**That mother who gave birth
Cries today holding his lifeless body**

**That sister who fought with him
Begs him to come back
That father hides his tears
Tries to console others
But is broken inside.....**

That wife dressed in red for her Valentine

**Is now in pale clothes.....
Crying, screaming and begging
Still expecting him to wake up
From his sleep.....**

**That baby girl sits there
Waiting for her father to hold her
To hug her and make her feel secure
Everyone knows but fail to accept
He is there in Heaven watching over them
But not saying a word.....**

My Vision as a French Teacher

Rekha Rai
Teacher

En tant que professeur de français, mon objectif n'est pas seulement d'enseigner le français, mais aussi d'aider mes étudiants à profiter de l'expérience multiforme et des avantages pratiques de l'apprentissage d'une langue romane. Le français peut aider les gens à explorer une culture étrangère et leurs œuvres et en même temps ajouter un avantage frappant à leurs réalisations.

Cela peut offrir une multitude d'opportunités non seulement dans le monde professionnel, mais aussi les aider à se démarquer dans la société.

.....वाहु रे ! वसंत

एक डाली बोली, दूसरी डाली से
सुन जरा ! तू है हम सबसे अलग तरह।
वसंत आते ही, तेरी डाली पर आती है
कोमल नई-नई पत्तियाँ हरी,

हवा चलती है, जब मस्त होकर
तू इठलाती-झूमती है हँस हँस कर
देखकर तूझे लगता है, कि मौसम बदल गया है,
शीत के बाद वसंत आ गया है।

वृक्षों पर सब तरफ है हरियाली—हरियाली
पतझड़ से जो डालियाँ हो गई थी विरान
आज वो हँस हँसकर चढ़ गई थी परवान
वाह रे! वसंत तू है बड़ा अंजान
तू ने किया है सुंदरता से सबको हैरान
