**Summer is a time to relax, be productive and to get ahead.**

To enhance your learning, we have planned activities to sharpen your skills and revise your concepts. Use your energy and give wings to your creativity. It will surely enhance your learning process.

Relax, enjoy, have lots of fun and come back refreshed.

Let's Start...

- ✦ Help your mother in laying the table and cleaning it.
- ✦ Take two old cups or bowls, fill one with water and other with seeds and keep it outside for birds to drink and eat.
- ✦ Switch off lights, fans and ACs when not in use.
- ✦ Remember and use magic words– **Please, Thank You & Sorry.** Use them in your daily routine.
- ✦ Revise all the written and oral work done till date 15.05.24 in the class.
- ✦ Do one page writing in English Cursive writing book as when you are free.

**Charge your skills ...**

**Learning beyond Classroom...**

Students will explore the state of **Meghalaya- 'Abode of clouds'** through books, videos and will prepare a Creative Homework, according to roll numbers, as mentioned below:

Roll No: 1-13

## Maths

Meghalaya is also known as the "**abode of clouds**" due to the large amount of rainfall, so let's explore it.

- ❖ Students will count and write the number of waterfalls they can find in Meghalaya
- ❖ Draw and colour shapes inspired by traditional Meghalaya patterns or designs
- ❖ Create a **collage** showing the favourite local fruits or vegetables in Meghalaya
- ❖ Learn a **local Khasi** or **Garo number rhyme** and perform it in class after the holidays

Roll No: 14-27

## EVS

Meghalaya: Let's discover - **The Land of the Looms**

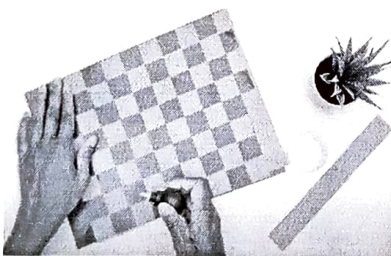

Let's get creative with a paper mat inspired by the rich weaving tradition of Meghalaya.

You can use waste paper [Newspapers/Shredded Cloth] or colourful paper strips to weave your own unique design just like the skilled artisans of Meghalaya.

NOTE: Project must be completed using A4 size sheets
