

Dear Parents,

Greetings!

We hope that you are safe and healthy.

*We are very excited and truly privileged to share with you our maiden venture in bringing out our school e-magazine **Loreto Delhi Digitales - Lockdown Diaries** for the academic session 2020-2021.*

Life has changed for all of us. The dynamic, virtual world has now taken center stage and opened up a myriad of opportunities for each one of us. Exploring and connecting in this new world has been a learning and rewarding experience for us. Our e-magazine is another platform for our students, teachers and parents to express themselves, scale new heights in creativity and also to connect with each other.

The e magazine has the ability to accommodate a wide range of expressions such as articles, stories, poems, book reviews, dance, songs, videos, podcasts, fine arts, jokes, riddles, puzzles, quiz, lockdown lessons and so on, thereby opening countless windows of opportunity to unleash your creativity. Our first edition will be launched in November 2020 and will be centered around the pandemic, the lockdowns and the tremendous impact it has had on our lives. We eagerly look forward to hearing about your experiences, thoughts, views and learnings during this period through your preferred form of expression. We are sure it will be an empowering and joyful experience and we look forward to sharing and displaying them on our new platform.

When you finally swipe through the pages of our e-magazine, we hope it brings us closer as we get a glimpse into each other's lives. We truly believe that this venture will be an uplifting and refreshing experience and hope to offer you engrossing moments presented as a visual treat.

We therefore invite students from all sections, teachers and parents to contribute whole-heartedly towards our e magazine and discover the hidden talents and gifts within.
