Dear Parents

Hope you all are in good health during this pandemic. We at DPS Shaheedpath are always there to help and support our students in achieving their academic excellence with ease, comfort and keeping safety at priority. Keeping all safety measures we started our Physical offline classes from 27th October. We are now all set to conduct our first Preboards from 14th December for which all students of Classes X and XII need to be physically present in the school.

You are requested to ensure that your ward is sent to school following all the Covid safety guidelines.

Do not send your ward to school if he/she is suffering from cold and cough OR anyone in the family is Covid positive. (In such cases you need to submit a proper Medical report of the same)

It's mandatory for all the students to appear physically in school to write their Preboard Exam 1. Admit card of Final Exam will be withheld if any student does not appear for the Preboards without any valid reason.

We look forward for the cooperation from the parents in this tough times to help our students achieve the desired results.

Stay safe and healthy.

Thanks
