"Founded with a vision, growing with excellence."

Mahanagar Public Inter College, established in 1995, stands as a beacon of quality education and holistic development.

M.P.I.C. was built with the vision of fostering every child's innate potential, with a deep-rooted belief in the transformative power of education, they also envisioned a school that not only imparts knowledge but also cultivates character, compassion, and creativity in young minds.

With our motto, "**Vidya Dadati Vinayam**" - Knowledge Imparts Humility, the school remains steadfast in its commitment to academic excellence, ethical values, and personal growth.

At M.P.I.C. education is more than just learning—it is a journey of discovery, discipline, and development. The institution emphasizes a balanced approach to learning, where intellectual rigor meets moral integrity, preparing students to excel in all facets of life. With a dedicated team of educators and a vibrant learning environment, we continue to shape future leaders who are ready to make meaningful contributions to society.

"Our Inspiration, Our Guide, Our Strength."

Late Mr. Shyama Saran Ji

**Founder M.P.I.C., Visionary leader, Educational
Pioneer and a Humble Servant of Humanity**

(03 January 1958 - 10 April 2016)

FOUNDER

Mahanagar Public Inter College

Our Respected Founder Sir, Late Mr. Shyama Saran Ji, was a humble servant of humanity and an educational pioneer whose life was dedicated to uplifting society through knowledge. He believed that education is the cornerstone of progress and founded Mahanagar Public Inter College with the vision of nurturing compassionate and responsible individuals. Guided by his principles of humility, perseverance, and integrity, he aimed to provide equal learning opportunities for all, empowering students to realize their potential and contribute positively to society. His leadership emphasized holistic education that blends traditional values with modern learning, preparing students for an ever-evolving world while staying rooted in their cultural identity.

Hon. Late Mr. Shyama Saran Ji
(1958 - 2016)
FOUNDER

He envisioned Mahanagar Public Inter College as a place where learning is joyful, meaningful, and transformative. Committed to fostering intellectual growth, moral values, and social responsibility, he inspired a student-centric approach that encourages creativity, critical thinking, and leadership. His dream was to see students excel not only in academics but also in character, guided by empathy, integrity, and respect for others. Today, his legacy continues to inspire the school to uphold his cherished values and nurture future leaders who contribute positively to society, just as he envisioned.

Honb'le Smt. Suman Lata Ji
CO - FOUNDER

Our Esteemed **Co-Founder Ma'am, Smt. Suman Lata Ji**, is a visionary leader and a humble servant of humanity whose unwavering dedication has been instrumental in nurturing Mahanagar Public Inter College. With compassion, wisdom, and steadfast commitment, she carries forward the legacy of preserving his vision of holistic education while guiding the school towards new heights of excellence. A true inspiration, Ma'am Suman believes in fostering an inclusive and nurturing environment where every student is encouraged to realize their full potential. Her leadership is marked by integrity, empathy, and a deep commitment to empowering young minds through knowledge.

Under her guidance, the school continues to grow and progress, seamlessly blending traditional values with innovative educational practices. Her commitment to excellence and social responsibility inspires students and educators alike to strive for greatness while remaining grounded in humility.

She leads by example, encouraging intellectual curiosity, creativity, and character development. Guided by her vision, our school thrives as a center of learning and enlightenment, nurturing future leaders who are compassionate, capable, and committed to contributing positively to society.

"True leadership is not about power or authority; it's about inspiring others to dream more, learn more, do more, and become more. Great management turns vision into reality with wisdom, integrity, and compassion."

From Director's Desk....

Mr. Deepank Kansal
DIRECTOR

At Mahanagar Public Inter College (M.P.I.C.), we have always believed that education is not merely about academic excellence but about the holistic development of every child who walks through our gates. With a firm foundation laid by our visionary founder, Late Shyama Saran Ji, our school has consistently strived to nurture young minds with knowledge, creativity, and discipline. Today, as we stand at the cusp of a new era in education, we proudly align ourselves with the vision of the National Education Policy (NEP) 2020, introduced by the Government of India.

As we step into a transformative phase of education, we are dedicated to embracing the essence of the National Education Policy (NEP) 2020, introduced by the Government of India. The policy emphasizes skill-based learning, critical thinking, and practical knowledge, and we are proud to say that our curriculum is progressively aligned with these objectives.

Our approach to education is designed to prepare our students to meet future challenges with confidence and competence, ensuring they are not just academically sound but also creative problem-solvers and future leaders.

Our constant endeavor is to provide a safe, inclusive, and stimulating learning environment where each child discovers their potential, passion, and purpose. With dynamic teaching methods, co-curricular engagements, and practical learning, we ensure that our students experience education beyond the classroom. Our teachers, as the guiding pillars, are committed to nurturing intellectual curiosity, moral values, and leadership skills in every child, enabling them to thrive in the ever-evolving world.

As you turn these pages, you will witness the spirit of excellence, teamwork, and creativity that defines M.P.I.C. We remain dedicated to shaping bright futures, fostering strong character, and making learning a lifelong joy for our students. Thank you for entrusting us with the responsibility of nurturing your child's tomorrow.

From Principal's Desk....

Mrs. Ruchi Dubey
PRINCIPAL

It is a privilege to serve as the Principal of Mahanagar Public Inter College, an institution dedicated to nurturing young minds with knowledge, values, and a vision for the future. At our school, we believe that education goes beyond textbooks; it is about inspiring curiosity, fostering creativity, and cultivating character. Our aim is to provide a dynamic learning environment where students are encouraged to explore their potential and grow into confident, compassionate, and responsible individuals.

