Invent for the Future and Rediscover the Past

www.dewanschooljv.org | Sector 4, Jagriti Vihar, Meerut

We pay tribute to our
Founder
Late Shri Daulat Ram Dewan Ji,
a dedicated teacher who upheld
the cause of education
throughout his life.

“A Leader Who Inspires Progress in Every Direction.”

Shri. H.M. Rout
Director

From the Principal's Desk

In a world that moves quickly, our children are growing up with many opportunities, but also many expectations. Along with academic success, it is important that we give equal attention to their emotional well-being and mental health.

At Dewan Public School, we believe that education is not only about achieving good results but also about helping children become confident, balanced and happy individuals. A child who feels safe, valued and understood is better prepared to learn, grow and face life's challenges.

To our dear students: It is okay to make mistakes, feel worried or have a difficult day. You need not always have all the answers. Talk to someone you trust, share your feelings and never hesitate to ask for help. Remember, being strong also means knowing when you need support.

To our valued parents: Your child may not always need advice; sometimes, they simply need you to listen. A few moments of patient conversation, encouragement and unconditional acceptance can make a world of difference.

To our teachers: Let us create classrooms where every child feels seen, heard and respected. A kind word, a little patience and genuine encouragement can often touch a child's heart more deeply than we realise.

As we present another edition of our school journal, let us remind ourselves that nurturing a healthy mind is as important as nurturing a bright mind.

Together, let us help our children learn with confidence, grow with resilience and live with joy.

Warm regards,

Neena Dureja
Principal
Dewan Public School

INVESTITURE CEREMONY

Entrusted to Lead, Empowered to Inspire

The Investiture Ceremony marked a new chapter as the Student Council embraced leadership with integrity, purpose and dedication.

With every badge came a promise to serve, a responsibility to uphold and an opportunity to inspire.

