Principal's Message

Divine Providence School, a co-ed English-medium school with students from Nursery to Class 8, is one of the premier educational institutions in Raebareli, U.P. Established in 1990 by the Most Rev. Isidore Fernandes, then Bishop of the Roman Catholic Diocese of Allahabad, the school has been rendering exceptional service in pre-primary and elementary education.

The school is known for its holistic and high-quality education. Our curriculum integrates a wide range of activities designed to build a strong academic foundation while emphasizing practical skills from an early age—ensuring a lasting impact throughout students' lives. At DPS, we nurture the spiritual, intellectual, emotional, and physical growth of each child with great care and attention.

The lush green campus, adorned with tall trees, gardens, and vibrant flowers, creates an atmosphere conducive to learning. DPS strongly emphasizes the play-way method of learning, where education is imparted through joyful and experiential methods. To realize its vision of holistic education, the school organizes various functions, workshops, and interactive sessions for students and teachers. Numerous co-curricular and extracurricular competitions are conducted to encourage well-rounded development.

Student activities are carefully structured according to age and learning levels. Academic competitions include writing, recitation, storytelling, elocution, essay writing, and quizzes. In the cultural segment, students participate in singing, dancing, fancy dress, rangoli, art, drawing, and painting competitions. The morning assembly features student-led presentations such as "Thought of the Day," news reading, and speeches on current topics or academic subjects. In the realm of sports, students engage in both indoor and outdoor activities. Additionally, national and religious festivals are celebrated to foster social and cultural awareness. These multifaceted activities have drawn the attention of many parents, who feel confident in choosing DPS for their children's education. Parents trust that, upon completing their schooling here, students will develop self-confidence and a positive outlook—equipping them to face challenges and adapt to various life situations. This newsletter offers a glimpse into the vibrant life and activities at Divine Providence School as it continues on its path of progress.

Many individuals have contributed to the school's growth. I extend my heartfelt gratitude to our Chairman, the Most Rev. Louis Mascarenhas, Bishop of the Roman Catholic Diocese of Allahabad, for his unwavering support and encouragement. We fondly remember the late Bishop Isidore Fernandes, under whose leadership the school was founded, and acknowledge Bishop Raphy Manjaly for his efforts in accelerating the school's development.

We deeply appreciate the contribution of pioneers the Late Miss Ruby Parcel, the Late Rev. Fr. Anacletus D' Souza, the Late Rev. Fr. Henry Soares who faced numerous challenges yet remained steadfast in their commitment. Our sincere respect and gratitude goes to former principals Rev. Fr. Charles D' Almeida, Rev. Fr. Herald Tauro, Rev. Fr. George Rodrigues, and Rev. Fr. Anand K. V. John. We also extend special recognition to the former principal, Rev. Fr. George Madathilkudiyil, for his pivotal role in the school's recent advancements.

I would also like to express my gratitude to all the teachers and staff, past and present, whose dedication and hard work have been instrumental in the school's success. Finally, I thank the editorial team for their efforts in compiling information, gathering photographs, and assembling this newsletter.

Wishing you all an enjoyable and insightful read.
