CLUBS 2026-27

Dear Parents,

We are pleased to inform you that a variety of **Club Activities** shall be available for students of the **Junior, Middle and Senior School** at Loreto Convent School, Delhi for the upcoming academic session **2026-27**.

These clubs aim to nurture students' talents, encourage creativity, promote teamwork, and help them develop skills beyond the classroom. The idea is to give the students an introduction so that they can explore their hidden talents.

Schedule of Club Activities:

- **Middle & Senior School:** Monday and Tuesday
- **Junior School:** Wednesday and Thursday

Each student is required to choose any **ONE** club for the first term and **ONE** for the second term. Please note that the children should be ready with at least three to four choices as the number for each club per class is limited. The children will have to choose for both the terms at the beginning of the year itself. Only the students choosing **Bagpipes, German and French** shall continue for **both the terms** to enable them to develop competence and expertise in the language.

Kindly guide your ward in making an informed choice based on her interest and aptitude. The choice shall be made on the 13th of April in the classes itself and the clubs shall begin on the 20 of April 2026.