Activity Highlights

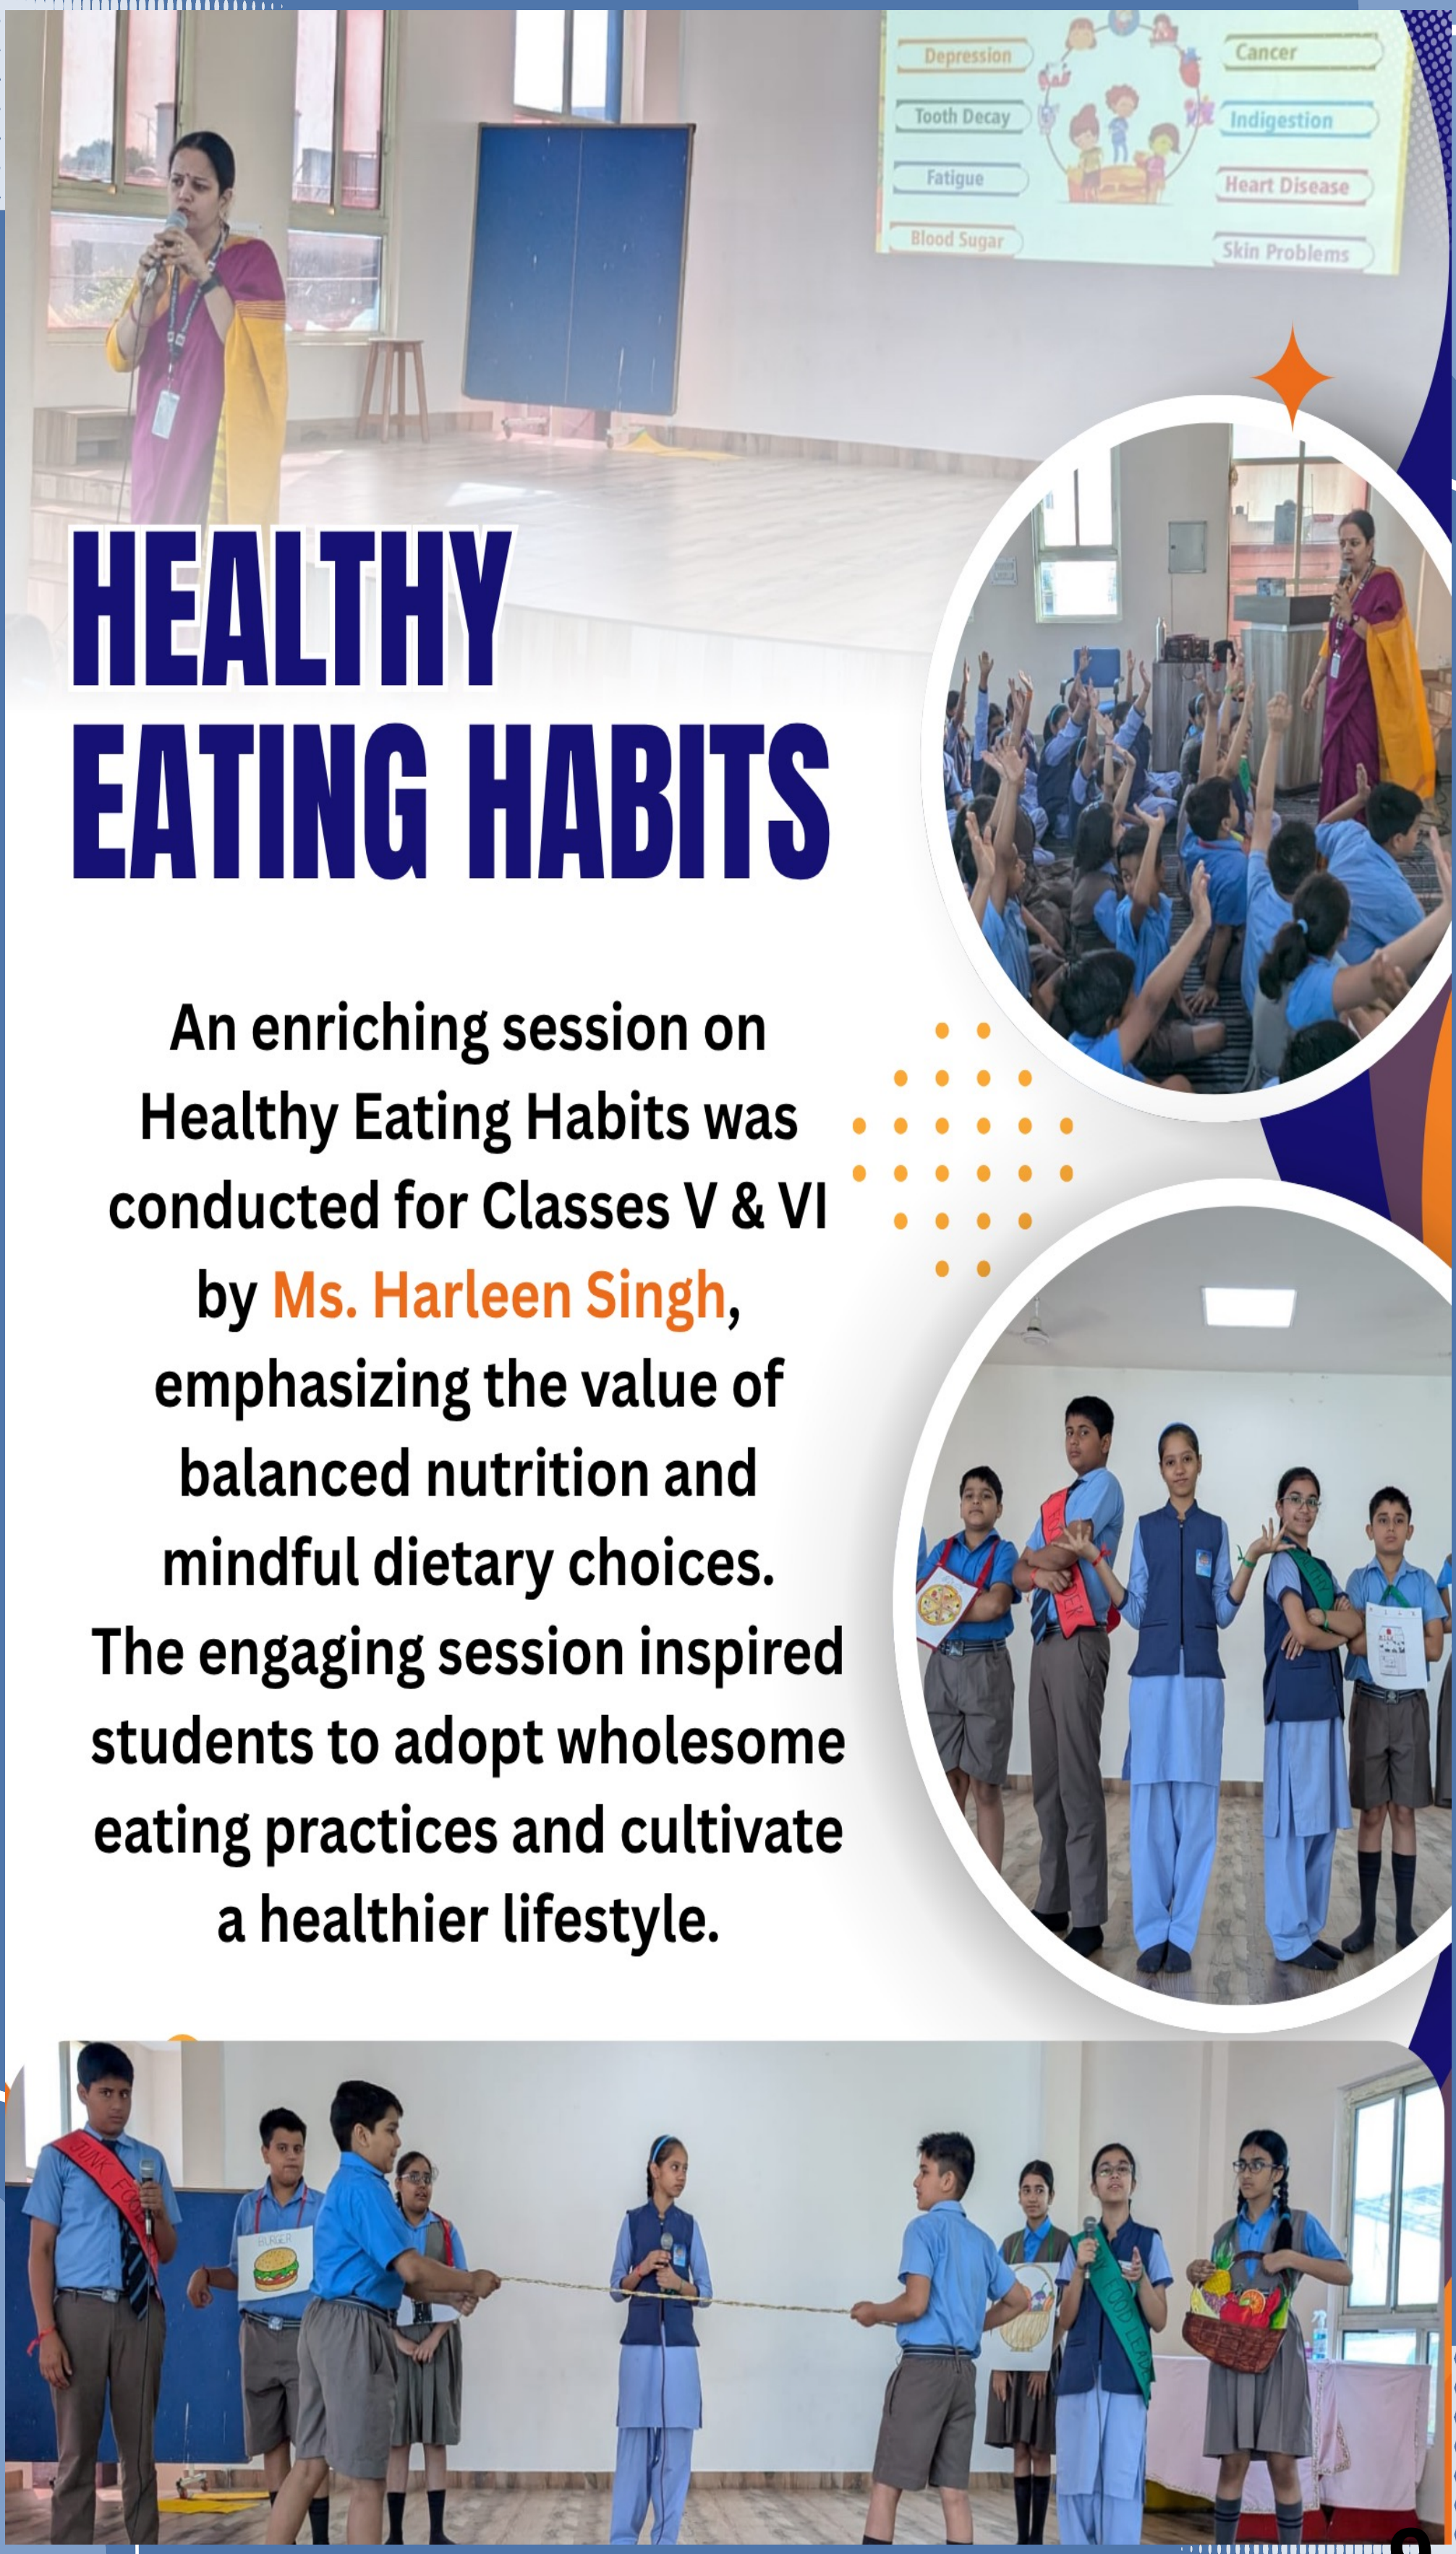

HEALTH AND HYGIENE

A well-curated session on Health and Hygiene was conducted for the girls of Classes V–VII by Ms. Jugpreet Kaur, highlighting the importance of personal care and wholesome habits.
The engaging and interactive session fostered awareness, confidence, and a responsible outlook towards one's well-being.

