## Career Options in Law

With an aim to expand, explain and evolve the highly rewarding profession, the principal of Delhi Public School, Shaheedpath Ms Manju Lakhanpal invited Mr. Debajyoti Das, Graduate of National Law University, Raipur. AIR 20 NLSIU(2006), Ex Consultant Amardas Mangaldas. He motivated the students about the career options available in Law and its related fields. He discussed in length Law as a career. He also explained students about NLU's i.e., National Law Universities which are premiere institutions for legal education in the country established by the state legislatures.

## CUET

In this era of fierce competition, the introduction of the CUET has seen an impressive 44,000 students achieving a remarkable 95% score. However, before delving into the realm of competition, it is imperative to first crystallise one's goals. Beyond India, the US, UK, Germany, among others, offer a rich tapestry of opportunities. They further discussed about Scholarships, that are a boon in foreign universities, but timing is crucial.

## U.P. SKILL QUEST-2023

DPS Shaheedpath believes that it's important for students to participate in competitions as they learn a great deal by participating in a competition. We keep giving our students the opportunity to participate in various events. Recently, our students participated in UP Skill Quest-2022 organised by U.P. Government. They participated in School India Quiz wherein 45 schools from across the state had participated.

## Psychology Enrichment Activity

Attention is a state of consciousness in which a person can respond to a stimulus or stimuli. In Psychology, a stimulus can be a required task, an object, or an event that requires a response. Attention is a combination of how long a person can focus and how many things they can focus on. In today's activity children were asked to figure out any 10 advertisements which caught their attention and were asked to describe what that advertisement was all about and why it captured their attention.

# NEWSLETTER

The most awaited event 'Dandiya Night' which was a culmination of Inquizest 2023. Children were very excited to be part of this as they could let their hair down with a night of fun, frolic, dance and food. The school band gave a musical rendition of Medleys which was an instant hit with the audience. There was a live performance by Friendship Band which was thoroughly enjoyed by all the students and parents alike. The DJ played vibrant garba music that set the stage on fire with the crowd dancing to the tunes wearing vibrant and ornate traditional Indian clothing while also relishing the best of Lucknawi cuisine offered in various food stalls organised by DPS Shaheedpath.

## **AUTOBIOGRAPHY OF A BICYCLE**

Hello ! I am a bicycle. I was born in bicycle factory where I was put together by skilled workers. A young girl, Isabella chose me and we became friends. I took her to school nicely and we had so much fun together . She painted my frame with purple colour and named me Bell. I felt so special that time. I visited various places with Isabella and met many of her friends .We went on a picnic with them and had great fun. We even participated in cycle race competition and won first prize. As the years passed , Isabella grew and even I got little rusty, but we never stopped our fun and adventure together . I am grateful to my rider who made my journey so special.

Thank you

## **WHAT IF I AM HOME ALONE**

Whenever I am alone at home, I mostly do dancing, crafting and painting. I enjoy myself and at the same time hope that maa will come soon. Once when I was in Hyderabad, maa went to her office, I prepared lemonade. I was eagerly waiting for maa and papa to come back soon. When it was taking too long, I felt hungry. I opened the fridge and found some bread slices and cheese. Then I went into the kitchen, searched for griller and started preparing cheese sandwich. The griller was kept at the top shelf and I was unable to reach out. Then I brought a chair, stood on it and took it off, I was so happy. I grilled the sandwich and had it in my evening snacks. I enjoyed it with lemonade which I made already and my favourite cartoon Doraemon. Meanwhile, maa just entered the house. I offered her that sandwich, she was so proud of me and also enjoyed the sandwich but she instructed me not to use gas-stove, matchstick in her or any elder's absence.

## अध्यापन की महिमा

हर बच्चे का जीवन में कुछ अनोखा करने का अपना नजरिया होता है। कभी-कभी माता-पिता भी अपने बच्चों को डॉक्टर, इंजीनियर, आईएएस या पीसीएस अधिकारी, या किसी अन्य उच्च-स्तरीय पेशे जैसे उच्च व्यवसायों में होने का सपना देखते हैं। बच्चों या माता-पिता के ऐसे सभी लक्ष्यों को शिक्षा द्वारा ही प्राप्त किया जा सकता है।

इस प्रतिस्पर्धी युग में, जीवन के लक्ष्यों को प्राप्त करने के लिए सभी के पास अच्छी शिक्षा और अच्छा ज्ञान होना चाहिए। शिक्षा न केवल अच्छी नौकरी देती है बल्कि जीवन को नए नजरिए से समझने की क्षमता भी बढ़ाती है। सभ्य शिक्षा जीवन में आगे बढ़ने के कई रास्ते बनाती है। यह हमारे विशेषज्ञता स्तर, तकनीकी क्षमताओं और उत्कृष्ट कार्य में सुधार करके हमें बौद्धिक और नैतिक रूप से शक्तिशाली बनाता है।

साथ ही, कुछ बच्चे अन्य क्षेत्रों जैसे खेल, नृत्य, संगीत, और भी बहुत कुछ में रुचि रखते हैं, वे अपनी संबंधित डिग्री, अनुभव, प्रतिभा और भावना के साथ अपनी अतिरिक्त शिक्षा कर सकते हैं।
