

MESSAGE FOR E MAGAZINE- 2nd edition

Dear Parents,

We express our heartfelt gratitude to you parents and students for your support in bringing out our first quarterly school e-magazine, Loreto Delhi Digitales.

Its maiden edition, Lockdown Diaries, has received accolades and applauses from all concerned. For this we are thankful to you.

The time has come now to commence work on the second edition of Loreto Delhi Digitales. We have come a long way in the last few months. We have adapted to a new way of life. However, while doing so, the one fact staring in the face is the importance of our emotional well-being. Our students have exhibited uninhibited resilience and accomplished a lot in coping with the current scenario. Their coping mechanism could have been in the form of art, poetry, learning a new skill or even a language. And we are ever so proud of them, that we wish to showcase their talents and achievements in our e-magazine. To this effect, we shall bring out the next edition titled 'SOUL TALK'.

We request you to encourage your ward to send the entries to the loretoemagazine@gmail.com and the junior school entries to Loretoconventjunior@gmail.com. We also request you to remember the following points when the entries are sent.

- The student's name, class and the language of their entry (whether Hindi or English) must be mentioned in the subject line of your mail.*
- The type of entry to be mentioned- poem, story, article, art, etc.*
- A photograph of the student in school uniform to be attached along with the entry.*

Once again, we thank you for your whole hearted cooperation and constant support in all our endeavours.

Regards

E magazine Team