Guided by the vision of our Late Founder Sir, Mr. Shyama Saran Ji, and under the exceptional leadership of our Founder Manager Ma'am, Smt. Suman Lata Ji, we are committed to upholding the values of integrity, excellence, and social responsibility. Our dedicated team of educators works tirelessly to provide holistic education that empowers students to excel academically while nurturing their emotional, social, and moral development.

At Mahanagar Public Inter College, we celebrate diversity, encourage collaboration, and inspire leadership. We strive to create a supportive and inclusive environment where every child feels valued and motivated to pursue their dreams. As we continue our journey of growth and progress, our focus remains on preparing our students to face the challenges of an ever-evolving world with resilience, empathy, and integrity.

I am proud to be a part of this remarkable institution and am confident that together, we can shape a brighter future for our children. I invite you to join us on this exciting journey of learning, growth, and transformation.

Playful Pre-Primary Years

The foundation of lifelong learning is built during the early years. In our kindergarten section, we foster an environment where curiosity, creativity, and confidence thrive. Through a blend of hands-on experiences, play-based learning, and interactive activities, we encourage children to explore the world around them, ask questions, and express themselves freely.

Each day, our dedicated educators guide young minds to develop a love for learning, while nurturing social, emotional, and cognitive growth. Our approach is guiding towards ensuring that every child not only learns but also enjoys every step of their educational journey.

"Where curiosity blooms, creativity takes flight, and confidence grows—every moment is a step towards a joyful future."

Our GOALS-3Cs

CURIOSITY

Encouraging young minds to ask questions, explore their surroundings, and develop a love for learning through hands-on experiences and playful discovery.

CREATIVITY

Nurturing imagination through art, storytelling, music, and free expression, allowing children to think outside the box and develop problem-solving skills.

CONFIDENCE

Building self-assurance by celebrating small achievements, fostering independence, and creating a supportive environment where children feel valued and motivated to express themselves.

Stimulating Environment for Early Learning

Our constant effort is to create space where curiosity is encouraged, creativity is celebrated, and every child feels confident to take the next step in their learning journey. With open areas for active play, quiet corners for reflection, and inviting learning zones, our environment promotes holistic development, ensuring that each child thrives emotionally, socially, and cognitively.

"Where curiosity blossoms, and learning begins with wonder."

"Nurturing young minds in a world of exploration and imagination."

Resources for Discovery and Growth -

- Play and activity areas
- Art and craft room
- Story telling corner
- Outdoor exploration zone
- Drama and music room
- Smart Lab

Personalized Learning at M.P.I.C.

We understand that every child is unique, with their own pace and learning style. Our educators design individualized learning plans that cater to the diverse needs of our students.

By observing each child closely, we offer tailored activities, guided instruction, and one-on-one support to ensure every child's strengths are nurtured. Personalization is at the heart of our teaching, ensuring each child's journey is as unique as they are and is emphasized to cater to each child's unique pace and style, ensuring a supportive and engaging educational journey.

Various activities children engage in-

- Cultural events
- Thematic days
- Sports events
- Celebration of International and National days
- Field trips, etc.

A Broad and Balanced Curriculum

The pre-primary curriculum is broad and balanced, integrating play-based learning with foundational skills to foster all-round development.

M.P.I.C focuses on five aspects of learning for child's development at the pre-primary level-

- Literacy and numeracy skills, including reading, writing, and basic math.
- Explore science and nature through hands-on experiments and outdoor activities.
- Creative arts such as art, music, dance, and drama to unleash imagination and self-expression.
- Physical education activities foster coordination, fine and gross motor skills, and teamwork.
- Social and emotional growth is encouraged through group activities and role-play, promoting communication and confidence.

Engaging & Warm

Every day begins with cheerful smiles and excitement as little learners dive into a world of stories, music, creative play, and hands-on activities. Through exploration and joyful interactions, they build curiosity, confidence, and a lifelong love for learning.

Structured Yet Playful

A day in pre-primary is filled with wonder—from interactive storytelling and art activities to music, movement, and playful discovery. With a perfect blend of structured learning and free exploration, children develop essential skills while enjoying every moment.

Simple & Fun

Mornings start with happy hellos, followed by playful learning, singing, and exploring new ideas. Through art, stories, and hands-on fun, little ones grow in confidence and creativity, making each day a new adventure!

A day in the life of our Little ones, here at M.P.I.C. (Pre - Primary) -

- Learning activity - engaging in focused learning
- Hands - on - learning
- Outdoor play
- Creative art
- Group activities
- Activities ensuring the routine- personal hygiene, dining etiquettes, good habits etc.

Fun Learning : Where every day is an adventure

Learning should always be an enjoyable experience.

Our pre-primary wing is a place where children's natural love for discovery is fostered. Through playful exploration, creative arts, dance, and drama, we bring learning to life, encouraging them to express themselves, think critically, and explore their world through a fun, hands-on approach, whether they are painting, acting out a story, or engaging in a science experiment, our children learn by doing, ensuring that education is not just a task but a joyful journey.

Unleashing Creativity

Creative arts, dance, and drama play a vital role in nurturing children's imagination and self-expression.

Through vibrant art sessions, children explore colors, textures, and shapes, fostering creativity and fine motor skills.

Dance and drama activities encourage children to express emotions, develop coordination, and engage in storytelling, while boosting confidence and teamwork.

"Imagination is the foundation of creativity, and through art, dance, and drama, we build the bridges that connect young minds to endless possibilities."

These creative outlets allow children to think outside the box, communicate freely, and develop an appreciation for the arts.

