaining them through games. Some girl wanted to play "Antakshari" but I refused and asked them to play some knowledge game and finally they were ready to play 'Atlas'. The game began, but actually what went on was that only some of them were answering and the back benchers were busy in their own gossips and fight and so I had to stop the game. Then I gave a puzzle and announced a toffee to one who solves it. But what! One of them said,

Didi, first show me the toffee then I'll Try. So I showed him the toffee. Everyone tried and tried but no one could solve it, yes it was a little difficult so I solved it for them. And again the noise began going on higher. The whole class was so naughty that I felt like being punished. There was a great chaos in the class. The teachers who control then are really great. One period got over leaving me a headache and throat pain. In the second period I really felt fed up of them and couldn't entertain them any more so I decided teaching them but they behaved so indifferently in the name of studies that I can't explain. I gave them a question on HCF. It was for the toffee and this time some of them said that they didn't want toffee and they would not solve it. Just one boy was there who solved and solved although just for that toffee but he did it finally and won the toffee. It really made me happy because it was a quite good question and he was able to solve it. Finally the dragging period screeched to a halt with big bang of the school bell. I heaved a sigh of relief. My fingers promptly collected my belongings which I had brought proudly to entice the young minds but were proved of no use. I am sorry to say that they made my day end worse, the headache continued the whole day. The only thing I can conclude is that these people are danger in the mask of cuteness.

(CLASS- XI SCIENCE)

In a paper of ten, I got nine
I was happy, then realized that I was last in the line
But to console myself, looked at the mirror
And created a thought that I am a blessed child.
Parents said oh! worthy son don't put your life in vain.
Wake up because life is turning in a fast lane
Study hard, make efforts then only you will gain,
But I say, please don't give and take such pain
I will work on my own way and will be known world because I am a blessed child.
What if I don't get full marks?
What if I am sometimes not able to complete the entire given task?
But still the wings of my imagination made thousand s mesmerized
Don't you still think I am a blessed child?
Oh! Why do you think we are clowns and life is a circus?
Just try to think once that god has send us with some purpose.
Forget all the worries whether huge or mild
Think yourself powerful and a blessed child.

PRAYER FOR GOD

Since my childhood, my mother taught me to pray before sleep, pray before having food, pray before studying, pray after getting up in the morning. So, I was brought up in such a manner that prayers are an essential part of my life. No work is complete or fully done till I pray to God and thank to Him for all that he gives to me. Also there are prayers on birthday or marriage, so that the person may lead a happy life.

Above all, I prayed for the people who suffered in Uttarakhand deluge and died in the natural calamity. I am taught to pray for the peace all over the world and peace in every mind. But, I was shocked to learn the massacre of innocent students by their own community shooting down their own teacher by Taliban themselves in the name of God.

Seeing all those confusing things, I wondered if it was now difficult for God himself to decide. So, I added one more prayer for God. But, I don't know whom should I address this prayer to?

EXTRAORDINARY.....

What does this word refer to? What do you all think, is being extraordinary means doing something in a special manner, sorry but I don't think so.. my intellect introduces it in a new way.

It so happened one day when I was alone at home , suddenly a thought came to my mind that what must be the reason behind naming someone as extraordinary and ultimately found my answer in this word itself.

Let me explain this in my own words. according to me before doing anything extraordinary one must understand about ordinary things, habits etc. being extraordinary is not important but being ordinary is important before you have the courage to say "I am Extraordinary" one must have the courage to say that "I am ordinary" because this is what that could make you do things amazingly. Today everyone is behind advancement and idealizes one who had great sense, but nobody thought that sensible person is not always right and all right things are not said by intellectuals. This is the time to get up and think why someone named this word, did he or she want to make out of your mind or

STRETCH YOUR HAND FOR OTHERS

We all live in a country having one of the oldest and richest cultural heritage. Our nation has a very distinct identity of it in front of the world and some of the much importance reasons are, oh! I am not talking crime and corruption, no! I am talking about Indian hospitality and the innumerable moral values which pump us to stretch our hand towards others for help. A very famous phrase of Indians "Atithi Devo Bhavo!" meaning guests are equivalent that to god for us. These kinds of phrases represent how respectful are we towards others. Moreover Indian people generally having a good heart

and are always ready to help others, but now a days these moral values are degrading and we are losing the ethics which promote us to help others. We must always remember "what we sow is what we reap". If you get a chance to help a person in need, help him because we may be facing the same situation in our life. Studies have proved the fact, that a person who often help others has high self-esteem, a better health and also greater life expectancy. So, remember when you help somebody it's not only he who benefits but you too. Therefore stretch your hands for others whenever you get a chance.

Giver as well as receiver both are benefitted if one dares to reach out into the darkness, to pull another's hand into the light. Receive that you may give must be the guiding line. How far that little candle throws its beam, so shines a good deed in this weary world. If we could all hear one another's prayers, God might be relieved of some of his burdens.

Can there be any greater bliss?

Bhargav Bisht XI A2

really want you to think , to think upon the abnormalities around you all. So go and search for "real you " before doing things differently, go and see things in an ordinary manner so that you with your real intellect work to the core and be a core observer and say to this world " I am with vision".

The god almighty has given all of us a great sense a ' Real sense' which can live and see this great nature , quite , calm, amazing and the source of divine aura inside.

We are here to live this aura , not to destroy it. When we all get to know the 'real sense' of being and doing things in somewhat calm ordinary way, we can find answer to each and every question creeping inside us. We can gather internal power , can enhance one's inner beauty and live with universal peace.

The very moment , when all of us living in this beautiful creation of god almighty, started seeing this nature , with vision of achievements , we all are able to unite this world in peace of brotherhood and thus achieving the universal vision.

Is India a rich country or a poor country?

