To,

The Principal,
Loreto Convent School
Shillong

Subject: Invitation for School students to Participate in Khelo India Rising Talent Identification (KIRTI-My Bharat) Program.

Sir/Madam,

Government of India has a vision 2047 to make India amongst TOP 5 nations in the Olympic. To make this vision a reality the most important thing is talent hunt: searching a talent in every single corner of the country. For this, Ministry of Youth Affairs and Sports has initiated **Khelo India Rising Talent Hunt (KIRTI-My Bharat) Program** where young budding talent will be assessed and given chance to train in state-of-art sports facilities across India.

In this regard, it is giving us immense pleasure to convey that the KIRTI (My-Bharat) assessment and talent hunt program for **ATHLETICS, BOXING & FOOTBALL** is scheduled to be held in **Sports Authority India, SAI Training Centre, NEHU Campus, Shillong on 8th, 9th and 10th April 2024**. The registration for talent hunt program will be from 8.00AM-12.00PM and evaluation will be till 5.30PM on all three days.

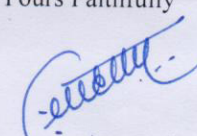

This program will feature a physical assessment (Fitness tests) on scientific lines and sports specific tests (Skill based tests) tailored to evaluate the potential in students of all ages and skill levels by sports specific coaches and sports scientist together. This assessment will help government to build repository of young talent with definite skillsets and give opportunity to harness the sports potential in young students. This KIRTI assessment program will provide a platform for young students to showcase their talents, develop their sports specific abilities, and experience the joy of competition in a supportive and inclusive environment.

We believe that the students of your school would greatly benefit from taking part in this assessment and talent hunt camp and we warmly invite you to encourage your students to take part. The entry is free and there is no age bar for participants. The students who are already registered on My Bharat portal for talent identification will be assessed. Those who have not registered yet can also come, however, they shall come with one working mobile number for on-the-spot registration. Moreover, we are expecting large number of students to come for this talent hunt program, so I would request you to send your Physical Education teacher to accompany school children to coordinate effectively. The parents will be allowed to accompany the students as well. Thank you for considering this invite, and we eagerly await the opportunity to collaborate with your school in promoting the importance of sports in education.

Should you have any questions or require further information, please do not hesitate to contact Sh. Gunin Changmai, Coach (9615602104).

Warm regards,

Yours Faithfully

(Triratna S Chavhan)
