

Loreto Convent Intermediate College

Lucknow

SUMMER HOLIDAY HOMEWORK (2026-27)

CLASS – VI

SUBJECT: BIOLOGY

Note: Project to be done on interleaf sheets

“MY FIRST HERBARIUM”

PROJECT:

Collect 10 different types of leaves. Dry these leaves and paste on plain side of interleaf punch sheets. On ruled side write the description of the leaves under the following headings:

1. Shape of the leaf
2. Margin of the leaf
3. Venation of the leaf
4. Simple Leaf or Compound Leaf
