Click Try **OTP** option

## 4. Open the NLP app and verify your OTP (which is delivered to your registered number)

The screenshot shows a mobile app interface for OTP verification. At the top, there is a dark green header with a back arrow and the text "Verification". Below the header, the text "Verify your mobile number" is displayed, followed by "Enter the OTP sent to 9759355409". A numeric keypad is shown with six input fields containing the digits 2, 3, 5, 5, 5, and 4. The digit 4 is highlighted with a green border. Below the keypad, there is a "Resend OTP" link in green text. At the bottom of the screen, there is a large green button labeled "VERIFY".

Enter the **OTP**

Click **VERIFY**

## 5. Enter your mobile number

(In case the mobile number is not registered you will not get the OTP. You need to contact the school admin in that case)

The screenshot shows a mobile application interface for logging in with an OTP. At the top, there is a dark green header with a back arrow and the text "Login with OTP". Below the header, the screen displays the following information:

- School code: **sunvalleyncr**
- Admission number: **123456**
- Mobile Number \*  
9759355409

Below the mobile number input field, there is a text instruction: "Enter a mobile number that is present in your school records(your own number or your parent/guardian number)". At the bottom of the screen, there is a large green button labeled "Continue".

Click Continue

## 6. OTP will be sent to your registered mobile number.

← Verification

Verify your mobile number  
Enter the OTP sent to 9759355409

Resend OTP

VERIFY

Detecting the OTP sent to 9759355409  
in 13s

Or

Enter OTP manually

The app will detect  
the **OTP**

You can Enter **OTP**  
manually as well

## 7. You will be asked to set a password

The screenshot shows a mobile application interface titled "Secure Account". At the top left is a back arrow. Below the title, the text "Set your password" is displayed. A text input field is labeled "Enter Password" and contains several dots representing a masked password. To the right of the input field are two icons: an eye icon for toggling password visibility and an information icon. At the bottom of the screen is a large green button labeled "Sign In".

Enter the password  
(keeping all the  
criteria in mind)

Click **Sign In**

## 8. You will be logged into your student account.

(The same password can be used anytime for future login too)

Thank You