HEALTHY EATING HABITS

An enriching session on Healthy Eating Habits was conducted for Classes V & VI by Ms. Harleen Singh, emphasizing the value of balanced nutrition and mindful dietary choices. The engaging session inspired students to adopt wholesome eating practices and cultivate a healthier lifestyle.

POSTER MAKING

Competition

A Poster Making Competition on the theme "Hygiene is the Key to Health" inspired students of Classes III–VIII to express their thoughts through colourful and creative artwork. Their enthusiastic participation reflected artistic excellence while spreading the powerful message that good hygiene is the first step towards a healthy and happy life.

MIND SPARKS QUIZ COMPETITION

"On 28 April 2026, the Mind Sparks Science Quiz for Classes V and VI was held with great enthusiasm. Jawahar House secured the first position with an outstanding performance, while Bhagat House stood second. The participants displayed energy, intellect, and teamwork. Students demonstrated their knowledge about human body, food, universe and environment."

WORLD DANCE DAY

BEAT THE FLOOR

An electrifying symphony of rhythm, grace, and expression came alive during the competition “Beat the Floor” conducted on 29th April. Students of Classes VII & VIII set the stage ablaze with spellbinding solo performances, effortlessly weaving together the poise of classical, the fluidity of contemporary, and the vibrance of international dance forms.

Jawahar House secured 1st position, followed by Rabindra House in 2nd place. Aaradhya and Saavi Gupta were crowned Best Dancers, captivating all with their exceptional artistry and stage presence.

A WARM WELCOME TO OUR NEWEST STARS!

Class II welcomed the little learners of Class I with cheerful smiles, fun-filled moments and lots of love as they stepped into a new chapter of their school journey. 💫

क्रांति धारा

अंतरसदन समूह गान प्रतियोगिता

4 मई 2026 को क्रांति दिवस के उपलक्ष्य में, कक्षा V एवं VI के विद्यार्थियों के लिए 'क्रांति धारा' अंतर-सदन देशभक्ति समूहगान प्रतियोगिता का आयोजन किया गया। विद्यार्थियों ने देशभक्ति गीतों के माध्यम से राष्ट्रप्रेम, सम्मान और समर्पण की भावनाओं को प्रभावशाली ढंग से अभिव्यक्त किया।

जवाहर सदन ने प्रथम, गांधी सदन ने द्वितीय, रविंद्र सदन ने तृतीय तथा भगत सदन ने चतुर्थ स्थान प्राप्त किया।

BAG STUDIO

Durable | Reusable | Planet-Friendly

The Bag Studio activity for Classes V and VI was conducted in school on 21 April 2026.
Students designed eco-friendly bags using reusable materials, showcasing creativity and innovation.
The activity promoted sustainability along with practical skills.

“A Celebration of Creativity & Consciousness”

Under the evocative theme “Our Power, Our Planet,” young visionaries of Classes VII and VIII transformed their canvases into powerful expressions of creativity, awareness, and environmental consciousness.

More than a competition, Canvas Combat 2026 became a vibrant celebration of young minds and their ability to imagine, inspire, and envision a more sustainable tomorrow.

EARTH WARRIORS

SMALL HANDS, BIG DREAMS

With hearts full of hope and hands ready to nurture, the young learners of Classes III and IV celebrated Earth Day (22 April) in our school by planting seeds across the school campus.

The activity fostered a deeper appreciation for nature, forests and wildlife, inspiring children to become mindful stewards of the planet. Tiny hands planted seeds today, nurturing the promise of a greener tomorrow.

Where Numbers Met Young Minds!

Class I students showcased their mathematical skills, quick thinking and problem-solving abilities in the exciting **Mind Over Maths** Inter-House Competition.

Little Poets,
Big Expressions!

Our young poets of Class I brought their imagination to life with confidence, expressions and beautiful verses. The Little Poets Competition was a delightful celebration of creativity, rhythm and the joy of words! 🌸🎶

Weaving Words, Creating Wonders!

Our Class II storytellers spun fascinating tales with creativity and confidence.

A Journey to the Geometrical Park

"When creativity meets Mathematics, every shape tells a story!"

The Journey to the Geometrical Park turned mathematical concepts into an exciting world of imagination and innovation. Students brought 2D and 3D shapes, lines and angles, symmetry, perimeter and area to life through creative park models and engaging structures. The activity made learning joyful, meaningful and hands-on, while nurturing teamwork and originality.

DIGITAL CITIZENSHIP

Cultivating Digital Excellence, Inspiring Responsible Citizenship

Ms. Kamla Adhikari, Computer Science Teacher, conducted an insightful session for Classes VII and VIII on cyber ethics, online safety, and responsible digital behaviour. The THINK principle—True, Helpful, Inspiring, Necessary, and Kind—highlighted the importance of mindful and respectful online interactions.

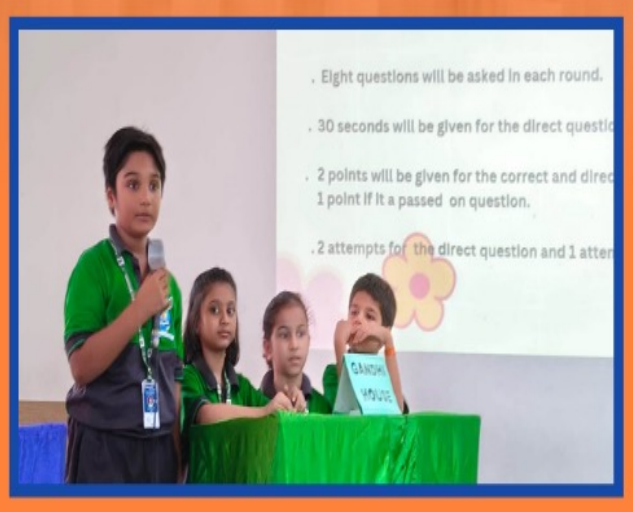

The session empowered students to become informed, ethical, and responsible digital citizens.

CURIOUS CIRCUIT

WHERE YOUNG SCIENTISTS SPARKLED!

The Inter-House Science Quiz for Classes III and IV, held on 29 July 2026, was an exciting celebration of scientific knowledge, curiosity, and teamwork. Students showcased impressive confidence, presence of mind, and scientific thinking throughout the event. Gandhi House emerged as the Overall Champion, making the quiz a memorable and engaging experience for all.

the spirit of REVOLUTION

“When history comes alive, the spirit of patriotism echoes through young hearts.”

Dewan Public School hosted Spirit of Revolution on 6th May, on account of Kranti Diwas, a vibrant Fancy Dress Competition that brought India’s freedom struggle to life. Students portrayed iconic freedom fighters from 1857 to 1947, delivering powerful quotes that reflected courage, sacrifice, and patriotism.

The event celebrated the nation’s rich history and inspired students to honour the legacy of India’s freedom fighters.

Jai Hind!