Submitted by: BLM ACADEMY

My Stand: INDIA IS A RICH COUNTRY

Poor country? Is India a poor country? If on the basis of GDP, a country which is at the 9th place is said to be poor, then definitely it is a topic of debate and thus I _____ of class _____ present my candidature in against the motion.

I completely disagree with the statement that India is a poor country. How a country with world largest population (356 million 10-24 yr old) can be called poor country? They are not just youth by age, but by their aspect of thinking, taheir education, their confidence, their desire.

A well said statement is there which I want to bring to your notice my dear opponents that "the power of a country lies in the hands of the youth".

Dear friends, if you go through the rest of the countries on the basis of GDP, IMF, UN. World fact book and World Bank have placed India at 9/10th place. Even Russia, Canada, Australia, South Korea are below India in the list, so if these countries are rich how can India be called poor?

My dear opponents keeping GDP aside, a country can be poor if it is poor in resources, technology, man power, agricultural development and power for utilization. Now keep these points in mind let me take

You to the journey of India:-

India is first in mica, 3rd in iron, 5th in bauxite production. It is also one of the principal producers of coal in the world. On the contrary, India is never dependent on other countries for agricultural goods. In fact, India provides food for many countries of the world. Such countries in African and Asian continent are not getting drop a of drinking water, talking about 23 countries and more such as Congo, Zambia, Somalia.

As far we consider about medical superiority in India, people from various countries come to India for their Medical treatment. The Indian Medical facilities are affordable for everyone. This Medical superiority not only in single field but in ayurveda is quite alternative medical treatment used by many countries of the world.

Friends, do you remember green, white, blue and yellow revolution? Revolution in IT sector..... Do you remember those days we used to launch satellites from other countries like Russia but now we launch it from our country. Have you forgotten 'pokhra nuclear test'?

Friends, our automobile industry has become 3rd largest in the world. Also Indian software industry has grown more than 100 times in 20 years. In addition rural and urban development missions have created large scale infrastructure such as national highways, world class airports in metro cities.

And still, some of my friends dare to call India a poor country.

We all are well aware of highly rich Indian culture, which includes intellectual and social aspects of any human being. It also takes account of the aesthetic instinct as well as the spiritual impulses of human being.

I know that still you all are not agree with me that India is not a poor country so once keith Bellows said "There are some parts of the world that once visited, get into your heart and won't go. For me India is such a place when I first visited, I was stunned by the richness of the land, by it's lush beauty and exotic architecture, by its ability to overload the senses with the pure, concentrated intensity of colors, smells, tastes and sounds. It was as if all my life I had been seeing the world in black and when brought face to face with India, experienced everything rendered in brilliant Technicolor.

Keeping all these points in mind and think. Then just like me even you will say: NO, INDIA IS NOT A POOR COUNTRY!

THANK YOU

Amit Joshi

किशोरावस्था में बच्चों द्वारा अपराध माता-पिता द्वारा अपने दायित्व के प्रति लापरवाही का परिणाम हैं।

“पक्ष”

शिशु मात्र कच्ची मिट्टी के सामान हैं और माता - पिता हैं कुम्भकार। जन्म से लेकर किशोरावस्था तक का सफर एक व्यक्ति के लिए सबसे महत्वपूर्ण होता है। इस दौरान उसका शारीरिक, मानसिक व चारित्रिक विकास होता है और इसका पूर्ण नियंत्रण होता है माता- पिता के हाथ में। बाल्यकाल में माँ के दुलार और पिता के संरक्षण में रहते हुए बच्चा जो कुछ भी सीखता है वह उसके जीवन की स्थायी पूँजी होती है।

हैडो कमेटी के अनुसार, ग्यारह या बारह वर्ष की आयु में बालक की नसों में ज्वार शुरू हो जाता है। यदि इस ज्वार को बढ़ वृद्धि के समय ही उपयोग कर लिया जाए एवं इसकी शक्ति एवं धारा के साथ- साथ नई यात्रा प्रारम्भ की जाए तो हमारा विचार है कि यह सौभाग्य की ओर ही नव किशोर को ले जायेगी।

कहने का तात्पर्य यह है कि १२ -१३ की आयु के बच्चे का कुछ ऐसा शारीरिक और मानसिक विकास होता है जिसकी उसने अभी कल्पना तक नहीं की होती। इस उम्र में आकर वह एक अजीब सी दुनिया में खोने लगता है। उसकी समझ में नहीं आता कि कहाँ, क्या हो रहा है। अगर इस समय एक अभिभावक के तौर पर माता-पिता बच्चे से दूर रहते हैं तो बच्चे के भटककर अपराध की तरफ जाने का भय बन जाता है। ईनर और पोंक के अनुसार यदि माता - पिता बच्चे का सही ध्यान नहीं रखेंगे तो बच्चा निम्न लिखित अपराध की तरफ अग्रसर हो सकता है -

१. असाध्यिता उदाहरणार्थ : देर रात तक बाहर रहना।

२. स्कूल से भागना।

३. चोरी।

४. सम्पत्ति की क्षति।

५. हिंसा एवं यौन अपराध।

परिवार बच्चों की प्रथम पाठशाला है। यदि यहाँ माता- पिता अपने फर्ज को सही तरीके से अंजाम नहीं देंगे तो बच्चे अपराध की तरफ रुख कर सकते हैं। दूसरी सबसे बड़ी बात जो परिवार भौतिक और मानसिक रूप से बिखरे होते हैं, वहाँ पलने वाले बच्चे भी अन्दर से टूटे हुए ही होते हैं।

इसी विषय में सन् १९४७ में अमेरिका के एफ.बी.आई. के डायरेक्टर जे एडगर होवर ने कहा था -मैं यह मानता हूँ कि बच्चों द्वारा बढ़ते अपराध माता-पिता की लापरवाही, अपने आप में व्यस्त रहने, बच्चों को समय कम देने व उन पर रुचि कम लेने के कारण ही हो रहे हैं।