Principles of M.P.I.C. Pre-primary

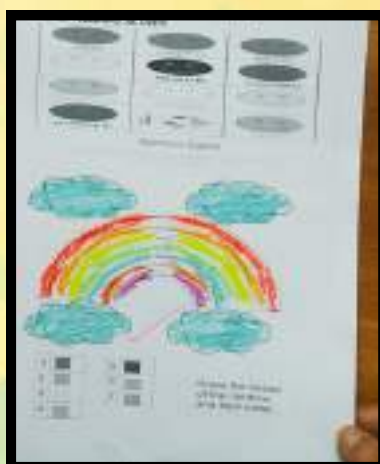

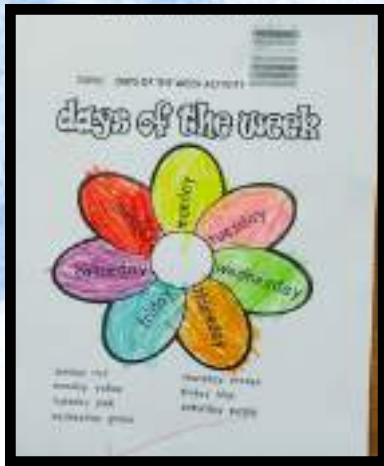

- **Curiosity:** Our goal is to ignite a passion for learning in our Little one's by fostering a culture where asking questions and exploring new ideas is encouraged every day.
- **Creativity:** Through art, drama, music, and problem-solving activities, we inspire our children to think outside the box, express their ideas, and embrace their imagination.
- **Confidence:** When children are given the tools to explore and the freedom to make choices, they build the confidence to face new challenges and excel.

These principles form the foundation of our pre-primary program, guiding every activity, interaction, and lesson to ensure that children grow into curious, creative, and confident individuals.

At MPIC, our goal is not just to teach but to—inspire lifelong learners ready to take on the world.

Enriching Primary Years

The primary years are a transformative phase where children embark on a journey of exploration, guided by curiosity and a desire to discover the world around them.

Our well-rounded curriculum and engaging learning environment ensure that students strive for excellence in academics, co-curricular activities, and personal growth.

Equally important is the development of empathy, as we nurture compassionate individuals who respect others and contribute positively to their community. With a balance of intellectual, emotional, and social learning, our primary program lays a strong foundation for lifelong learning and responsible citizenship.

"Through Excellence, we achieve; through Exploration, we grow; through Empathy, we connect—together shaping a future of curious, confident, and compassionate learners."

GOALS- 3Es

Excellence

Encouraging students to strive for their best in academics, creativity, and personal growth. By fostering a love for learning and perseverance, we help children build a strong foundation for future success.

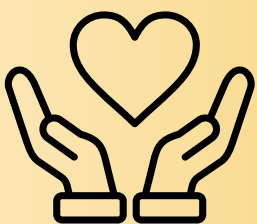

Exploration

Providing opportunities for hands-on learning, problem-solving, and creative expression. Through discovery and experimentation, students develop a deeper understanding of the world around them.

Empathy

Instilling values of kindness, teamwork, and respect. By learning to understand and care for others, children grow into compassionate individuals who contribute positively to their community and beyond.

Building a Strong Foundation

Our primary curriculum is designed to lay a robust academic foundation. It emphasizes core subjects like literacy, numeracy, and science, while integrating social and emotional learning.

We aim to develop critical thinking, problem-solving abilities, and a growth mindset, ensuring that every child is well-equipped for future academic success.

Technology Integration: Learning Beyond Boundaries

In a fast-evolving world, technology plays a key role in education. M.P.I.C. integrates technology seamlessly into the primary curriculum through interactive smart boards, digital learning tools, and age-appropriate software.

This approach enhances digital literacy and encourages independent exploration while keeping students engaged and motivated.

Fostering a Passion for Literacy

We believe that a love for reading is the gateway to lifelong learning. M.P.I.C. fosters literary passion through a rich library, storytelling sessions, book clubs, English language lab and reading challenges. By encouraging children to read widely, we develop their language skills, comprehension, and creativity.

Hands-On Learning: Exploring Through Experience

We emphasize on experiential learning, where children actively participate in hands-on activities, experiments, and real-world projects. Whether it's a science experiment, a field trip, or a class project, experiential learning helps children connect theory to practice, making learning meaningful and memorable.

"Empowered learners today, inspired leaders tomorrow."

Progress Through Feedback

The assessments are not just about grades; it's about learning and growth. We use continuous and comprehensive assessment methods, including formative assessments, portfolios, and self-reflection exercises.

This approach helps students understand their progress, set personal goals, and improve continuously with the support of their teachers.

What is Success?

Success is not just about winning or achieving big things. It is about setting goals and working hard to reach them. Success means learning from mistakes, never giving up, and growing better every day. It's about feeling proud of your efforts, even if the results aren't perfect. Whether it's getting good grades, making new friends, or learning a new skill, success is about progress and happiness.

"Success is the journey, not the destination."

Anushka - III A

I Am Speechless

I am speechless, lost for words,
As emotions dance like restless birds.
Joy and sorrow blend in my heart,
Yet no sound dares to even start.

The beauty around takes my breath away,
Sunsets that steal the words to say.
In laughter's echo and tears that fall,
I find silence answering it all.

When dreams soar high beyond my reach,
Or fears whisper lessons they teach,
I stand in awe, silent and still,
Feeling more than words could fulfill.

I am speechless, but that's okay,
For sometimes silence speaks the way.