HAPPY INDEPENDENCE DAY

Celebrating Freedom & Viksit Bharat

Our school celebrated India's 80th Independence Day with patriotic fervour, honouring the sacrifices of our freedom fighters and celebrating the vision of Viksit Bharat @2047. The festivities were inaugurated with the solemn and ceremonial unfurling of the Tricolour by our distinguished school patrons. This was followed by stirring and erudite addresses delivered by our Director, Shri H. M. Rout, and our Principal, Ms. Neena Dureja, both of whom underscored the indispensable role of education and the indomitable spirit of the youth in sculpting the nation's future trajectory.

Jai Hind! 🇮🇳

Incredible India!

With vibrant moves, colourful traditions and joyful expressions, our young dancers of Classes I & II celebrated the diverse spirit of India through an exciting Inter-House Dance Competition.

National Sports Day

Celebrating the Spirit of Sportsmanship

National Sports Day was celebrated on 29 August 2026 with great enthusiasm, honouring the legacy of Major Dhyan Chand, the 'Wizard of Hockey'. Students of Classes VII–VIII participated in an exciting Basketball Match, while Classes I–VIII engaged in lively Sports Quizzes. The celebration highlighted the values of teamwork, discipline, perseverance and sporting excellence.

CURIOSITY CARNIVAL

An engaging Inter-House Science Quiz for classes VII and VIII sparked curiosity, challenged minds, and celebrated scientific thinking. Students showcased impressive knowledge, quick thinking, and teamwork, with Bhagat House emerging as the Overall Champion.

MENTAL HEALTH AWARENESS

Resilient Minds, Bright Futures

A meaningful Mental Health Awareness Session was organised for Classes VII and VIII, focusing on emotional well-being, gratitude, mindful living, and healthy relationships. Ms. Shaonli Tyagi guided students towards a balanced lifestyle, reduced digital dependency, and stronger connections with nature, family, and peers.
The session highlighted the importance of mental well-being as a foundation for a healthy and fulfilling life.

SOCIAL AND MENTAL HEALTH

“Nurturing Minds, Strengthening Connections”

A Mental and Social Well-being Session was organised for Classes V and VI, conducted by School Counsellor Ms. Charu Dhaiya. Through engaging activities, students explored emotional awareness, empathy, healthy relationships, effective communication, and responsible choices.

The session highlighted the importance of mental well-being in nurturing confident, compassionate, and resilient individuals.

“Nurtured minds flourish with confidence, kindness, and resilience.”

Creative Threads

Our little stars of Classes III and IV celebrated the bond of love with creativity! The students made beautiful Rakhis using eco-friendly material and crafted special Rakhis for their beloved brothers. Their imagination and love made the day extra special.

Happy Rakshabandhan

बाल हास्य मंच

कक्षा १ एवं २

नन्हे प्रतिभागियों ने हास्य, रचनात्मकता और आत्मविश्वास से मंच को जीवंत कर दिया।
अपनी भाव-भंगिमाओं और रंग-बिरंगे परिधानों से बच्चों ने सभी का मन मोह लिया।

🌟 A Spectacular Showcase of Talent! 🌟

With remarkable talent, artistic brilliance, and unwavering confidence, our students made a resounding mark at PRANGAN 2026, held at BDS School on 22 August, bringing home outstanding 18 awards from a delegation of 19 participants—a truly exceptional achievement! 🏆

🎶 Singing: First Position

🎨 Live Art: First Position – Rehma Parveen & Nandini Kaushik

🌸 Rangoli: Second Position – Sejal

💃 Dance: Saavi Gupta – First | Ruhani Arora – Second | Aaradhya – Third

This spectacular achievement is a testament to the creativity, dedication, and artistic excellence of our students, along with the inspiring mentorship of our committed teachers.

A BEACON OF SPORTING EXCELLENCE

Dewan Public School beams with pride over Keshav Raj Rastogi, our young karate star who's putting Meerut on the map!

At the Uttar Pradesh State Karate Championship 2026 in Ghaziabad, Keshav claimed both Gold and Bronze. Not one to slow down, he then bagged Gold and Silver at the "ELITE CUP" All India Karate Championship 2026 in Meerut, competing in the Sub-Junior category under Japan Goju-Ryu Karate-Do Kenwakai.

Rising Star of Karate!

Heartiest congratulations to Disha Malhotra for securing the Third Position (Bronze Medal) in the Inter School Karate Championship 2026, organised by Vardhman Academy, Meerut.

Competing in the Under-11 Girls (40 kg) category, Disha showcased remarkable confidence, determination, and martial arts excellence. Her achievement is a testament to her dedication and hard work.

🏆योग में शानदार जीत! 🧘‍♀️✨

सुभारती विश्वविद्यालय की **ओपन योगा चैंपियनशिप** में दीवान पब्लिक स्कूल, जागृति विहार की छात्राओं ने शानदार प्रदर्शन किया।

🥇 **नित्या शर्मा(VI-D) एवं अनिमा पांडे(VI-C)** ने पेयर आर्टिस्टिक योगा में स्वर्ण पदक, जबकि **नित्या गर्ग(VI-B) एवं नंदिनी सिंघल(VI-A)** ने रजत पदक जीता।

🌟 **गौरवी(IV-C)**ने एकल आर्टिस्टिक योगा में अपने उत्कृष्ट संतुलन और लचीलेपन से सभी को प्रभावित किया।

प्रधानाचार्या श्रीमती नीना दुरेजा एवं निदेशक श्री एच. एम. राउत ने छात्राओं को हार्दिक बधाई एवं उज्ज्वल भविष्य की शुभकामनाएँ दीं।

अनुशासन, साधना और निरंतर प्रयास—यही सफलता की असली पहचान है!

RISING TO NEW HEIGHTS!

Paridhi Sharma, our talented basketball star, made the school proud by securing First Runner-Up position at the KCH Cup 3×3 Basketball Tournament held at IIMT on 21 June 2026.She followed this with an impressive Second Position at the 3x3 Basketball Tournament at KL International School on 22nd June 2026.
Her remarkable performances reflect her dedication, passion, and sporting excellence. We applaud her outstanding achievements and wish her many more victories ahead!

A Checkmate of Excellence!

Chess is a battle of minds, where every move shapes the outcome."

On 26th April, Dewan Public School proudly participated in the BBSSM Chess Championship, featuring around 190 young players. With remarkable strategy, focus, and determination, our chess champions secured an impressive Third Position for the school!

A proud moment for Dewan Public School!

A moment of immense pride as Anima Pandey and Nitya Sharma of Class VI clinched the Gold Medal in the Artistic Pair (U-14) Category at the Yogasana District Competition 2026, held at The Adhyyan School, Meerut. Their grace, perfect synchronization, and unwavering dedication turned hard work into golden glory. Heartiest congratulations to our young champions for making the school proud!

