### **Whimsical Halloween Wonders at DPS Mohali**

Friday October 31, 2015 The Pre-Primary Wing of Delhi Public School came alive with colors, costumes, and creative energy as young learners celebrated a Spook-tacular Halloween Bash on campus. The day was thoughtfully planned to give children a blend of fun, imagination, and hands-on learning. Students enthusiastically participated in Halloween-themed craft activities, designing vibrant masks, pumpkins, and spooky characters. The campus buzzed with excitement as children arrived dressed in charming and quirky Halloween costumes from little witches and wizards to friendly ghosts and superheroes. Lively music and dance added to the festive spirit, making the celebration joyful and memorable.

A special highlight of the event was the Halloween Wacky Parade, where students proudly showcased their creativity and costumes while moving around the school with confidence and cheer. The little ones also enjoyed their party tiffin, sharing treats and laughter with friends. The celebration provided a wonderful opportunity for students to express themselves, build social skills, and experience the joy of community events in a safe and cheerful environment.