Ayush - V A

मेरा प्यारा विद्यालय

मेरा विद्यालय मेरे लिए एक दूसरी दुनिया है, जहाँ मैं हर दिन कुछ नया सीखता हूँ। यह सिर्फ ईंट-पत्थरों की इमारत नहीं, बल्कि मेरे सपनों की शुरुआत है। यहाँ के हरे-भरे मैदान, रंग-बिरंगी दीवारें और क्लासरूम की हलचल मेरे दिल के बेहद करीब हैं।

सुबह की प्रार्थना में जब हम सब मिलकर प्रार्थना करते हैं, तो एक अलग ही शांति मिलती है। क्लासरूम में टीचर्स का प्यार भरा मार्गदर्शन और दोस्तों के साथ हँसी-मजाक, मेरी हर दिन को खास बनाते हैं।

पुस्तकालय में किताबों की दुनिया में खो जाना और खेल के मैदान में दोस्तों के साथ दौड़ते हुए हँसना, मेरी सबसे प्यारी यादें हैं। सांस्कृतिक कार्यक्रमों में मंच पर परफॉर्म करके मैं आत्मविश्वास पाता हूँ।

मुझे गर्व है कि मैं ऐसे विद्यालय का हिस्सा हूँ, जहाँ शिक्षा के साथ संस्कार भी मिलते हैं। मेरा विद्यालय मेरे सपनों को उड़ान देने की जगह है, और हमेशा मेरी यादों में बसा रहेगा।

Shraddha - IV A

जीने की राह

जीवन एक सफर है, सीधी राह नहीं,
कभी धूप, तो कभी छाँव यही कहानी सही।
कदम-कदम पर मोड़ मिलते हैं यहाँ,
कभी आसान, तो कभी मुश्किलें बेहिसाब वहाँ।

जीने की राह में हौसला चाहिए,
हर मुश्किल को मुस्कान से थामना चाहिए।
हार-जीत तो आते-जाते रहेंगे,
सबक बस अपने साथ रहेंगे।

कभी ठोकर, कभी सहारा मिलेगा,
जो गिरकर उठे, वही सवेरा देखेगा।
मंजिलें पास हैं, बस यकीन बनाए रख,
जीने की राह में हिम्मत कभी न थक।

**"जीवन की राह में रुकना नहीं,
हर अँधेरे के बाद सवेरा यहीं।"**

Chaitanya - IV A

Golden Whispers - Annual Day Celebration

Golden Whispers

Echoes of Love & Sacrifice

The much-awaited Annual Day Celebration 2024-2025—**Golden Whispers** unfolded as a magnificent spectacle, bringing together the entire school community in an evening of joy, creativity, and reflection. This grand event was more than just a showcase of talent—it was a heartfelt tribute to the dedication, perseverance, and collective spirit that define our institution.

The event commenced with a warm welcome to our esteemed **Chief Guest, Dr. Pankaj K. Singh (Commissioner GST) and a renowned Poet, Author and an Ideologue**, and **our Special Guest, Mrs. Sandhini Singh and Mr. Ram Prakash (Renowned Scholar)**, whose presence elevated the occasion. We were also honored to have our **Founder Ma'am, Smt. Suman Lata**, whose vision continues to guide the school's journey. This celebration also paid tribute to **our Late Founder Sir Mr. Shyama Saran Ji**, a visionary leader, founder of MPIC, whose legacy continues to inspire us all, and **our Director Sir, Mr. Deepank Kansal**, whose unwavering leadership steers us toward excellence. **Principal Ma'am, Mrs. Ruchi Dubey**, took the stage to express her pride in the students and gratitude towards the faculty and parents for their unwavering support.

The evening began with the ceremonial lighting of the lamp, symbolizing wisdom and enlightenment, followed by a heartfelt invocation. As the program unfolded, the audience was treated to a breathtaking array of performances.

Our students left the audience mesmerized with their spectacular performances, each one a testament to their dedication and artistic expression. The thematic play, which brought to life the essence of "Golden Whispers," wove a beautiful narrative of perseverance and hope. Enthralling dance performances showcased cultural diversity, while the musical renditions struck an emotional chord with every listener.

A special moment was shared when our teachers and staff were acknowledged for their relentless efforts in shaping young minds. Parents played an integral role, cheering on the students and sharing in the joyous atmosphere. The event also provided a platform for students to express their gratitude to their mentors, emphasizing the bond of respect and admiration that unites the school community.

As the celebration drew to a close, Founder Ma'am and Director Sir addressed the gathering, emphasizing the school's vision and the importance of holistic education. Their words resonated with every heart, reaffirming the school's commitment to nurturing not just scholars but responsible and compassionate individuals.

As the curtains fell on Golden Whispers, it left behind cherished memories, celebrating dreams, achievements, and the unwavering spirit of our school community. The echoes of applause and the joy of success lingered, marking yet another milestone in our school's journey.

Aspiring Junior Years

At MPIC, the junior years foster curiosity and creativity. Students are encouraged to explore new ideas, express themselves confidently, engage in active learning, and gain diverse experiences.

This approach helps focus on developing character, instilling confidence and compassion, to ensure our students grow into resilient individuals prepared for the future.

GOALS

4Es

Exploration

Encouraging students to think beyond the classroom, question the world around them, and seek knowledge with curiosity.

Expression

Empowering young minds to articulate ideas, showcase creativity, and develop confidence through speech, writing, and art.

Engagement

Fostering active participation in academics, discussions, and collaborative projects to make learning meaningful and enjoyable.

Experiences

Enriching education through real-world applications, hands-on experiments, and memorable learning journeys that shape future aspirations.

"With Exploration, we discover; through Expression, we create; with Engagement, we grow; and through Experiences, we shape our future."

The junior years at MPIC are a crucial stage in a child's development, marking the transition from childhood to adolescence.