SIP Superstar Trophy Achiever

A moment of pure pride and distinction unfolded at the SIP Abacus Annual Award Ceremony as young prodigy Arnav Tomar of class 3-B from Dewan Public School, Jagriti Vihar took center stage. Radiating confidence and joy, he stood alongside proud mentors to receive a well-deserved trophy. This elegant celebration of intellect and dedication beautifully highlights his remarkable hard work. It perfectly embodies the mission of creating intelligence, marking a brilliant milestone in the inspiring journey of a rising star.

🥋 A Double Triumph in Karate!

Heartiest congratulations to Daksh Singh on his remarkable performance at the 15th South Asia Hakuakai Karate Championships–2026, held in Delhi and organised by the Hakuakai Karate Association, Tokyo, Japan.

With exceptional skill, discipline, and determination, Daksh won 🥇 Gold Medal in 22 kg Kumite and 🥈 Silver Medal in 22 kg Kata.

Teacher Brilliance Award 2026

We are proud to announce that our Sports Teacher,Ms.Shivali Chauhan, has been honoured with the prestigious Teacher Brilliance Award 2026 by Amrita Vishwa Vidyapeetham, in collaboration with Dainik Jagran iNext.

We congratulate Ms Shivali for her exceptional work in the field of sports & games.

Creative Corner

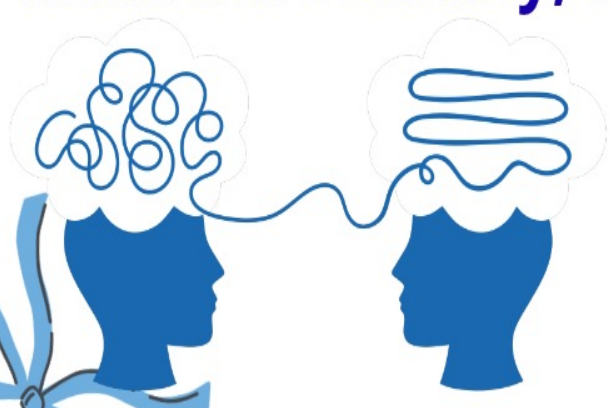

THE POWER OF RIGHT DECISIONS

Life is shaped by the choices we make. One important question we should ask ourselves is: "How can we avoid regretting our choices when we look back on our lives?" Among the many decisions we make, choosing a career is one of the most significant. Since we may spend a large part of our lives working, it is essential to choose a path that suits our interests, abilities, and aspirations and gives us a sense of purpose.

A career should be more than simply a way to earn money. We should choose work that interests us, matches our abilities, and inspires us to grow. At the same time, following our dreams does not mean making careless decisions. We should seek advice from parents, teachers, friends, and experienced people, but we should not blindly follow anyone. Instead, we should listen to different perspectives, conduct proper research, and use our own judgement before making a final decision. Finding the right career is not always easy. Unemployment is a reality, and no government can completely eliminate it. Therefore, we must take responsibility for building our future while making use of the opportunities and support available to us. Achieving our goals may require years of hard work, patience, and perseverance, but the challenges we face along the way can make us stronger and more confident.

Money is important because it provides security and independence, but it should not be our only aim. When we genuinely enjoy our work, we are more likely to put in our best efforts, improve our skills, and create something valuable. In time, meaningful work can benefit both the individual and society while bringing financial stability, recognition, and personal satisfaction.

A Day Without Gadgets

Today, we use electronic gadgets in almost every part of our lives. We depend on mobile phones, televisions, computers and many other electronic devices for our daily needs. Gadgets have certainly made our lives easier, but sometimes we become so dependent on them that we forget how to manage without them.

There was a boy named Raju who was highly dependent on electronic gadgets. He spent a lot of time watching television and using his mobile phone. Whenever he had a problem, especially a difficult maths question, he would immediately search for the answer on the internet instead of asking his parents for help.

One day, a cooking competition was announced at his school. The winner would be the student who prepared the best dish at home. Raju decided to participate in the competition. When Raju returned home from school, he noticed that there was a power cut in his neighbourhood. It would not be restored for another eight hours. To make matters worse, his mobile phone had no charge left, so he could not use it either.Raju became worried because he was supposed to prepare his dish for the competition that very day. He told his mother about the competition. Instead of worrying, his mother smiled and said, “We can’t cook without electricity. Let us use the traditional chulha.” Raju was surprised, but he agreed to help his mother.

Together, they prepared a delicious pizza over the chulha. Raju enjoyed the experience and learned that life could still be fun and productive without electronic gadgets.

The next day, Raju took his homemade pizza to school. Everyone loved it, and he won the cooking competition! Raju was very happy. He also realised that gadgets are useful, but we should never become completely dependent on them.His mother explained to him that we should always be prepared for situations in which technology is not available. She also reminded him that our own thinking and skills are more important than simply searching for answers online. From that day onward, Raju started using electronic gadgets wisely and spent more time learning, thinking and doing things on his own.

Moral: We should use technology wisely and never become dependent on it. Our own skills are more valuable than any gadget.

A CONVERSATION WITH MY FUTURE SELF

I have been living an ordinary life - with the same plans and the same schedules. But something happened that made me more determined to achieve my goals.

It began on an ordinary day. I went to sleep, but this time, my dream was a little unusual. I saw a girl who was older than me, but somehow, she felt familiar. I asked her who she was. She said that she was my future self.

I asked her, "Will I be successful in the future? Will I fulfil all my dreams? Am I living a good life?" She did not give me an answer to any of my questions. Instead, she said, "Ask yourself these questions when you grow up."

For a moment, I froze, but then I realised that I had to become capable of achieving everything that I had ever dreamed of.

The next morning, I woke up and could barely remember my dream. But I was determined this time. I took a piece of paper and wrote all my dreams and goals on it. I then wrote, "Have I achieved all those things?" Then, I kept it safely in my diary. I don't know whether I'm going to meet her again or not. I still hold on to the hope of achieving everything I have ever dreamed of. The journey continues.

THE RIPPLE OF KINDNESS

A smile costs nothing, yet it's rare.
It fills the world with joy and care.
A gentle word, a helping hand,
Can change a life across the land.
The tallest tree was once a seed,
It grew through patience, hope, and need.
So never think you're far too small,
For little hearts can change us all.

Be the rainbow after rain.
Bring hope where there is fear or pain.
For every kindness, big or slight,
Makes someone's darkest moment bright.
Share your courage, share your cheer,
Lift a heart that's filled with fear.
Every good deed leaves a trace,
Making Earth a kinder place.

Dream with confidence each day.
Let honesty guide every way.
When kindness walks beside what's right,
Even shadows fill with light.
The world grows better when we start
To make good choices from the heart.
A caring spirit, brave and true,
Can make great dreams come shining through.

So be the change, both kind and wise,
Like morning sunshine in the skies.
For every step of love you give
Makes this a better world to live.

