

Precautions Taken and Safety Protocol followed by the School

For Maintaining a high standard of SOP during the conduct of the annual Examination for IX & XI, the following measures will be taken by the School.

- *Two different gates will be used for entry. Class IX will use the school gate & class XI will enter through the church gate only.
- *There will be thermal screening & sanitization done at the gate.
- *Sanitizers will be placed in the School building as well.
- *Students will be allowed in, One at a time.
- *There will be teachers & support staff on duty from the gate till the School building to ensure students go straight to the rooms assigned and Social Distancing is maintained.
- *Thermal screening and sanitization at the gate is mandatory for each & everyone. Wearing of masks is compulsory for all present in the campus. Students also need to wear mask & bring their own sanitizers.
- *Each examination room will be thoroughly sanitized after the exam is over & readied for the next day.
- *There will be one teacher invigilating at a time in each room.
- *Care will be taken to provide sanitized stationary.
- *After the exam is over, students will be escorted till the gate by concerned invigilator, ensuring social distancing.
- *Parents are responsible for dropping and picking up their ward.
- *Consent form is uploaded on the School Website.

Kindly download and do the needful.