वर्तमान प्रधानमंत्री श्री नरेन्द्र मोदी जी ने अपने एक जन संबोधन में स्वयं इस तथ्य को प्रकट किया है कि जन्म से लेकर किशोरावस्था तक जिस बच्चे को माता- पिता का उचित मार्गदर्शन मिलता है वह भावी जीवन में सफल एवं सुसंस्कृत व्यक्ति बनता है तथा अपने परिवार के लिए ही नहीं वरन् पूरे देश के लिए फल दायक सिद्ध होता है। इसके विपरीत जिस बालक को सही परवरिश नहीं मिलती वह समाज व देश के लिए संकट बन जाता है। निरीक्षण एवं मार्गदर्शन के अभाव में किशोर या तो भय, अकेलेपन, अवसाद आदि मानसिक विकारों का शिकार हो जाता है या फिर अपराध के भव सागर में पदार्पण कर बैठता है और स्वयं किसी बड़े अपराध का कर्ता बन जाता है।

किशोरावस्था को तूफान व परेशानी की अवस्था का काल कहा जाता है, इस समय बच्चे स्वतन्त्रता चाहते हैं, अपने विचारों को व्यक्त करना चाहते हैं, उनकी मानसिक स्थिति शीघ्रता से बदलती रहती है तथा संवेगों पर नियन्त्रण करना कठिन हो जाता है। ऐसे में केवल माता-पिता ही अपने बच्चे की मनःस्थिति को अच्छे से समझ सकते हैं। यहाँ पर उनका यह कर्तव्य है कि वह अपने बच्चों को समय दें, उनके विचारों को सुनें, उनके साथ सहानुभूति का व्यवहार करें, उन्हें आवश्यक स्वतंत्रता प्रदान करें, उचित निरीक्षण करें तथा एक गुरु, एक मित्र तथा एक पथ प्रदर्शक की भाँति उनका मार्गदर्शन करें।

यदि माता-पिता ऐसा करने में असफल होते हैं, तो वह जाने अनजाने में अपने बच्चों को अपराध की ओर धकेल देते हैं। जब किसी अपराध में लिप्त किशोरो का मनोवैज्ञानिक विश्लेषण किया गया तो पाया गया कि अधिकांश किशोर बाल्यावस्था में माता-पिता द्वारा की गई अवहेलना के कारण ही अपराधी प्रवृत्ति के बन गए। अधिकांश किशोर माता-पिता के पारस्परिक कटु संबंध, स्नेह व समयाभाव, मार्गदर्शन व नियंत्रण न मिलने के कारण ही अनियन्त्रित हो गए।

यदि मार्गदर्शन के अभाव में किशोर पथभ्रष्ट हो गया तो यह बच्चे की नादानी नहीं वरन् माता पिता की लापरवाही है। इस तथ्य की पुष्टि इस बात से भी की जा सकती है कि विभिन्न देशों में किशोरावस्था में हो रहे अपराधों को कम करने के लिए मातापिता को प्रशिक्षित किया जा रहा है। अमेरिका के ऐसे ही

एक कार्यक्रम का नाम है - "Strengthening America's families"

इस कार्यक्रम का उद्देश्य माता पिता को सही जानकारी और तरीकों से अवगत कराना है ताकि वह सफल माता-पिता बनकर समाज व देश को कुशल, सुशील व स्वस्थ किशोर प्रदान कर सकें। यही नहीं विश्व के कई देशों में किशोरों द्वारा किए गए अपराध के लिए माता पिता को दण्डित भी किया जाता है क्योंकि उनका मानना है कि उनमें अपराध का बीज बोने वाले उनके लापरवाह माता पिता ही हैं।

अधिकांशतः माता-पिता बच्चों की छोटी-छोटी आवश्यकताओं को तो पूरा करते हैं लेकिन वह उनकी प्रत्येक आवश्यकता को पूरा नहीं कर सकते, जिसके फलस्वरूप बच्चे अन्य बच्चों की देखा देखी अपनी आवश्यकताओं को पूरा करने के लिए गलत रास्ता अख्तियार कर लेते हैं।

बच्चों के द्वारा की गई छोटी-बड़ी भूलों को नज़रअंदाज करना माता-पिता की सबसे बड़ी भूल होती है। धीरे-धीरे यही गलतियाँ विकराल रूप धारण कर लेती हैं और किशोरावस्था में वह गलत व बुरी आदतों का शिकार हो जाता है जिससे उसके अंदर एक आपराधिक प्रवृत्ति का जन्म होता है।

माता-पिता द्वारा बच्चों के प्रति सख्त होना व उनका तिरस्कार करना जैसे कि बच्चे की इच्छाओं व आवश्यकताओं के प्रति रोक टोक करना। बच्चे की कौतुहल और उत्सुकता से भरे सवाल का जवाब न देकर उन्हें हमेशा चुप करवा देना।

और भी कुछ कारण हैं जो बच्चों को अपराध की ओर धकेलते हैं, आज की भाग दौड़ भरी जिंदगी में माता-पिता बिना सोचे समझे अनावश्यक धन व अन्य सुविधाएं अपनी संतान को प्रदान तो कर देते हैं परन्तु उनका सही उपयोग सिखाने के लिए समय नहीं दे पाते। अब यदि बच्चा इसका दुरुपयोग करता है तो यह कहीं न कहीं माता-पिता की लापरवाही है। क्यों माता पिता ने नहीं देखा कि उनका बच्चा घण्टों इंटरनेट पर में क्या सर्फ कर रहा है। यही कारण कि आज विश्व भर में जितने साईबर काइम हो रहे हैं, उनमें किशोर ही ज्यादा सक्रिय हैं। अध्ययनों के परिणाम के आधार पर विशेषज्ञों का मानना है कि जो बच्चे एक घण्टे से अधिक कार्टून कार्यक्रम देखते हैं उनका बौद्धिक विकास रुकने लगता है और किशोरावस्था तक पहुँचने तक उनमें उद्विग्नता तथा व्याकुलता बढ़ जाती है। यूनाइटेड किंगडम के मैकरे, मैग्यूर और मिलबोर्न के अनुसार माता - पिता की लापरवाही ही बच्चों के असामाजिक व्यवहार के लिए पूर्णतया जिम्मेदार है।

