- a)** Revise all the concepts from 1-1000.
  - Number names
  - Before and after
  - Missing numbers
  - Ascending/descending order
  - Greater/less than ( $>$ ,  $<$ ,  $=$ )
  - Expand 2 ways
  - Forward and backward counting
- b)** Joyful Mathematics workbook- Do '**Lesson 1: A day at the beach**' and '**Lesson 3- Fun with numbers**'

## **3. EVS**

- a)** Make project on 'Things We Get from Plants' (see picture for reference)

**b)** Do the written work of “Plants” chapter in the EVS notebook. PDF will be sent.

**c) Nutrition activity**

1. Let's eat healthy and colourful food!
2. Eat different plant-based foods (like fruits and vegetables) of different colours every day for two weeks.
3. Use the Nutrition Chart to keep track of what you eat.
4. Put a tick (✓) in the chart every time you eat a food of that colour.
5. Take two printouts of the Nutrition Chart – one for each week.

Let's see how many colours you can eat!

Nutrition Chart.pdf

Spend time doing what you enjoy! (Cycling, art and craft, dance, swimming etc)

**4. Hindi**

**क)** पीटी 1 का पाठ्यक्रम याद करेंगे।

**ख)** सुलेखन पृष्ठ संख्या 5,9,10,11,12,13,14,16,17,18, 19,21,22,23,24,25,26,30,31 को पूरा करेंगे