At this stage, it is of extreme importance to guide their young minds that are curious and eager to explore, laying the foundation for academic success while fostering intellectual, social, emotional, physical, and moral growth.

Key Aspects of Junior Year Development:

1. Curiosity and Exploration:

Encouraging inquisitive minds to explore various subjects, ask questions, and deepen their understanding, laying the groundwork for academic achievement.

2. Intellectual Growth:

Developing critical thinking, problem-solving, and communication skills to prepare students for the academic challenges of senior years.

3. Social Development:

Fostering teamwork, empathy, and effective communication through group activities, helping students navigate relationships and build a strong sense of community.

4. Emotional and Psychological Resilience:

Promoting self-confidence, emotional regulation, and coping skills through creative arts, sports, and mindfulness practices.

5. Physical Development:

Encouraging physical well-being through activities that improve coordination, fitness, and overall health.

6. Moral and Ethical Values:

Instilling core values like integrity, honesty, and respect, shaping students' ethical outlook and decision-making.

"Curious minds explore, creative voices express, eager hearts engage, and meaningful experiences shape the future."

Total Development Approach -

- Personalized and Collaborative learning
- Inquiry based learning
- Critical thinking
- Creative expression
- Emotional and Social learning
- Physical development
- Moral and Ethical education
- Experiential learning
- Self - Reflection
- Technology integration

—Where every step in learning builds a brighter future.....

Our Haven of Learning

In halls where laughter freely flows,
And friendships blossom and grow,
We gather each day to seek and learn,
With curious hearts that brightly burn.

Lessons weave dreams in every mind,
Guiding paths of every kind,
From numbers that dance to words
that sing,
School shows magic in everything.

Under watchful eyes that kindly guide,
We stumble, rise, and beam with pride,
Together we explore, create, and play,
Building tomorrow, day by day.

This place of wonder, joy, and light,
Where hopes take flight like kites,
Forever cherished, bold and true,
Our school—where dreams pursue.

Anushka - VII A

Whispers of the Enchanted Woods

Deep within the emerald shade,
Where sun and shadow softly wade,
Fairies dance on petals bright,
Sprinkling magic in golden light.

Amidst the trees that touch the skies,
They flutter low, they soar high,
Their laughter twinkles with the
breeze,
Echoing through the whispering trees.

Underneath the moon's silver gaze,
They weave dreams in mystic haze,
With wings as light as morning dew,
They paint the night in shades anew.

In this forest, wild and grand,
Where wonder meets the timeless
sand,
Magic thrives and spirits play,
In realms where dreams forever stay.

Mishthi Singh - VI A

Words to Inspire

- "Nurturing curiosity today, shaping leaders tomorrow."
- "Where young minds grow, and dreams take flight."
- "Empowering students to explore, learn, and lead."
- "Building foundations for lifelong learning."
- "Inspiring creativity, fostering excellence."
- "A journey of knowledge, a path to success."
- "Educate. Empower. Evolve."
- "Cultivating minds, enriching souls."
- "Where learning is an adventure, and curiosity knows no bounds."

Utkrisht Dubey - VIII A

Cosmic Facts

- **A Day on Venus** – A day on Venus is longer than its year. It takes about 243 Earth days to rotate once but only 225 Earth days to orbit the Sun.
- **Floating Water** – There's a massive water reservoir floating in space, 140 trillion times the water in Earth's oceans, surrounding a distant quasar.
- **Diamond Rain** – On Neptune and Uranus, it is believed to rain diamonds due to extreme pressure turning carbon into solid diamonds.
- **Invisible Matter** – About 85% of the matter in the universe is dark matter, which is invisible and doesn't emit light or energy.
- **The Largest Volcano** – Olympus Mons on Mars is the tallest volcano in the solar system, three times the height of Mount Everest.

Naitik Pratap Singh - VIII A

Childhood is a canvas painted with memories that never fade. I remember the sprawling mango tree in my grandparents' yard, its branches dancing with the wind. It was more than just a tree—it was my castle, my pirate ship, my gateway to imagination. Hours would melt away as I swung from its sturdy limbs, laughter echoing under the golden sun. Even now, the rustling leaves whisper tales of those carefree days, reminding me that a part of my heart still climbs that tree.

"Childhood is the world of miracle and wonder; as if creation rose from the night, all new and fresh and astonishing." – J.B. Priestley

Preetam Vishwakarma - VIII A

बचपन में दादी की कहानियाँ सिर्फ मनोरंजन नहीं थीं, वो जीवन के सबक थीं। उनकी गोद में सिर रखकर जब परियों और राजाओं की कहानियाँ सुनता, तो लगता था जैसे दुनिया कितनी सरल और सुंदर है। लेकिन हर कहानी के अंत में उनकी आँखों की चमक और मुस्कान से समझ जाता था कि जीत उसी की होती है जो धैर्य और सच्चाई से डटा रहता है। आज जीवन की उलझनों में वही कहानियाँ राह दिखाती हैं, सिखाती हैं कि मुश्किलें भी गुजर जाएँगी, बस हौसला बनाए रखना है।

"जीवन को समझने के लिए पीछे देखो, लेकिन उसे जीने के लिए आगे देखो।" – सुकरात

Krishna Pun - VIII A

मेरा स्कूल, मेरी दुनिया

मेरे जीवन का सबसे सुंदर और महत्वपूर्ण हिस्सा है मेरा स्कूल। यह सिर्फ एक इमारत नहीं, बल्कि एक ऐसी जगह है जहाँ मैं हर दिन कुछ नया सीखता हूँ, हँसता हूँ, खेलता हूँ और अपनी गलतियों से सबक लेता हूँ। स्कूल के मैदान में दौड़ते हुए हवा की सरसराहट, दोस्तों के साथ क्लासरूम में शरारतें, टीचर्स की डाँट में छिपी उनकी परवाह—यह सब मेरी यादों का हिस्सा बन गया है।

