HOW TO PREPARE FOR THE FAIR

1. Download the Handout

Read it before the fair to understand courses, majors, minors, entrance exams, application timelines and the kind of questions you should ask.

2. Shortlist What You Want to Explore

Think about the streams, careers, colleges or countries you are curious about, so you can use your time at the fair meaningfully.

3. Speak to Universities with Clarity

Ask universities directly about eligibility, fees, scholarships, campus life, admission process and important deadlines.

Scan • Read • Come prepared • Meet multiple universities in one place

Access the Fair Handout Before You Attend

Course options • Application & Profile Building Checklist & Roadmap • CUET • JEE • NEET Questions to ask universities • How to make the most of the fair
