Subject: Examination related expenses applicable from the Examination Year 2026 onwards.

Dear Principal,

Greetings from CISCE!

This is further to our circular dated December 23, 2024, regarding the revision in the Examination Fee from the Examination Year 2026 onwards.

Vide the said circular, the revised Examination Fee applicable from the Examination Year 2026 onwards will be as follows:

ICSE : ₹4350/- per candidate

ISC : ₹5450/- per candidate

The above-mentioned revision is a part of our efforts to streamline operations and ensure uniformity in the local fees charged from candidates and payments made to the Examination Functionaries across all Examination Centres/Schools concerned. From the **Examination Year 2026** onwards, CISCE will bear the examination-related necessary expenses. The revised Examination fee is comprehensive and includes the local expenses to be incurred for the conduct of the examination. **Accordingly, the schools are no longer permitted to collect any additional fees from the candidates for the conduct of the ICSE and ISC Examinations.**
