Delhi Public School Mohali Celebrates Friendship Day with Special Assembly

Delhi Public School Mohali recently held a special assembly to commemorate Friendship Day, highlighting the significance of camaraderie and bonding among students. The event featured captivating performances and presentations that showcased timeless tales of friendship from Indian mythology. Students brought to life the iconic friendship of Krishna and Sudama and other legendary pairs, demonstrating the values of loyalty, empathy, and trust that define true friendship. Through these stories, the students celebrated the spirit of friendship and its impact on personal growth and relationships.

The assembly aimed to foster a sense of unity, compassion, and mutual respect among the students, while promoting the values of friendship that transcend time and generations.

DPS Mohali remains committed to nurturing the emotional and social intelligence of its students, and this special assembly was a testament to the school's efforts in shaping well-rounded individuals.
