World Book & Copyright Day Celebrations at DPS Mohali

DPS Mohali marked World Book & Copyright Day on April 23, 2025, with an engaging DEAR (Drop Everything And Read) session. Students from Classes I to X enthusiastically participated, bringing their favourite books, magazines, and newspapers. This activity promoted reading habits, literacy, and learning, allowing students to explore various genres and develop a love for literature.

The school also hosted a book reading session for class Nursery in the school library, where parents and children engaged themselves in the interactive reading experience. The session aimed to promote reading habits and strengthen parent-child bond with the Book Buddy Program.

The DEAR session provided a platform for students to discover new authors, expand their vocabulary, and enhance their critical thinking skills. By immersing themselves in the world of written words, students cultivated a deeper appreciation for the joy of reading.

By celebrating World Book Day, the school reinforced its commitment to nurturing a culture of reading and intellectual growth among its students. This initiative aims to empower young minds with the gift of knowledge and inspire a lifelong love for learning.
