

HOLIDAY HOMEWORK 2025-26

CLASS V

SUBJECT: ENGLISH

1. Reading Challenge:

Read any one story book .

Write a short summary of the story (5–6 lines).

Mention your favourite character and why.

2. Vocabulary Builder:

Find 20 new English words from your storybook.

Write their meanings and use them in your own sentences.

3. Creative Writing:

Write a paragraph (8-10 lines) on:

"If I Had a Magic Wand..."

"A Day in the Life of My Pet"

4. Fun with Grammar:

Create a "Parts of Speech" Scrapbook:

Cut out 5 nouns, 5 verbs, 5 adjectives, and 5 adverbs from newspapers/magazines and paste them on an art sheet with labels.

5. Cursive handwriting. Practice one page writing daily.

SUBJECT: ENVIRONMENTAL STUDIES

1. ENCOUNTER HOUSE

Green Friend – A Plant Diary

- Plant a small sapling in a pot.
- Give it a name!
- Take care of it during the holidays.
- Write 5 lines every week on what changes you observe (height, new leaves, etc.) on an A-4 or A-3 sheet.
- Stick a weekly photo if possible along with your parents.

2. ENDEAVOUR HOUSE

Waste to Best – Craft Activity

- Collect waste materials (like old newspapers, bottles, etc.)
- Make a useful item or decoration piece.
- Click a picture while doing the activity with your parents and paste it

on an A-4 sheet.

- Write how this helps reduce pollution.

3. ENDURANCE HOUSE

Water Warriors Poster

- Make a colorful poster on "Ways to Save Water at Home" with help of your parents.
- Use drawings or stick pictures.
- Add a catchy slogan like: "Every Drop Counts!"

4. ENTERPRISE HOUSE

Know My City

- Choose any one famous place in your city (fort, river, museum, etc.)
- Write 8–10 lines about it.
- Stick a picture of your visit with your family on A-4 size sheet.

5. Revise all the chapters for **Periodic Test**

SUBJECT: MATHEMATICS

Dear Young Math magicians,

This holiday, let's explore how maths is all around us—in our homes, markets, routines, and even in art! Let's have fun while learning. Here's your holiday adventure in numbers:

1. Mission: Mastery!

- Target Skills: Addition, Subtraction, Multiplication, Division, Measurements, Money & Fractions
- Revise the basic operations through fun games or quizzes with your family.
- Challenge yourself with real-life word problems: like measuring ingredients, counting coins, or dividing treats equally!

2. Table Top Champs!

- Learn and Recite Tables from 2 to 20
- Try learning tables through songs, rhythms, or flashcards.
- Make your own "Times Table Chart" or design a colourful Table Wheel.

3. My Grocery Math Adventure! 🛒

Go shopping with your family or pretend to run your own mini supermarket!

- List 5 items you bought (or pretend to buy) and note their prices.
- Find the total cost.
- Paid ₹2000? Calculate the change.
- Circle the *costliest* and *cheapest* item.
- Bonus: Try adding a tax or discount!

4. Time Tracker Challenge!

Make a “Holiday Routine Timetable” for yourself.

- Note the times you wake up, eat, study, play, and sleep.
- Calculate how many hours you spend:
 - Sleeping
 - Studying
 - Playing
- Use fractions to represent how your day is divided

5. Maths + Art = Magic!

- Create a Maths-themed Artwork!
- Use shapes, patterns, symmetry or numbers in a creative drawing.
- Fraction necklace

Activity: Create a necklace pattern using beads or shapes (drawn or made with thread and colored paper).

Show what fraction of the beads are each color

6. Let's Think & Create!

Put your thinking cap on!

- Write a *Math Poem*, *Puzzle*, *Riddle*, or *Short Article* for our school magazine.
- Make it witty, funny, or mind-boggling—but all about Maths!

Enjoy your Math-tastic Holidays!

Remember, the more you play with numbers, the more they become your best friends!

SUBJECT: HINDI

- 1 पीटी 1 का पाठ्यक्रम याद करेंगे।
- 2 राख की रस्सी और खिलौने वाला का कार्य पत्रक हल करेंगे।
- 3 सुलेखन पुस्तिका पूरी करेंगे।
- 4 कविता खिलौनेवाला के आधार पर waste material से एक खिलौना बनाकर लाएंगे।
