DPS Mohali Hosts Charter Presentation and Installation Ceremony of Interact and Early Act Clubs

Mohali, August 5, 2025 – Delhi Public School, Mohali marked a significant milestone in its journey of holistic education and student empowerment by hosting the Charter Presentation and Installation Ceremony of its first-ever Interact Club and Early Act Club on August 5, 2025. The event celebrated the spirit of service, leadership, and community engagement — values deeply embedded in the school's philosophy.

The ceremony was graced by Chief Guest Rtn. Aameep Sinha, President of Rotary Club Mohali Midtown. He was joined by a distinguished delegation of Rotarians including Rtn. Kuldeep Singh Dhodhy, Vice President; Rtn. Amanpreet Singh, Director – Youth Services; Rtn. H.S. Marwaha, Club Trainer; Rtn. Manjeet Singh Kohli; Rtn. Rajeev Makkar, Club Treasurer; and Rtn. Manpreet Kaur, Chairperson Youth Services. Their presence reflected the strong collaboration between DPS Mohali and Rotary Club Mohali Midtown in fostering youth leadership.

The program commenced with the solemn recitation of the Rotary 4-Way Test, setting the tone for the day. It was followed by the Charter Presentation for the Interact Club and Early Act clubs by Rtn. Aameep Sinha to the school, who then collared the Interact Club President, Naunidh Kaur Sachdev of Class X. The distinguished Rotarians pinned the badges on to the Executive members of the two clubs, thus vesting them into their new roles. Cultural performances brought life and meaning to the ceremony – "The Voice of the Heart", a musical performance, echoed the theme of compassion and connection, and "The Common Thread", a powerful dance piece, beautifully depicted unity and collective responsibility.

Naunidh Kaur Sachdev, the newly installed President of the Interact Club, articulated the vision and aspirations of the club with conviction and grace. Esteemed Rotarians addressed the gathering, motivating students to lead with empathy, think globally, and act locally. Their words left an indelible impression on the young minds, reinforcing the values of Service Above Self.

Adding depth and relevance to the event, Ms. Shabnam Bala and Mr. Jyotiraditya Singh Rana from Stellar Cyber Analytics Pvt. Ltd. conducted an engaging session on cybersecurity, offering valuable insights to the students and encouraging responsible digital citizenship.

The event culminated with the National Anthem, followed by a Tree Plantation Drive, symbolizing growth, responsibility, and a greener tomorrow.

With this installation, DPS Mohali embarks on a new chapter — one where students are empowered not just to excel academically but also to contribute meaningfully to society through leadership, empathy, and service.
