Dear Parents,

It brings me great pleasure to inform you that Loreto Dharamtala has been granted ISC affiliation from the academic year 2017 -2018 onwards. This is indeed a **great moment in the history of our school**. What makes this all the more honourable is that the affiliation has been obtained in the 175<sup>th</sup> year of celebrating Loreto in South East Asia. Presently we begin by introducing the Humanities stream. As we free ourselves from the space crunch, I am sure that we will offer both Science and Commerce streams in the near future.

On behalf of my entire Staff, I take this opportunity to thank Sr. Anita Braganza, our Provincial leader, Sr. Sabrina Edwards, our School Secretary and Sr. Molly Francis for their unstinting support.

An important milestone for Loreto Dharamtala indeed !!

God bless you,

**Mrs. A. Gomes**