सुबह की प्रार्थना से लेकर शाम की छुट्टी तक, हर पल में सीखने का एक नया अनुभव छिपा होता है। हमारी प्रार्थना सभा में जब सब मिलकर प्रार्थना करते हैं, तो मन को एक अलग ही शांति मिलती है। वह पल मुझे यह सिखाता है कि हम सब एक साथ मिलकर कितने शक्तिशाली हो सकते हैं।

क्लासरूम में हमारे टीचर्स सिर्फ किताबों का ज्ञान ही नहीं देते, बल्कि हमें जिंदगी के मूल्य भी सिखाते हैं। मुझे अच्छी तरह याद है, एक बार मैंने गणित के सवाल में गलती कर दी थी। मुझे डर था कि सर डाँटेंगे, लेकिन उन्होंने प्यार से मेरी गलती समझाई और कहा, "गलतियाँ हमें और बेहतर बनाती हैं।" उस दिन मैंने जाना कि शिक्षक सिर्फ सिखाते ही नहीं, हमें आगे बढ़ने का हौसला भी देते हैं।

मुझे मेरे स्कूल का पुस्तकालय बहुत पसंद है। वहाँ की किताबें मेरी सबसे अच्छी दोस्त हैं। जब भी मुझे कोई नई कहानी पढ़नी होती है या किसी विषय में और जानना होता है, मैं पुस्तकालय में घंटों बिता सकता हूँ। किताबें मुझे ऐसी दुनिया में ले जाती हैं जहाँ मेरी कल्पनाएँ उड़ान भरती हैं।

हमारे स्कूल के खेल के मैदान में हमेशा रौनक रहती है। दोपहर के समय, जब धूप थोड़ी नरम पड़ती है, हम मैदान में क्रिकेट, फुटबॉल और कबड्डी खेलते हैं। मुझे क्रिकेट खेलना बहुत पसंद है, और हर बार जब मैं चौका या छक्का मारता हूँ, तो दोस्तों की तालियों से मेरा आत्मविश्वास और बढ़ जाता है। हार-जीत से ज्यादा हमारे लिए साथ मिलकर खेलना और मजे करना मायने रखता है।

स्कूल में होने वाले सांस्कृतिक कार्यक्रम भी मेरी पसंदीदा यादों का हिस्सा हैं। वार्षिक उत्सव में मंच पर नाटक करना या समूह नृत्य में भाग लेना, मुझे आत्मविश्वास से भर देता है। मंच पर दर्शकों की तालियाँ सुनकर जो खुशी मिलती है, वो शब्दों में बयां नहीं की जा सकती।

मेरे स्कूल में सिर्फ पढ़ाई ही नहीं, हमें जीवन के महत्वपूर्ण मूल्य भी सिखाए जाते हैं। हमें सिखाया जाता है कि ईमानदारी, सहनशीलता और कड़ी मेहनत से ही हम अपने लक्ष्यों को प्राप्त कर सकते हैं। हमारे प्रधानाचार्य सर हमेशा कहते हैं, "कड़ी मेहनत का कोई विकल्प नहीं होता।" ये शब्द मेरे दिल में बस गए हैं और मुझे हर कठिनाई में आगे बढ़ने की प्रेरणा देते हैं।

मुझे गर्व है कि मैं ऐसे स्कूल का हिस्सा हूँ, जहाँ न केवल शिक्षा बल्कि संस्कार भी दिए जाते हैं। यहाँ मुझे दोस्तों का साथ, शिक्षकों का मार्गदर्शन और अनमोल यादें मिली हैं। मुझे यकीन है कि एक दिन जब मैं बड़ा हो जाऊँगा और इस स्कूल से विदा लूँगा, तब भी यहाँ की यादें मेरे साथ हमेशा रहेंगी।

Visionary Senior Years

Its a transformative time for students, where they not only sharpen their academic skills but also cultivate essential life skills. Our dedicated teachers guide students through rigorous preparations, helping them set long-term goals and achieve a strong sense of pride in their accomplishments.

The senior years offer endless possibilities for personal and academic growth, as students prepare for board exams and the next phase of their lives. Through focused learning and self-discovery, our students are equipped with the tools to succeed, both in their exams and in their future endeavors.

Our GOALS - 4Ss

Scholarly Excellence

Cultivating a deep understanding, critical thinking, and a passion for lifelong learning.

“Think Deep, Achieve More”

Service-Oriented Leadership

Inspiring responsibility, teamwork, and a commitment to making a difference in the community.

“Lead with Heart, Serve with Purpose”

Self-Reliance

Building confidence, resilience, and independence to navigate future challenges.

“Believe in Yourself, Build Your Future”

Social Impact

Contributing positively to society with empathy, awareness, and action.

“Act for Change, Inspire the World”

Stellar Character

Upholding values of honesty, respect, and perseverance, shaping individuals of strong moral and ethical standing.

“Integrity in Action, Values for Life”

“Knowledge empowers, leadership inspires, independence strengthens, impact transforms, and character defines.”

Excelling in Board Exams -

MPIC ensures that our senior students are thoroughly prepared for their board exams by focusing on:

Focused Study Plans: Comprehensive study schedules and regular assessments.

Mock Exams and Practice Papers: Simulated exams to help students familiarize themselves with the board exam format.

Exam Strategy Workshops: Offering tips and techniques for effective time management and stress reduction during exams.

