

♥ Father's Day Activity Plan ♥

Let's celebrate our amazing dads with creativity and love!

To honour the love, care, and guidance of our beloved fathers, we have planned special activities for each class. These fun-filled activities will help children express their feelings and appreciation in their own heartfelt way.

📌 **Classes 4 and 5**

♦ **Photo Memories**

Students will create a collage, photo album, or decorative frame using pictures of special moments shared with their father. This activity will help them relive beautiful memories and celebrate their bond.

Suggested message to include:

"Thank you, Dad, for all the memories, smiles, and love we've shared. You mean the world to me!"

☀ **Let this Father's Day be filled with smiles, hugs, and heartfelt gestures from our little stars!** ☀
