

Dear Parents,

As you are aware, our school visits different homes/centres in an effort to make a small difference in the lives of the less privileged. In the month of December, the school organizes programmes for two of these homes/centres.

One such programme is when the joy of giving and sharing is manifested in a simple Pre Christmas Celebration organized by the students of classes V and IX for the children and teachers of Loreto Mary Ward School, Umphyrnai (our twin school).

The second programme is 'We Care' for the aged and abandoned from Shanti Bhavan, organized by the students of classes X and XII. This programme inculcates the virtues of kindness, care, compassion and love for the aged/down-trodden.

However, these two events will not be successful without your cooperation and good will. A part of your contribution will also be sent to some Health Centres / Families in need. Therefore, we humbly request you dear Parents, to assist us in our endeavour by contributing the following items.