दिल्ली के लक्ष्मीनगर में रहने वाला एक बच्चा राहुल प्रति प्रतिदिन विद्यालय से लौटकर जब घर आता तो अकेलापन उसे घेर लेता। कारण यह कि माता-पिता दोनों ही नौकरी करते थे, और देर रात तक घर लौटते थे। घर में किसी भी सुख सुविधा की कमी नहीं थी पर अकेलापन उसे कचोटता रहता। इस अकेलेपन से बचने के लिए उसने कुछ अज्ञाने किशोरों से मित्रता कर ली। उनके साथ खेलते कूदते न जाने कब राहुल पथभ्रष्ट हो गया और नशा मारपीट और कत्ल जैसे संगीन अपराध के लिए काल कोठरी में डाल दिया गया। करे कोई भरे कोई। क्यों माता पिता इतने धनलोभी और स्वार्थी हो गए कि उन्होंने अपने अबोध बच्चे को अकेला छोड़ दिया।

कम अंक प्राप्त करने या फेल होने पर बच्चों का स्कूल छुड़वा दिया जाता है, अध्यापकों के द्वारा उनका उत्पीड़न किया जाता है या छात्रों द्वारा मजाक उड़ाया जाता है, इससे वे हीनता की भावना से ग्रसित होते हैं और अपराध की ओर प्रवृत्त हो जाते हैं। शिक्षकों व माता पिता को ऐसे बच्चों के साथ स्नेह से पेश आना चाहिए, जिससे वे अन्दर से टूटे नहीं। अनैतिकता, धूम्रपान से भरे चलचित्र और कामुक पुस्तकें बच्चों के मस्तिष्क पर गहरा प्रभाव छोड़ती हैं। ऐसे में एक माता-पिता की अपने बच्चे के प्रति जिम्मेदारी बढ़ जाती है।

अपराधी क्षेत्र में निवास करने का भी अपराधी प्रवृत्ति से घनिष्ठ संबंध है, जुआरियों, शराबियों के पास निवास स्थान होने पर बच्चों के अपराधी होने के अवसर अधिक रहते हैं क्योंकि बच्चों में अनुकरण और ग्रहणशीलता अधिक होने के कारण अपराधी प्रवृत्तियों को सीखने की संभावना अधिक रहती है।

आज कल जीवन में चमक दमक, रुपसज्जा, दिखावापन, विलासिता इस तरह बढ़ती जा रही है कि उससे पारिवारिक बंधन, दाम्पत्य प्रेम और परस्पर आत्मीयता के भाव नष्ट होने लगे हैं, स्वार्थ के साथ कलह, कुविचार और दुष्कर्मों का प्रवाह बढ़ जाता है। कहना न होगा कि इसका सबसे कटु प्रभाव सौम्य एवं कोमल चित्त बालकों पर ही पड़ता है। वे अपने माता-पिता के प्रति ही नहीं समाज के प्रति भी उदासीन होने लगते हैं। यही वृत्ति धीरे धीरे उद्दण्डता और अपराध में परिवर्तित हो जाती है। पारिवारिक जीवन में दुराग्रहों, दुष्प्रवृत्तियों के बढ़ने की यह स्थिति कितनी चिन्ता जनक है, यदि पति पत्नी एक समझौता कर लें कि अपने बच्चों का पोषण, विकास और उन्हें सज्जन, उदार, सद्गुणी बनाने के लिए वे परस्पर अत्यधिक प्रेम श्रृंखलित करने वाले कारणों को जन्म नहीं देंगे, तो कुछ भी असंभव नहीं।