POSSUMS : NATURE'S TINY WONDERS

A baby possum is called a joey. When a possum is born, it is tiny, deaf, and blind. They have hairy bodies, a pouch to carry their babies, and a tail. In the wild, a possum's lifespan can reach around fifteen years. They usually feed on insects like grasshoppers and beetles, and also eat plants and eggs. Different species of possums vary in appearance. The brushtail possum has a thick, bushy tail. The Tasmanian pygmy possum looks like a mouse and is the smallest possum in the world. Depending on the species, a possum's fur may be of various colours, including grey and brown. They also have sharp claws which help them comb their fur. Possums live in forested areas and are found in regions such as New Guinea, Sulawesi in Indonesia, and Australia. The creatures also often live close to human settlements. If possums sense danger, they sometimes pretend to be dead.

VIHA BAGCHI

CRICKET : MY PASSION

One day I want to be a cricketer and play for my country with pride. Cricket is my favourite sport, I love watching and playing it with my friends. I dream of becoming a great cricketer, and make my family proud. I'll hold my bat and face the ball with great courage. I'll practice hard everyday and learn to bowl, bat, field, and catch with care. I have joined a cricket academy in Victoria Park and I practice daily. I know that becoming a successful cricketer is not easy, but I'll never give up. I'll never fear a difficult match, and I'll always try to give my best there. I dream of wearing an Indian cricket team jersey and hearing the cheering crowd. I'll score runs and take wickets, and make my family proud! I will listen to my coaches, learn from my mistakes, and improve my skills every day. With hard work, hope, and dedication, I'll chase my dream with all my might. I will stay focused, disciplined, and confident even when things do not go my way. One day I'll become a cricketer and make my future shine brightly.

THE DAY THE CLOCK STOPPED

In the corner of Riya's classroom hung an old wall clock. Its glass was cracked, its paint was fading, and it ticked louder than all the other clocks in the school. Everyone complained about it but no one ever thought of fixing it. Riya often looked at the clock during class. To her, it seemed tired-- tired of running every second without rest. One rainy afternoon, just before the final bell the clock suddenly stopped.

Tick..... Tick..... silence.

At first, nobody noticed. But soon, the teacher paused mid-sentence. The ceiling fan slowed down. Outside, even the rain seemed to freeze in mid air like tiny glass beads.

Time had stopped.

Riya alone could move. Her heart pounded as she stepped out of the classroom. The entire school stood still: students froze mid laughter, a bird stuck mid-flight near the window, and leaves hang in the air.

She walked back to the clock and whispered, "Are you tired?" To her surprise, the clock replied in a soft voice, " I have counted every second of your lives. But no one ever listens to time until it stops."

Riya thought of how she rushed through meals, ignored her grandparents' stories and wished weekends away. She suddenly felt ashamed "I'm sorry," she said. "We forgot to value you". The clock ticked ones. "Remember it", it said, " Time is not meant to be chased, but lived." Tick ... Tick ... Tick

Everything moved again. The rain fell, the fan spun, and the final bell rang.No one noticed anything strange. But from that day onwards, Riya changed.

She listened more. She laughed longer. She lived each moment carefully. And the old clock? It never stopped again.

Moral – "Value time."

ANSHI PUNIA

THE BOX OF WONDERS

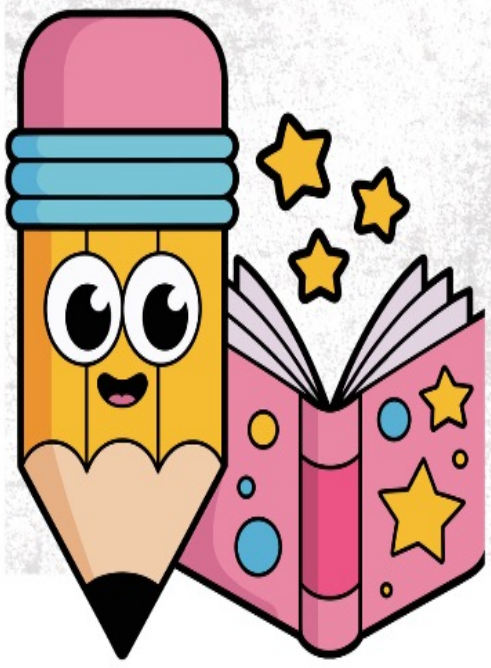

A notebook is a quiet park,
Where tiny thoughts can run and play.
The pencil is a guiding light,
That shows our words the proper way.

The eraser is a second chance,
To fix a little slip and stray,
It tells us that from making slips,
We learn to build a better day.

The rubber is a steady path,
To keep our neat lines straight and true,
While ink connects the clever links,
Of everything we ever knew.

So look inside this little box.
Where ordinary tools reside,
They build a future step by step,
With student joy and learning pride.

ANAYA
V-B

THE WEALTH OF THE HEART

We spend our lives collecting more-
More noise, more names, more endless devices.
Yet peace arrives so quietly,
It waits where we forget to see.

It lives in hands that choose to stay,
In words we almost didn't say.
In letting go without a fight,
In choosing love over being right.

The world is tired of being strong,
Of proving it has marched too long.
What heals us isn't winning wars,
But sitting with another's scars.

Life is not measured by our speed,
Or how much more we feel we need.
Life is measured by the hearts we mend,
By how we break- and still we make.

One gentle act, one honest tear,
Can soften years of silent fear.
The smallest light we choose to give,
Reminds the world why we should live.

And when all titles fall away,
When every voice has had its say.
What truly remains when all is done,
Is love we shared- and love we become.

JHANVI AGARWAL

THE MAGIC OF AN EMPTY CHAIR

There was one empty chair in the classroom that no one used. It stood in the back corner, slightly broken with one leg shorter than the others. Whenever someone tried to sit on it, the chair wobbled so loudly that they never tried again.

One day a new student named Aaron joined the class. The teacher told him to sit wherever he liked. Aaron looked around the class and chose the empty chair in the corner.

The class watched quietly as he sat down. The chair shook, but Aaron adjusted it by placing a piece of cardboard under the short leg. It became steady. From that day onwards Aaron sat there every morning.

Later, he fixed it with a small piece of wood. Slowly other students started talking to him.The empty chair was no longer lonely, and neither was Aaron.

Sometimes, all it takes is one person to sit where no one else wanted to.

MY HAPPY MOM

My mom begins my day with care,

A gentle smile a loving prayer.

She helps me laugh and learn,

For her kind love, I am always grateful to her.

She makes our home bright and warm,

A guiding light in every storm.

When I feel sad or feel afraid,

She lifts my heart with hope she makes.

I hope she knows how much I care,

How special she is and how much we love her.

My happy mom, so kind and true,

You make my world so bright and new.

INDIA 2047: A FUTURE WE DESIGN

By 2047, a vision will inspire
To lead our nation to its greatest heights.
With time-strong steps, a future we design,
To make the story of India truly shine.

First, learning reaches every single home,
With schools and skills transforming all the land.
Next, green tech thrives to keep our rivers clear,
Protecting fields and nature we hold dear.

Third, innovation drives our modern mind,
Where science leads and leaves no soul behind.
Fourth, equal rights ensure that all can grow,
With strength and justice in a steady flow.

