Dear Parents,

Greetings!

This is to request you to please refrain from sending your ward to school in case she shows any of the following or similar symptoms like fever, sore throat, tiredness, painful ulcers, sores on the inside of the mouth and tongue, and blisters or rashes on the hands, feet, buttocks, elbows, and on the back of the knees.

This is to take precautionary measures against the spread of the Hand Foot Mouth Disease (HFMD) or any other infection.

Seeking your kind cooperation in this regard.

Regards

Sr Monica Rozario
Principal
