

DPS CHRONICLES

SEPTEMBER - 2024

Coverpage image created by: Arogya Class VIII - D

In school children learn a lot of different life skills which enables them to face life in the future better prepared. One such activity was conducted for grade XII Physical Education class, wherein students learned about first aid and learned the importance of providing first aid in case of any accidents small or big. The activity further required the children to make first aid kits putting all necessary aid items required for the school.

Biology Activity

An activity for class XI B for showing morphology of flowering plants, the variety of leaves, stems, flowers was done for better grasping and understanding of the subject taking advantage of the lush green campus of DPS Shaheedpath.

UP 112-Ek Pahal

Forty-eight students and five teachers of DPS Shaheedpath participated in the "UP 112 : Ek Pahal" program, a pioneering initiative by the Uttar Pradesh Police Department to create a safer and more secure environment for citizens. This learning program aimed to educate students about community policing, emergency response, and social responsibility.

Hindi is our mother tongue, we have to recognize and respect its greatness. On Hindi Day, DPS, Pre-Primary children of Shaheedpath understood and celebrated the importance of Hindi through various activities on September 13, 2024, Friday.

DPS, Shaheedpath was filled with joy and enthusiasm on September 21st, 2024, as our Pre Primary students celebrated "Grandparents' Day" with their cherished grandparents. The event began with a hearty welcome for the distinguished grandparents. The children were eager to showcase their talents to their grandparents. They took the stage and captivated everyone with their dancing, poetry, and singing skills. The grandparents cheered and clapped for their grandchildren, beaming with pride and joy.