And fifth, our ancient pride will pave the way,
A global beacon rising every day.
Together bound, this sacred vow we keep,
To see the ultimate developed leap.

THE OCEAN INSIDE ME

There is an ocean deep inside,
Through silent waves and changing tides .
Some days it sparkles in the sun,
Some days it hides from everyone.
Its waves are made of hopes and fears,
Of laughter, dreams, and hidden tears.
Yet every storm that passes through,
Leaves me stronger than I ever knew.
Like an ocean that stretches beyond the shore,
I know that I am meant for more.
Each rising wave reminds my heart,
That every ending begins a start.
So let the wind blow stronger and free,
They cannot steal the best of me.
For deep within, calm water shine,
And endless ocean, forever mine.

AADHYA KAUSHIK

THE SUN AND THE MOON

When in the morning dew,
The light arises new .
When the sun rises at dawn,
The darkness fades and the night is gone.

When all the colours appear in the bright light,
And the stars still blue glow in the night.
When you are in doubt about what to do,
Just gaze at the beautiful moon.

When you are bored and you really want to play,
Just take a step outside and enjoy the day.
So let us jump, let us run.
As we welcome the golden sun.
Hand in hand till the day is done,
Let's give three cheers to moon and sun.

ए आई कविता

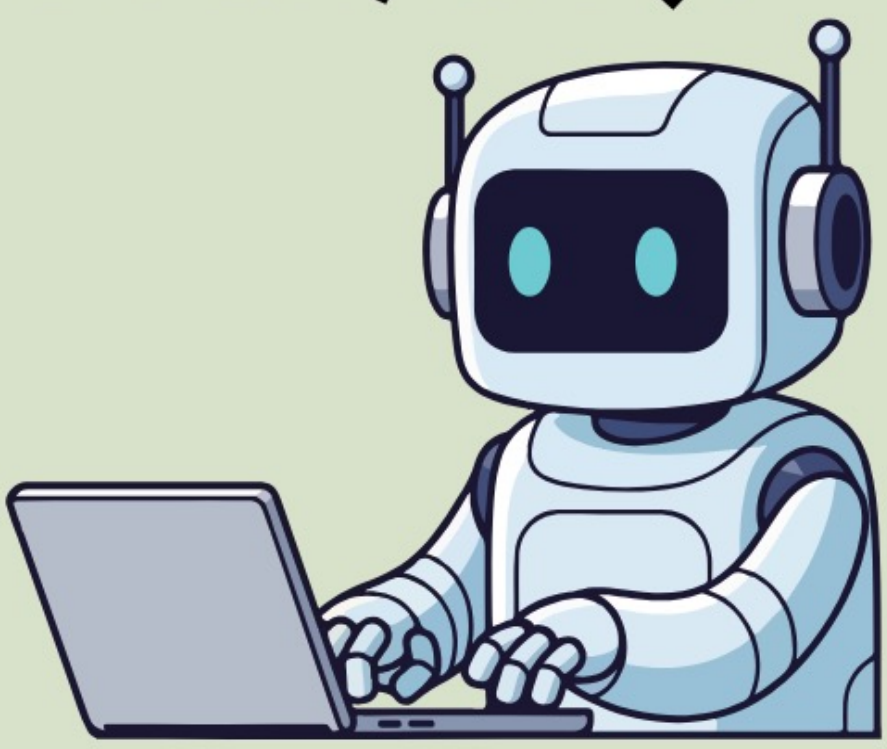

ए आई आया, बदल गया ज़माना,
मशीनों ने सीखा, इंसानों का तराना।
सोचें समझे, बातें करे,
हर मुश्किल को आसान करे।

घर में स्पीकर अब बोलने लगे,
रोबोट भी कामों में झूलने लगे।
डॉक्टर, टीचर, ड्राइवर बने,
हर क्षेत्र में अपने रंग भरे।

पर याद रहे ये सब औज़ार हैं,
इंसान की सोच का उपहार हैं।
दिल और भावना हमारी पहचान है,
मशीन नहीं बन सकती इंसान है।

पुस्तकों का महत्व

पुस्तकें हमारी अच्छी दोस्त होती हैं। वे हमें नई-नई बातें सिखाती हैं। उनसे हमें ज्ञान मिलता है और हम बहुत कुछ सीखते हैं। पुस्तकें हमें सोचने और समझने की शक्ति भी देती हैं।

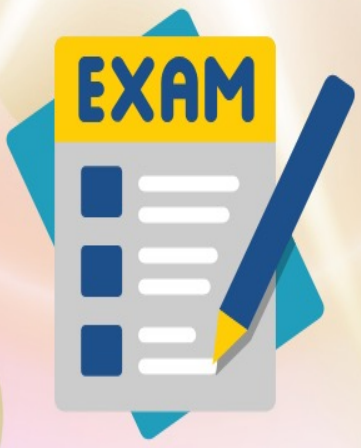

अच्छी पुस्तकें पढ़ने से हमें हमारी पढ़ाई में भी मदद मिलती है। हमें प्रतिदिन थोड़ा समय पुस्तकें अवश्य पढ़नी चाहिए। इससे हमारी भाषा अच्छी होती है और नए शब्द भी सीखने को मिलते हैं।

मोबाइल और टीवी से ज़्यादा समय हमें अच्छी पुस्तकों के साथ बिताना चाहिए। पुस्तकें हमें एक अच्छा और समझदार इंसान बनाती हैं इसलिए हमें पुस्तकों का सम्मान करना चाहिए और उन्हें अपना सच्चा मित्र मानना चाहिए।

एग्ज़ाम का समय

एग्ज़ाम का समय है आया ।
मन मेरा बड़ा घबराया।।
जब मैंने पुस्तक को उठाया।
देख मेरा सिर चकराया।।
इंग्लिश ने मुझे बड़ा डराया।
बार-बार मैंने पेज़ पलटाया।।
मैथ्स पढ़ने को उठाया ।
चैप्टर कोई समझ ना आया।।
फिर साइंस की ओर मुँह घुमाया।
H_2O को O_2H बनाया। ।
साल भर न पढ़ने पर मैं
समय के महत्व को समझ न पाया।।

नया भारत

नया सवेरा, नई उमंग है, भारत की अपनी नई तरंग है।
मेहनत, शिक्षा, ज्ञान का मान, इनसे ऊँची हो अपनी उड़ान।

स्वच्छ सड़कें, सुंदर गाँव, खुशियों से भर जाए हर ठाँव।
पेड़ लगाएँ ,प्रकृति बचाएँ, मिलकर देश को श्रेष्ठ बनाएँ।

विज्ञान की ऊँची उड़ान है, युवाओं में नया सम्मान है।
खेल, कला, शिक्षा का संग, सफलता के भरे नए रंग।

जाति- धर्म का भेद मिटाएँ, प्रेम और भाईचारा बढ़ाएँ।
एकता का संदेश महान, यही है अपने भारत की शान।

