

Loreto Convent Intermediate College

Lucknow

Class 11th Mathematics(2025-26)

Term-wise Syllabus Break-up

Book: Understanding Mathematics

M.L. Aggarwal

Quarterly Test Syllabus:

1. Set Theory
2. Relations and Functions
3. Trigonometry Functions

Half-Yearly Examination Syllabus:

CODE – 860

1. Complex Numbers
2. Quadratic Equations
3. Quadratic Inequalities
4. Permutations and Combinations
5. Binomial Theorem
6. Conic Sections
7. Statistics

CODE - 885

1. Logarithm
2. Complex Numbers
3. Quadratic Equations
4. Quadratic Inequalities
5. Permutations and Combinations
6. Binomial Theorem
7. Annuity
8. Statistics

Final Examination Syllabus:

CODE – 860

1. Sequence and Series
2. Straight lines
3. Circles
4. Limits and Derivatives
5. Probability
6. Introduction to 3-D Geometry

CODE - 885

1. Sequence and Series
2. Straight Lines
3. Circles and Parabola
4. Limits and Derivatives
5. Probability
6. Mathematical Reasoning
7. Taxation
8. Utility Bills
