## Maintaining Cleanliness and Discipline in School

Dear Parents,

The school premises are a shared space that should be kept clean and presentable for everyone. Writing on walls and doors not only damages school property but also creates an unpleasant environment for students, teachers, and visitors.

All students are strictly instructed to refrain from such activities. Anyone found defacing school property will face strict disciplinary action. We urge everyone to take responsibility for keeping our school clean and to report any such incidents to the teachers or administration.

Parents, we sincerely hope that you will prioritise these guidelines and assist your child in comprehending the stark contrast between right and wrong, upholding privacy and making informed decisions during this tender yet crucial stage of their development.

Let us work together to maintain a respectful and clean learning environment.

Should your child be found participating in such action, appropriate disciplinary measures will be enforced.
