

Dear Parents and Students,

Wishing you a joyous and auspicious Diwali!
May the festival of lights bring love,
happiness, and prosperity to your families.
May the divine light of diyas guide you towards
success, peace, and fulfillment.

As we celebrate the triumph of good over evil, let us instill in ourselves and our children the values of compassion, kindness, and righteousness.

Warm greetings from Little Flower Convent School, Sangrur. May this Diwali bring you joy, prosperity, and happiness! ***
