Earth Day Celebration at Delhi Public School Mohali

Delhi Public School, Mohali celebrated Earth Day on 22nd April, 2026 with great enthusiasm through a series of engaging, eco-conscious activities aimed at fostering environmental awareness among students across all classes. The celebration began with a special morning assembly where students collectively took a solemn pledge to protect and preserve the Earth, emphasizing sustainable living, responsible consumption, and active participation in environmental conservation. A variety of thoughtfully designed activities were organized for students of different age groups. Tiny tots participated in joyful and experiential learning through activities like a germination activity, planting saplings, a lively Green Day celebration where they dressed in green and shared green objects and food, a 'Hug a Tree' activity, and a refreshing nature walk, helping them connect closely with nature. Middle wing students expressed their creativity through a 'Best out of Waste' activity and a Poster Making Competition on the theme 'Future Earth: My Responsibility,' showcasing their ideas for a sustainable future. Senior students participated in a Slogan Writing Competition titled 'Earth in 2050 – A Warning or Hope?' presenting powerful messages that reflected both concern and optimism for the planet. Additionally, creative activities such as the 'Recycled Bottle Planter Activity' and 'Blue & Green Bin Sorting Activity' helped reinforce practical understanding of recycling and waste management. Teachers guided students about the importance of Earth as our provider of life and shared simple ways to care for the environment. The event successfully instilled a strong sense of environmental responsibility among students and reinforced the message that every small step counts in protecting our planet. The enthusiastic participation of students and teachers in making the celebration meaningful and inspiring was lauded by the school administration.