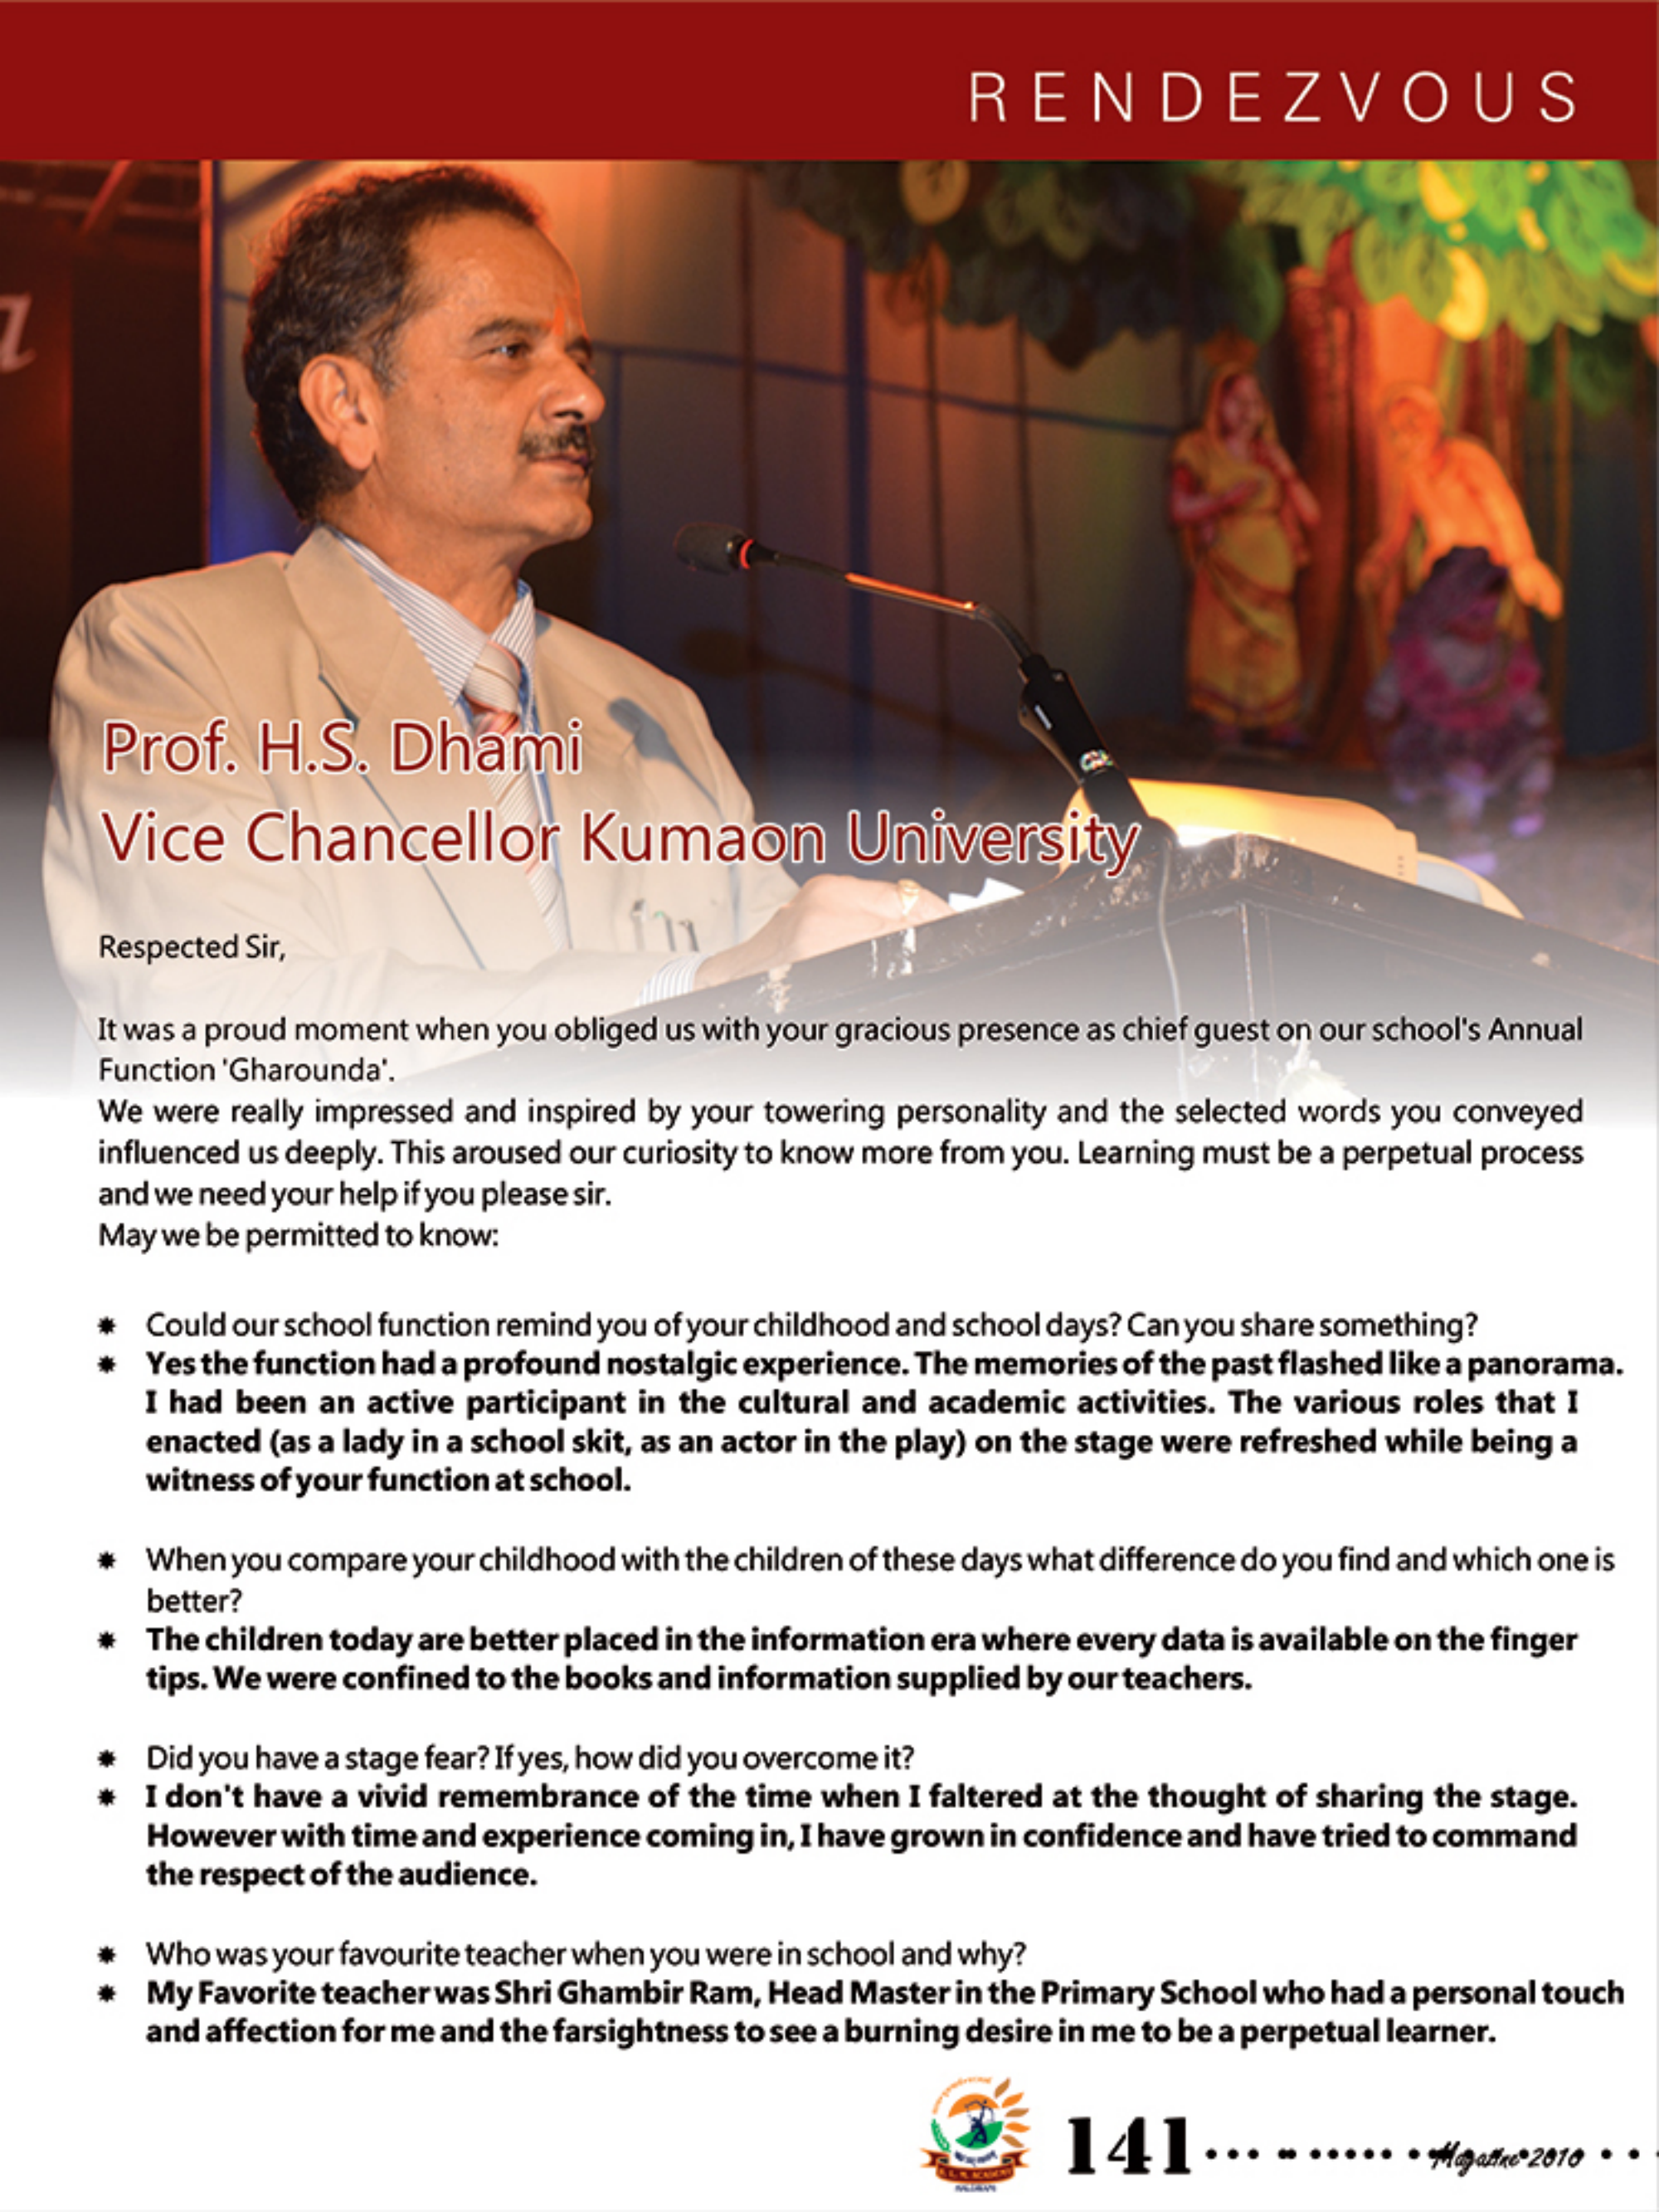

माता-पिता का दायित्व है कि वे अपने बच्चों को स्वावलम्बी बनायें। उन्हें भरोसा दिलाना चाहिए कि उनके हर अच्छे कार्य में वे उनके साथ हैं। मेहनत करके आगे बढ़ने का रास्ता प्रशस्त करना चाहिए। उनकी गलती व भूलों पर उनको समझाना चाहिए। आवश्यक बातों को पूरा करना चाहिए न कि अनावश्यक बातों को।

अन्त में मैं बस इतना कहना चाहूंगी कि माता-पिता अपने बच्चों के चरित्र की नींव होते हैं। अतः वो ही नैतिक रूप से उनके कार्यों के लिए जिम्मेदार होते हैं।

धन्यवाद !

शिवांगी एकादश

Prof. H.S. Dhami Vice Chancellor Kumaon University

Respected Sir,

It was a proud moment when you obliged us with your gracious presence as chief guest on our school's Annual Function 'Gharounda'.

We were really impressed and inspired by your towering personality and the selected words you conveyed influenced us deeply. This aroused our curiosity to know more from you. Learning must be a perpetual process and we need your help if you please sir.

