**Homescience**

Chapter 1 - Colour

## **Fine Arts**

### **1. STILL LIFE**

Students are supposed to keep the following objects in front of them and draw and color the same:

- a) A table lamp, two hardbound books placed one on top of the other, an apple placed on top of the books, a pen stand with two pens, two pencils and a highlighter. (A suitable drapery must be placed behind the objects)
- b) A ladies' handbag, a mobile phone, a folding umbrella, a key with key chain and a pair of sunglasses.
- c) A glass half filled with milk, two boiled eggs (one of them should be cut into half) placed on a plate, a bottle of Kissan jam and some slices of bread placed on the same plate with the eggs.

### **2. NATURE STUDY**

The following should be depicted in full details:

- a) A healthy stem of Bougainvillea.
- b) Garlic-one full and one slit open.
- c) Peach-one full and one cut in half.