हम बच्चे हैं देश के तारे, सपने हैं ऊँचे और प्यारे।
मेहनत से हम नाम करेंगे, नया भारत निर्माण करेंगे।

दोस्ती

दोस्ती जीवन का उजियारा,
लगता सबसे प्यारा-प्यारा।
सुख-दुख में जो साथ निभाए,
सच्चा मित्र वही कहलाए।।

मिलकर हँसना, मिलकर गाना,
हर मुश्किल में साथ निभाना।
मीठी बातें, प्यारी यादें,
दोस्ती की मीठी सौगातें ।।

जीवन में जो मित्र मिले,
फूलों जैसे हर पल खिले।
दोस्ती का रिश्ता न्यारा,
सब रिश्तों में सबसे प्यारा।।

जब मन थोड़ा उदास हो जाए,
मित्र हँसाए, पास बिठाए।
छोटी-छोटी खुशियाँ बाँटे,
हर दुःख को पल भर में काटे।।

विद्यालय

जब पहला पग पड़ा विद्यालय में,
तब मैं कोरा पन्ना था।
मुझे भी शिक्षा ग्रहण करके,
एक अच्छा इंसान बनना था।

हाथ थाम लिया मेरे शिक्षकों ने,
और सिखाई हर नई बात मुझे।
अपनी लिखी कुछ पंक्तियों में,
मैं नमन करूँगा आज उन्हें ।

तेरे उपकारों को ऐ अध्यापक,
हम जन्मों तक न भूलेंगे।
याद आएगी बहुत तुम्हारी,
जब कामयाबी का झूला झूलेंगे।

दृढ़ संकल्प लेना सिखाते हो,
हमें संस्कारों का महत्व बताते हो।
हमको हर राह सही दिखाते हो,
सफलता का मार्ग बताते हो।

इंद्रधनुष आया

देखो – देखो अंबर पर,
कैसा सुंदर दृश्य है छाया।
काले-काले बादल हटे,
इंद्रधनुष है मुस्काया।

सात रंगों से सजा है प्यारा,
नभ में इसने डाला डेरा।
बैंगनी, जामुनी, नीला, हरा,
पीला, नारंगी, लाल न्यारा।

बारिश की जब बूँदें रुकती,
सूरज की किरणें हैं पड़ती।
तभी रंगों की छटा निखरती,
रंगों की कतारें सजती।

बच्चे, बूढ़े या हों जवान,
सबका मन हर्षित हो आया।
देखो – देखो अंबर पर,
इंद्रधनुष है मुस्काया।

ईमानदारी

एक विद्यालय में चित्रकला प्रतियोगिता के साथ-साथ पौधे उगाने की भी प्रतियोगिता रखी गई। सभी बच्चों को एक-एक बीज दिया गया। कुछ महीनों बाद सभी बच्चे सुंदर पौधे लेकर आए, लेकिन आरव का गमला खाली था।

सभी बच्चे उसका मज़ाक उड़ाने लगे। जब प्रधानाचार्य ने परिणाम घोषित किया, तो उन्होंने प्रथम पुरस्कार आरव को दिया। सभी हैरान रह गए।

प्रधानाचार्य ने मुस्कुराते हुए कहा, "मैंने सभी बच्चों को उबले हुए बीज दिए थे, जिनसे पौधा उग नहीं सकता था। केवल आरव ने सच्चाई दिखाई और खाली गमला ही लेकर आया।"

उस दिन सभी बच्चों को समझ आया कि ईमानदारी सबसे सुंदर फूल है, जो हर दिल में खिलता है।

शिक्षा- सच्चाई और ईमानदारी ही मनुष्य की सबसे बड़ी पहचान है।

क्या उम्र सिर्फ़ एक अंक है ?

उम्र सिर्फ़ एक अंक नहीं है। अपने उस बचपन को याद कीजिए जब आप खुशी से खेला-कूदा करते थे, आपको न कोई गम था, न कोई परेशानी । आपके जीवन का हर एक फैसला आपके माँ-बाप लिया करते थे। जब आप हर एक त्योहार पर अपने गाँव जाया करते थे और अपने परिवारजनों के साथ हर वक्त मौज-मस्ती करते रहते थे। अपनी उन गलतियों को याद कीजिए जिन्हें आप हमेशा से सुधारना चाहते थे। क्या आपको उन गलतियों को सुधारने का मन नहीं करता? क्या आपको वह बचपन एक और बार जीने का मन नहीं करता?

अभी हम छात्र उम्र के जिस पड़ाव पर हैं, वहाँ हमें बार-बार याद दिलाया जाता है कि खेल-कूद छोड़ो, अब दसवीं और बारहवीं कक्षा के लिए पढ़ो। अब हमें अपनी परेशानी और फैसलों का सामना स्वयं करना पड़ता है। थोड़ा और बड़ा होने पर हमें अपने भविष्य के लिए सही चुनाव और आजकल की प्रतियोगिता की दौड़ में दूसरों से आगे निकलने के लिए तैयार रहना होगा। थोड़ा और बड़ा होने पर नौकरी तथा अपने परिवार को संभालने के लिए हमें मेहनत करनी होगी तथा अगली पीढ़ी के लिए वह सब करना होगा जो हमारे माँ-बाप ने हमारे लिए किया था। बुढ़ापा आने के बाद हमें कोई चुनौती या परेशानी तो नहीं होगी और हमारे पास जीवन का मजा लेने के लिए धन और समय भी होगा लेकिन हमारी शारीरिक ऊर्जा समाप्त हो चुकी होगी तथा काफी उम्मीद है कि तब तक हमें कोई बीमारी हो चुकी होगी।

अंततः हम एक खराब जीवन का बोझ लेकर मर जाएँगे। इसलिए हमें अपने जीवन में भूतकाल और भविष्य की चिंता के साथ-साथ वर्तमान को भी खुशी, परिश्रम, और अच्छे अनुभवों के साथ जीना चाहिए वरना आपकी उम्र अच्छी यादों के बजाय बुरे सपनों में बदल जाएगी। यही कारण है कि जिसकी वजह से उम्र हमारे जीवन की गाथा का महत्वपूर्ण भाग है।

हमारा प्यारा पर्यावरण

धरती माँ का गहना है वन,
इन्हीं से चलता सबका जीवन।
हरे-भरे हैं प्यारे पेड़,
मिटा रहे हैं दुखों का मेड़।

स्वच्छ हवा और निर्मल नीर,
बदलेंगे हम कल की तस्वीर।
प्लास्टिक को अब दूर भगाना है,
धरती को फिर स्वर्ग बनाना है।

आओ मिलकर कसम ये खाएँ,
पर्यावरण को खुशहाल बनाएँ।
पेड़ लगाएँ, खुशियाँ लाएँ,
पेड़ लगाएँ, जीवन बचाएँ।

शुद्ध हवा और साफ पानी,
है धरती की यही कहानी।
मिलकर अब हम कसम उठाएँ,
पर्यावरण को स्वच्छ बनाएँ।
