

Loreto Convent, Asansol.

8th February 2021

Subject: Re- opening of Schools – Classes IX to XII

Dear Parents,

This has reference to the communication dated **04.02.2021** from the 'Directorate of School Education', Govt. of West Bengal regarding re-opening of Schools w.e.f 12th February 2021 and further to the advice from the ICSE/ISC Council on the captioned subject. This is also in continuation to the questionnaire that we had sent on the subject matter.

Consequently, we have decided to re-open the school for classes IX to XII w.e.f 12.02.2021 for **Doubt Clearing and Practical Classes**, with a maximum of 50% attendance at a time. The Practical Classes will be held for Classes X and XII only. The detailed criterion regarding attendance shall be intimated to you in due course.

As informed earlier, we have also decided to conduct the Pre-Board / Mock examinations physically from March 2021 onwards. Nevertheless, if your ward is indisposed, you are advised not to send her to school.

It is imperative that you maintain the COVID norms and adhere to the guidelines framed by the Govt. in this matter. We on our part will ensure compliance of all the safety norms/measures in place while the students are inside our School Campus.

Thanking you and looking forward to your support and co-operation.

With regards,

Mrs. J. George
Principal
