DPS Mohali Celebrated Guru Purab with fervour & enthusiasm

On Tuesday, November 4, 2025, DPS Mohali witnessed a heart-warming celebration by presenting a soulful Special Assembly on Gurupurab, honouring the divine teachings of Guru Nanak Dev Ji. The young learners recited the sacred Mool Mantar with deep devotion and beautifully highlighted the core principles of Kirat Karo, Vand Chhako, and Naam Japo.

Adding to the spiritual experience, the pre primary classes visited the Gurudwara, where children paid obeisance and received kada prashad with reverence. Their melodious chanting of “Satnam Waheguru” filled the environment with serenity and peace. The school choir presented a soulful Kirtan performance where the young children chanted Gurbani with devotion and purity.

In the classrooms, students also engaged in creative craft activities—making beautifully decorated Ek Onkar symbols, diya art, and paper kirpans—reflecting their understanding of Guru Nanak Dev Ji’s teachings through art and creativity.

The assembly, Gurudwara visit, and craftwork truly embodied the values of truth, compassion, and selfless service, leaving everyone inspired and connected in the spirit of harmony and faith.
