BUS SERVICES - RULES AND RESPONSIBILITIES

Do's and Don'ts

School and Teacher role:

It will be mandatory that students be provided instructions in school on bus safety and receives one evaluation procedure at least once a year. Teachers will take the opportunity to impart safety instructions and material in the classroom.

- Teachers will send students on time for the buses, lest they hasten/run to catch their buses.
- Teachers should discourage students to carry bulky projects that might block aisles.
- Speak positively to students about transportation safety. E.g. Travel by school bus.
- Class Teacher should know number of students traveling by school bus.

Teachers should have a good knowledge of local rules and regulations regarding transportation. Transport staff to assist if needs be.

Student Role, Rules and Responsibilities :

The school provides a fleet of buses for the conveyances of the students to commute from home to school. Following are the rules regarding School Transportation:

- Always board the school bus with your School and School bus ID cards.
- Arrive at assigned bus stop five (5) minutes before school bus arrives.
- A student will not be allowed to board another bus than which he/she is assigned.
- Students will board the buses in an orderly manner, give priority to younger students.
- The following acts are considered serious violations:
 - o Discourtesy and disobedience to the driver or conductor.
 - o Changing places frequently while the bus is in motion.
 - o Discourtesy to other children.
 - o Pushing, jostling and screaming when boarding the bus.
 - o Trying to distract the bus driver's attention.
 - o Destroying bus property.

- In the event, of child being involved in a discipline problem while riding a bus, the Principal, at his/her discretion, may take any disciplinary action, even suspend the offender from use of bus.
- Any request to change the bus route/stop must be submitted to the Principal prior to the change that is to be made. Bus monitors shall be assigned to help maintain discipline.
- Parents shall give a written undertaking if using school bus that the School will not be held responsible for any damage injury/loss of life and/or property due to any accident and or otherwise failure to pick up or reach the students in time.

- The bus service is liable to be withdrawn or changed from any area as and when found not feasible. Also transport charges may be increased when the need arises and without prior notice.
- A calendar month's notice must be given in writing before withdrawing a pupil from the bus. However students, who have availed of the School transport for the second and third quarters, will not be allowed to discontinue it for the last quarter.
- If student reports sick during school hours, get gate pass duly filled for transport staff to be notified.
- GPS tracker and log-in details will be shared to all parents to track the buses on route, please avoid calling driver or conductor while on route unless very necessary. It creates confusion.