May we be permitted to know:

- * Could our school function remind you of your childhood and school days? Can you share something?
- * **Yes the function had a profound nostalgic experience. The memories of the past flashed like a panorama. I had been an active participant in the cultural and academic activities. The various roles that I enacted (as a lady in a school skit, as an actor in the play) on the stage were refreshed while being a witness of your function at school.**
- * When you compare your childhood with the children of these days what difference do you find and which one is better?
- * **The children today are better placed in the information era where every data is available on the finger tips. We were confined to the books and information supplied by our teachers.**
- * Did you have a stage fear? If yes, how did you overcome it?
- * **I don't have a vivid remembrance of the time when I faltered at the thought of sharing the stage. However with time and experience coming in, I have grown in confidence and have tried to command the respect of the audience.**
- * Who was your favourite teacher when you were in school and why?
- * **My Favorite teacher was Shri Ghambir Ram, Head Master in the Primary School who had a personal touch and affection for me and the farsightness to see a burning desire in me to be a perpetual learner.**

- * When you were in school what was your favourite subject and why?
- * **I had an infatuation towards biology in my early childhood when I dreamt of becoming a doctor. However after my highschool when I took maths as a subject it eventually became my favourite subject.**
- * What was your aim in life when you were in school? Have you succeeded in achieving it?
- * **I wanted to be a teacher in life and to relish my cherished dream I initiated a journey of hard work with grit and determination.**
- * Who is your role model?
- * **As a mathematician Srinivas Ramanujan was my role model and overall the youth icon of the nation Swami Vivekananda had a deep influence upon me.**
- * Teaching profession was your choice or a chance?
- * **Teaching was my passion of life and I was fortunate enough to be given an opportunity by the Almighty to shape up the future of the society.**
- * How do your children know you? Could you do your father's role to your children perfectly? If yes, how?
- * **My children know me as a guide, mentor and motivator. I tried to do justice with my role as a father. I am fortunate enough to have a life partner who filled in the gap at appropriate times.**
- * Would you like to share with us any unforgettable moment of your life?
- * **The journey of life has tossed by several facets of ups and downs and many incidences have left deep imprints. When I think of one particular incidence it's the transformation in my life that was brought about by my better half.**
- * Which quality helped you in ascending up the chair of V.C.?
- * **Sincerity, Hard work and Compassion for the society have been the salient features of my persona. These have been the key determinants in assuming the various responsibilities all through my life.**
- * What is that one thing you would like to change in yourself?
- * **I am a very emotional person and I would like to keep my emotions under control while discharging my personal and professional duties. I however think that I might struggle to achieve it.**
- * What dominant changes do you find in the society in past thirty years?
- * **The society has moved to a different level all together. There are many positive facets of this change however the grey side showcases a very disturbing face right from the unitary families, cut throat competition, corrupt practices, declining human values and ethics.**
- * What change would you like to bring in the school education system as in university you get the product of school education system only?
- * **The students just study superficially to pass the examinations however the challenges in life require attainment of knowledge. The pursuit of knowledge should be the sole objective of learning. The inculcation of human values should be an integral part of all education system. The decline in the value systems lead to all kind of evils in the society that we hear so often.**

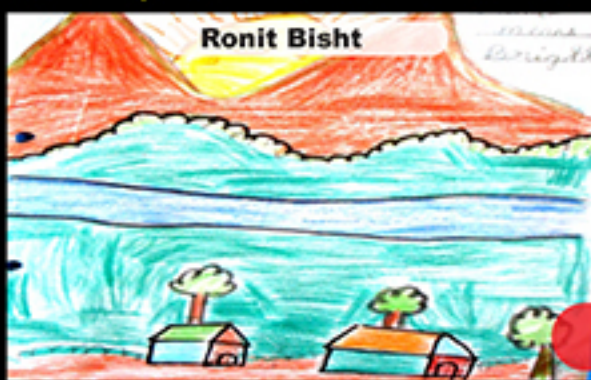

- * What can be the role of V.C. in solving the current social problems?
- * **The Vice Chancellor is not only an academic and administrative head of the University but he is also a mentor, instrument of social change, a motivator of the public at large by his own deeds and actions.**
- * Would you share some of the difficulties you face as a V.C.?
- * **The financial constraints have always been the biggest problem of an academic administrator to streamline the academic and research activities especially in a state university.**
- * What is your stress buster?
- * **I am a workaholic and prefer to complete the duties assigned to me in an impeccable manner. The moment I complete my task I am a relieved person.**
- * It is said that to be a Vice Chancellor is more a dexterous diplomatic shrewd designation than an erudite, assiduous intellectual academician. Is it so?
- * **On the contrary, I am a firm believer that role of a Vice Chancellor is to attract, develop, motivate, retain a diverse workforce in a supportive work environment and to develop an academic, administrative and research work culture where we 'think Globally and act Locally'. These tasks require an erudite, assiduous intellectual academician to lead from the front.**
- * One message that you would like to convey to the youth today.
- * **The youth today needs to be proliferators of knowledge with a humane touch. Compassionate behavior is the desirous trait in the youth of today.**
- * What message you would like to give for the parents?
- * **The parents should not buy the dreams for the children but should allow the wings of the inherent skills to expand and strengthen in an arena of perpetual growth and fulfillment. Parents, the first teachers of the kids should nurture their talent.**
- * Would you like to give some suggestions for our Principal ma'am?
- * **The school should be transformed into:-**
 1. **A centre for the development of human values amongst the students.**
 2. **A centre to uphold the four pillars of learning i.e. learning to know, learning to do, learning to live together and learning to be.**
 3. **A centre for Inculcation of Critical Thinking amongst students.**
 4. **A centre for Knowledge dissemination and Knowledge Assimilation.**
 5. **A centre to harness the inquisitive young mind.**
- * What is your valuable advice for the students?
- * **The mantra of success is only hard work. There is no room for mediocrity in life and to attain excellence the students need to religiously follow the protocols for attainment of skills and knowledge already laid down. They may become good doctors, lawyers, researchers, politicians but they need to be good human beings first.**

Thank you sir! for sparing your precious time for us. These are truly enlightening moments for us. May God bless you with a long life that you keep influencing the youth of the country and thereby building a powerful society.

