STILL LIFE

- Students are supposed to keep the following objects in front of them and draw and color the same:
 - a. A basket with some bananas, oranges, apples and a bunch of grapes. Place creatively the bunch of grapes close to the basket and the other fruits inside the basket.
 - b. Place two cups and saucers in a tray. Take two quarter plates and in the plate place three or four muffins and in the other plate place some biscuits. Add a small plant in a small pot (miniature plant arrangement) to this composition.
 - c. A flower vase with some flowers and some leaves in it. Three hard bound books placed one on top of the other to be kept near the vase.

NATURE STUDY

- The following should be depicted in full details:
 - a. A bunch of grapes.
 - b. Bird of Paradise flower with some leaves.
 - c. Any color lily- two or three flowers, buds and some leaves.
