Field Trip

**A visit to Jharkhand Government Tool Room,
Tatisilwai, Ranchi**

13th May 2025 & 14th May 2025

A field trip was organised by Holy Child Public School for the students of Class X on 13.05.2025 (Tuesday) & 14.05.2025 (Wednesday). The visit was organized to provide students with firsthand exposure to industrial training facilities and enhance their understanding of vocational education and modern manufacturing technologies. During the two-day visit, students were introduced to various departments of the Tool Room. Experts from the institution gave live demonstrations and explained the practical applications of different tools and machines used in the manufacturing industry.
