Lucknow

GEOGRAPHY

CLASS XI

HOLIDAY HOMEWORK

Select any one Topic from the following.

(i) Choose any island area of the world or India and:

(a) trace the map of the area and show physical features, towns and port cities.

(b) prepare a project report using photographs and pictures from brochures and magazines to show:

— its origin and formation.

— soil types, vegetation.

— human occupations.

(ii) Any natural hazard like drought, flood, erosion, landslides, etc. in a local area.

Choose a natural hazard in the local area. Describe the nature of damage by consulting newspaper reports, studies, interviews with local people. Identify the nature of damage before and after—land, building, public property, soil, vegetation, animals, etc. What are the chances of it occurring again and what precautions are being taken?

GENERAL INSTRUCTIONS

- The project should be of a maximum 20 pages
- Use OHP sheets for project covers.
- No hard bound covers are allowed.
- Use of pictures, maps and diagrams is mandatory.
