"Every new beginning comes from some other beginning's end". The glitter, excitement and enthusiasm of the Freshers and Farewell Party took everyone metaphorically to the world of Scintillating Glitterati. All activities designed for this party were fulfilled. ## **A Girl is a Shining Pearl**

I am a beautiful girl,  
Let me shine like a shining pearl.  
I am a flying bird,  
Let me see this beautiful world.  
People do everything for a boy's birth,  
But girls are killed before their birth.  
Because of people I shiver with fear,  
That's why my eyes are full of tears.  
Today the girls are so sad, you can say,  
Because they are treated in a very bad way.  
Please try to listen to a girl's cry,  
We can together make a change if we try.

# Stages of Life

Riddhika Singh  
X C

All the way through the aisle  
I lay back straight  
Finding a reason to smile  
To smile, I wait.

Waiting,  
I think of the days when I was born  
With my body so small  
With joy and happiness and nothing to mourn  
But to play with young and beautiful dolls.

Waiting,  
I remember the days when I used to go to school  
Where I found wonderful teachers and friends;  
Some of whom were mulish and some were cool  
Oh, I did not know this is the way it ends.

I want to free this world from bad people  
And eradicate resentment and strife,  
Then I realise it is just a thought  
Or mere stages of life...
