

CONVENT OF JESUS AND MARY, NEW DELHI
SUMMER HOLIDAY HOMEWORK
CLASS IV (2025-26)

ENGLISH

- 1. Reading Time:** Read any one English storybook, draw your favorite scene, and write 4–5 lines about it.
- 2. Word Hunt:** Learn and write 10 new words from the book and use each word in a sentence of your own.
- 3. Creative Corner:** Write a short poem or story on either "My Dream Tree" or "The Naughty Pencil."
- 4. Handwriting Practice:** Write one page daily in cursive handwriting to improve your writing skills.

ENVIRONMENTAL STUDIES

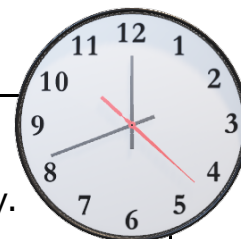

- 1. Travel Diary:** Make a 4–5-page travel diary with pictures of transport you've used, write 2–3 lines about where you went and what you saw from the window, and mention one item you carried in your bag.
- 2. Train Collage:** Collect pictures of different trains from newspapers, magazines, or printouts, paste them on an A3 sheet, and label them as Passenger Train, Goods Train, Metro Train, Bullet Train, and Toy Train.

HINDI

- 1 पीटी 1 का पाठ्यक्रम याद करेंगे।
- 2 जैसा सवाल वैसा जवाब , किरमिच की गेंद दोनों पाठों का कार्यपत्रक हल करेंगे ।
- 3 सुलेखन पुस्तिका पूरा करेंगे।
- 4 कक्षा में करवाएं गए मुहावरों को चित्र के माध्यम से A 3 चार्ट पर प्रस्तुत करेंगे।

MATHEMATICS

- 1. Tables Practice:** Learn multiplication tables from 2 to 16 thoroughly.
- 2. Operations Practice:** Practice addition, subtraction, multiplication, division, time, money, and all related word problems.
- 3. Math in the Kitchen:** Help your family by counting plates, cups, spoons used at dinner, calculate total water consumption if each family member drinks 2 glasses daily, and measure 1 litre using smaller bottles like 4 bottles of 250 ml.
- 4. My Daily Routine (Timetable Activity):** On an A3-sized sheet, draw a big clock and describe your daily routine with timings for waking up, eating breakfast, playing, studying, and going to bed; practice reading both digital and analog clocks.
- 5. Money Math – Budget Your Picnic!** With a ₹5000 budget, make a list of picnic items with names, prices, total spent, and money left; decorate the list with drawings or pictures.
- 6. Fun with Shapes:** Draw and colour 5 different 2D shapes (square, rectangle, triangle, circle, oval) and 3D shapes with examples from surroundings, and paste related pictures on a chart paper.
- 7. Mountain Math:** Find the heights of the 10 tallest Himalayan peaks in India, arrange them in ascending order, and write their number names.
- 8. Let's Think! (Optional):** Write poems, puzzles, riddles, or articles related to Mathematics for the school magazine.

GENERAL KNOWLEDGE

- 1. Do and learn the following pages:** Page no. 11,12,13,16,21,25.

PARENTING ACTIVITY

Let's Walk Together – For the Holistic Development of the Child

1. Read the newspaper daily with your parent during the summer break. Cut and paste the main headlines from 23rd to 29th June on an A4 sheet along with a picture of you and your parent reading together.

CRAFT

- 1. Glass Bottle Painting Craft:** Paint and decorate an old glass bottle to create a beautiful craft piece. Let your creativity shine while promoting reuse and recycling!