Continuous Feedback: Regular evaluations to monitor progress and identify areas for improvement.

We believe that education is not just about academic excellence but about preparing students for a successful future. Our approach goes beyond textbooks, focusing on holistic development to equip students with real-world skills, critical thinking, and leadership qualities. We strive to nurture ambition, ignite creativity, and build confidence, ensuring our students are future-ready.

Understanding that every child has unique potential, we emphasize personalized learning by tailoring our teaching methods to align with individual strengths and aspirations. Our faculty actively fosters practical knowledge, communication skills, and problem-solving abilities, preparing students to adapt to the evolving career landscape with competence and clarity.

To bridge the gap between academics and careers, we offer dedicated career guidance, counseling sessions, and higher education support. Our students are encouraged to explore various career paths, professional courses, and future opportunities, enabling them to make informed decisions about their life goals. At MPIC, our mission is not just to educate – it is to empower futures.

"Believe in your preparation, trust the process, and let your hard work shine."

Ink & Imagination: Literary Endeavors of Our Seniors

PRACTICAL EDUCATION - A BETTER STEP TOWARDS LEARNING

"Tell me and I forget, teach me and I may remember, involve me and I learn."

Education is the key to building a generation of responsible citizens and shaping bright futures. It forms the foundation of a strong intellect and plays a crucial role in our personal and professional growth.

In our country, education has traditionally been more theoretical, where knowledge is imparted through lectures with limited interaction. While this method provides information, it often lacks engagement. However, practical learning has introduced a new and dynamic way of understanding concepts. Interactive sessions, hands-on exercises, and experiments make learning more engaging and effective.

From my experience, practical education fosters teamwork and leadership. Group projects, problem-solving tasks, and real-world applications not only strengthen our understanding but also prepare us for future challenges. Learning in this way helps us think critically, work collaboratively, and develop essential life skills beyond textbooks.

I believe that a balance between theory and practice is the key to meaningful education. When we actively participate in our learning, we don't just memorize facts—we truly understand and apply them.

Mahima Choudhary-XII A

NEW GENERATION, NEW POWER - OWN YOUR FUTURE

"New Generation, New Power – The future is not just something to wait for; it is something to build. With knowledge, innovation, and determination, we hold the power to shape a world that reflects our dreams and ambitions."

The world is evolving rapidly, and you are a part of this transformation. You're not just a student—you're a leader, a visionary, and a creator of tomorrow. The choices you make today will define your future. So, step up, take charge, and shape your destiny!

1. Believe in Yourself – Confidence is Your Superpower

You are capable of more than you think. Confidence is not just a trait; it's a tool. Trust your instincts, take risks, and don't wait for approval. Success begins with self-belief.

2. Dream Big, Start Small – Every Journey Begins with a Step

Great achievements don't happen overnight. Break big goals into small actions, and start today. Small, consistent efforts lead to remarkable success.

3. Learn from Failure – It's a Stepping Stone to Success

Failure isn't the end—it's part of the journey. Every mistake teaches you something valuable. Learn, adapt, and come back stronger. Growth happens when you embrace challenges.

4. Stand Out, Be Different – Your Uniqueness is Your Strength

The world needs original thinkers, not followers. Don't be afraid to take a different path. Your ideas, creativity, and individuality can inspire change and make an impact.

5. Hustle Hard, Stay Focused – Success is Earned, Not Given

Success isn't about luck—it's about dedication and perseverance. Stay away from distractions, set clear goals, and work relentlessly. The effort you put in today will shape your future.

Your Future is in Your Hands – Own It!

Garima Chaubey-XI A

YOUR SUCCESS IS SURE

""Stay determined, keep pushing—success is not 'if' but 'when!'"

With every step, with every try,
You soar beyond, you touch the sky.
The road is tough, the path is steep,
But dreams are yours, they're yours to keep.

Believe in you, stand tall, be strong,
Through highs and lows, push right along.
Mistakes may come, don't be dismayed,
Each lesson learned, each price is paid.

Work with passion, give your best,
Face each challenge, ace the test.
No dream's too big, no goal too high,
With courage bright, you'll rise and fly.

Stay focused, steady, chase what's true,
The future shines ahead of you.
Success is near, just walk that door,
Keep going strong—your success is sure!

Anshika Singh - XII A

WE HAVE GROWN UP

"We have grown, we have changed, and now we rise to chase the skies."

We started small, with hearts so light,
Curious minds, eyes shining bright.
Through books and games, through joy and play,
We found new dreams along the way.
The years have passed, we've learned so much,
With every challenge, every touch.
Friendships formed, so strong, so true,
With every step, we always grew.
We've stumbled, fallen, yet we stand,
With lessons carved by our own hand.
Through highs and lows, through sun and rain,
We rose again, we broke the chain.
Now here we are, the future calls,
Beyond these gates, beyond these walls.
With courage high and dreams so deep,
We take a leap, our fate to keep.

Anubhavi Gautam - XI A

STRESS ON THE YOUTH

In today's fast-paced world, stress has become an inevitable part of a student's life. The pressure to excel in academics, participate in extracurricular activities, meet societal expectations, and plan for the future can feel overwhelming. With the rise of competition and constant comparisons, many young minds find themselves trapped in a cycle of anxiety and self-doubt.

One of the biggest contributors to youth stress is academic pressure. The race for high grades, entrance exams, and career choices often leave students feeling exhausted and mentally drained. Beyond academics, social pressures play a significant role. The need to fit in, maintain friendships, and deal with the influence of social media creates an additional burden. Seeing others' curated highlights online often leads to unrealistic self-expectations and a fear of missing out (FOMO).

