LCS/Notice/2026/-10

Dear Parents,

Greetings from Loreto!

This is to inform you that the Delhi Cantonment Board has undertaken a major drainage improvement project to enhance the stormwater drainage system in the area and prevent waterlogging during the monsoon. As part of this project, drain pipes are being laid along the boundary wall within the school grounds.

Additionally, washroom renovation work is currently in progress in the Agnes Walsh Building to further improve the school's infrastructure and facilities.

We would like to assure you that the safety and security of our students remain our highest priority. All workers engaged in these projects are strictly monitored by the school staff on duty, and the work areas have been appropriately secured to ensure that there is no disruption to the regular functioning of the school or compromise to student safety.

We appreciate your understanding and cooperation as we undertake these essential infrastructure improvements.

Warm regards,

Mrs. Alice Rose D'Lima

Principal
Loreto Convent School
Delhi Cantt-10