Parents' Appreciation

1. Teacher- Parent- Student relation ; sports , knowledge , behavior , all in one is BLM. I am highly thankful to Principal madam and teachers and all supporting staff.

With good wishes

**Dr. G. Pal , Deputy Commdt. I.T.B.P
(Namit Pal's father , Class- I)**

2. मेरी बेटी श्रेया रोज खुश होकर स्कूल जाती है और उसी खुशी के साथ घर वापस लौटती है। यह तथ्य बी.एल.एम. की श्रेष्ठता साबित करने के लिए पर्याप्त है। श्री इन्द्र सिंह प्रथम

3. मुझे उत्कर्ष में मानसिक , शारीरिक , और व्यवहारिक विकास देखने को मिला है। मैं सन्तुष्ट हूँ। बी.एल.एम. इसी तरह बच्चों का भविष्य संवारता रहे, यही कामना है।

4. Lots of improvement has been seen after the admission . As parents we are very much satisfied. The way Diya has started catching up with the studies due to good faculty.

**Ashok Nidhi Dhillon (Diya Dhillion's
parents)
PrinClass- IV**

5. Principal madam of BLM is very dynamic and innovative . She must be encouraged and properly rewarded by the management.

Father of Saleha Parbeen

6. बी.एल.एम.का स्वच्छ वातावरण, अध्यापकों का व्यवहार एवं सहयोग विद्यालय को पसंद करने का सबसे बड़ा कारण है।

7. बच्चे की योग्यता को पहचानने एवं उभारने के लिए शिक्षकगण एवं प्रिंसिपल मैम विद्यालय के लिए पूर्णतः समर्पित हैं। अभिभावक के रूप में मैं पूर्णतः संतुष्ट हूँ।

श्रीमती सौम्या कार्की

8. बी.एल.एम. एकेडमी हल्द्वानी का एक बेहतरीन शिक्षण संस्थान है। यहाँ का स्टाफ और मैनेजमेंट उम्दा दर्जे का है। टीचर्स की तालीम और भूमिका काविले तारीफ है। बच्चों की प्रत्येक गतिविधि पर ध्यान रखा जाता है तथा मंजिल तक पहुँचाने की भरसक कोशिश की जाती है।

श्री राजेन्द्र सिंह परिहार

9. बी.एल.एम. एक सर्वगुण सम्पन्न विद्यालय है। यहाँ प्रत्येक क्षेत्र में प्रशिक्षण दिया जाता है तथा अनुभव दिखाने का मौका भी दिया जाता है। शिक्षक एवं प्रधानाचार्या बच्चों को बड़े प्यार से संभालते हैं।

लता बिष्ट

10. BLM Academy means improvement. Though nothing is perfect in this world. I will say that this school is perfect.

Mrs. Babita Pandey 7 A

11. समस्त आधुनिक सुविधाओं एवं संसाधनों से युक्त बी.एल.एम. उत्तम ज्ञान से विद्यार्थियों के भविष्य का मार्ग प्रशस्त कर रहा है।

श्री प्रदीप कुमार मौर्या

12. For BLM every child is special.

Sajal Goel's mother 8

13. बी.एल.एम. विद्यालय सर्वांगीण विकास हेतु अनुकूल है। हम संतुष्ट हैं कि हमारे बच्चों को इसकी छात्राया में पढ़ने का अवसर मिला।

श्री लोकेश कुमार गुप्ता

14. बी.एल.एम. एकेडमी में कम्प्यूटर एवं स्मार्ट क्लासेज से ज्ञानार्जन वृद्धि के साथ-साथ उच्चारण क्षमता में सुधार तथा जीवन मूल्यों का बच्चों के व्यक्तित्व में समुचित विकास परिलक्षित हो रहा है।

पापा-वरुण जोशी

15. I am satisfied that my daughter Angel of class 3 is in good secure hands where excellent academics and activities are transforming her personality very positively.

Mrs and Mr. Joshi .

16. BLM Academy nurtures our wards to get the best out of them and inculcates ethics and values too for all round development . Mrs

संकल्प

‘विद्यालय जीत’

बी0एल0एम0 के आँगन को, प्यार से सजाएंगे।
स्वर्ग को ही घरा पर, हम उतार लाएंगे।
आज कली हैं, कल फूल बन, मुस्कारेंगे।
खुद महकेंगे और तुम्हें महकाएंगे।
Blm.....

गाँधीजी की सत्य अहिंसा, विवेकानन्द का संस्कृति प्यार,
मन का दीप जलाकर साथी, दूर करें पथ का अंधकार।
माँ सरस्वती की तृप्त वीणा, से गूँजे झंकार,
अहं ब्रह्मास्मि, की अनुभूति, जन-जन को कराएंगे।
Blm.....

सत्य, पुरुषार्थ, और परमार्थ का, अमोघ अस्त्र सहारा है,
A.P.J.का विजन ये 20, अब एक लक्ष्य हमारा है।
कल-कल-कल-2 निर्मल, झर-झर-झर-2 बहती, हम गंगा की धारा है।
स्वर्णिम कल, सुरभित पल, वैभव, देखो आज हमारा है।
पंछी बन, उनमुक्त गगन के, बुलंदियों को पाएंगे।
Blm.....

शीतलता हर मन में हो, और हर एक दिल में प्यार भरें
नई चेतना से जागृत हो, नया राष्ट्र निर्माण करे
‘ब्रह्मा तत् लक्ष्यम्’ का, अब हर एक जन सम्मान करें
मंजिल पर हम पहुँच कर अपनी, नव परचम लहराएंगे।
Blm.....

छोटा लक्ष्य नहीं अपितु, वसुधैव कुटुम्बकं से प्रेरित,
संकल्प युक्त सत्कर्म पथिक बन, श्रम गंगा से उर्जान्वित।
चरितार्थ करेंगे, उदघोष-सर्वे भवन्तु सुखिनः।
