A comprehensive and interactive career counselling session was conducted on 9th May 2025 for students of Classes X, XI, and XII in collaboration with Law Prep Tutorial, a leading institute for law entrance exam preparation. The session aimed to provide clarity on law as a career option and guide students on how to prepare effectively for CLAT, AILET, and other competitive exams.

On 6 May, 2025 a group of 40 students from Class XI and XII embarked on an enriching educational trip to the Uttar Pradesh Vidhan Sabha in Lucknow. The trip aimed to provide students with a firsthand experience of the functioning of the state legislature and its significance in Indian democracy. Upon arrival, the students were briefed about the history and architecture of the Vidhan Sabha building.

Delhi Public School Shaheedpath organized an engaging and interesting inter-house Book Talk Show for the students of classes XI and XII, aimed at nurturing creativity, critical thinking, and a love for literature. The event featured an imaginative twist - students of class XI stepped into the shoes of authors, presenting their books with originality and flair. Meanwhile, class XII students showcased book trailers, creatively summarizing plots, themes, and characters through compelling visual storytelling.

On the vibrant occasion of International Dance Day, DPS Shaheedpath hosted an exhilarating Inter-House Dance Competition that brought the stage alive with color, energy, and creativity. Participants from all four houses — Vaayu, Agni, Neer, and Prithvi — mesmerized the audience with their graceful moves, powerful expressions, and innovative choreography.

DPS Shaheedpath successfully hosted a two-day Model United Nations conference, NITIVIMARSH, marked by vibrant discussions, critical thinking, and diplomatic simulations. The event witnessed enthusiastic participation from students of various schools across the city, making it a hub of intellectual exchange and collaboration. Four dynamic committees – the United Nations Human Rights Council (UNHRC), All India Political Parties Meet (AIPPM), Joint Crisis Committee (JCC), and International Press (IP) – served as platforms for delegates to showcase their leadership, negotiation, and analytical skills.

The Magic of Books

Books are like magic. They take us to faraway places without moving from our bedroom. Just open a book filled with mystery... and step into a world of secrets and surprises! Some books make us laugh. Some books make us feel brave or happy. Books can even help us when we are sad. The characters in stories can become our friends. We cheer for them, cry with them, and learn from them. Sometimes, we see ourselves in those characters — and that makes us feel understood.

“Reading isn't just fun—it's the beginning of a magical journey that never truly ends.”
