

## NOTICE

### Change in Subject Choice Page – Class XI Admission 2026

Dear Parents/Guardians,

This is to inform you that parents/guardians who have already collected the Class XI Admission Form for the 2026 academic session on or before 25th February 2026 are requested to replace the previously issued Subject Choice page with a revised Subject Choice page, due to an update in the subject options.

The revised Subject Choice page is available at the School Office and must be collected and substituted in the admission form at the earliest.

Kindly ensure that the updated Subject Choice page is used at the time of submission of the admission form, as the earlier version will not be accepted.

Thank you for your cooperation and understanding.