Another key factor is the uncertainty of the future. With a rapidly changing job market and societal demands, many young individuals struggle with self-identity and career choices. The fear of failure or disappointing their loved ones adds to their mental strain. Unfortunately, in many cases, stress is not openly discussed, leading to feelings of isolation and emotional burnout.

However, stress does not have to define the youth. Developing resilience, time management, and a healthy balance between work and relaxation can help in coping with pressure. Seeking support from family, friends, or counselors is essential in navigating challenges. It is crucial to remind every young person that their worth is not defined by achievements alone. Prioritizing mental well-being and self-care is just as important as striving for success. After all, a happy and healthy mind is the true key to a bright future.

माँ-बाप को भूलना मत

माँ-बाप... वे दो नाम जिनमें पूरी दुनिया समाई होती है। उनकी ममता, त्याग और प्रेम की कोई तुलना नहीं हो सकती। बचपन से लेकर बड़े होने तक, हर कदम पर वे हमारा सहारा बनते हैं। हमारी छोटी-छोटी खुशियों के लिए वे बड़े-बड़े त्याग कर देते हैं, लेकिन बदले में कुछ भी नहीं मांगते—बस हमारी खुशी और सम्मान।

समय बीतता है, बच्चे बड़े हो जाते हैं, अपनी जिंदगी की उलझनों में व्यस्त हो जाते हैं। लेकिन अफसोस की बात यह है कि कई बार वे अपने ही माता-पिता को भूलने लगते हैं। जो माँ-बाप हमें उंगली पकड़कर चलना सिखाते हैं, उनके बुढ़ापे में हम ही उन्हें अकेला छोड़ देते हैं। यह सोचकर कि वे अब कमजोर हो गए हैं, हम उन्हें बोझ समझने लगते हैं।

पर क्या यही हमारी परवरिश का असली सबक है? क्या यही हमारे संस्कार हैं? नहीं! हमें यह कभी नहीं भूलना चाहिए कि जो हमें आज इस मुकाम तक लाए हैं, उनका कर्ज हम कभी नहीं चुका सकते। उनका सम्मान करना, उनका साथ देना, और उनकी खुशियों का ख्याल रखना हमारा कर्तव्य है।

माँ-बाप भगवान का वह रूप हैं, जो इस धरती पर हमें निस्वार्थ प्रेम देते हैं। उन्हें भूलना मत, क्योंकि जिस दिन तुम उन्हें भूल जाओगे, उस दिन तुम्हारी पहचान भी खो जाएगी।

तान्या- IX A

सच्चा गुरु

ज्ञान की जो ज्योति जलाए,
अंधकार से हमें बचाए।
सच-झूठ का भेद सिखाए,
सच्चा गुरु वही कहलाए।

राह कठिन जब होने लगे,
मन भी जब विचलित जले।
जो हौसले की बात करे,
सच्चा गुरु वही बने।

नैतिकता का पाठ पढ़ाए,
जीवन के हर रंग दिखाए।
सही दिशा में चलना सिखाए,
सच्चा गुरु ही राह दिखाए।

स्वार्थ से जो दूर रहे,
हर शिष्य को अपना कहे।
जिसका ज्ञान अमूल्य धन,
वह गुरु है सबसे महान!

परिश्रम का फल

जो बीज धरती में बोया जाता,
वही समय पर अंकुरित हो पाता।
मेहनत से जो निखरता है,
सफल वही कहलाता।

बिना श्रम के कुछ न मिलता,
जीवन यूं ही व्यर्थ निकलता।
जो कठिन राह से डर जाता,
वह मंजिल तक नहीं पहुंचता।

धैर्य रखो, आगे बढ़ो,
संघर्षों से मत डरो।
सूरज भी अधियारे के बाद,
हर दिन नई किरणें बिखेरता है।

जो पसीने की बूंद बहाए,
वही सच्ची खुशी पाए।
परिश्रम का फल मीठा होता,
हर सपना सच कर जाता।

*Unleashing Potential Through
Sports Excellence*

Nurturing Champions Through Sports

Parents speak...

from the heart

As parents, we are truly impressed by the values upheld at Mahanagar Public Inter College. The school emphasizes integrity, respect, and social responsibility, shaping our children into well-rounded individuals.

We have witnessed remarkable progress in their academics and personal growth. The dedicated teachers provide continuous support, encouraging curiosity and critical thinking. It brings us immense joy to see our children thriving in such a nurturing environment.

We are grateful to the school for laying a strong foundation for their future

Mr. & Mrs. Sushil Kumar
Parent of Shradha Kumari

We wholeheartedly recommend Mahanagar Public Inter College to any parent seeking a progressive and nurturing educational environment.

The school's innovative approach to learning, combining traditional values with modern teaching methods, has made a remarkable difference in our child's development.

We have witnessed positive changes in their confidence, creativity, and problem-solving skills. The emphasis on holistic growth, supported by dedicated teachers and state-of-the-art facilities, has truly set this school apart.

We are delighted to see our child thrive academically and socially. It's a place where potential is recognized and nurtured.

Mr. & Mrs. Virendra Kumar
Parent of Priyanshi Gautam

Our journey with Mahanagar Public Inter College began in the pre-primary years, and we are amazed at how beautifully our children have grown into confident and independent individuals.

The school's focus on nurturing core values such as respect, integrity, and empathy is truly commendable.

These values are seamlessly integrated into the learning experience, shaping their character along with academic excellence.

The supportive and caring environment, coupled with innovative teaching methods, has given our children the confidence to explore, question, and express themselves freely.

We are grateful for the solid foundation this school is building for their future.

Mr. & Mrs. Saurabh Srivastava
Parent of Yashwardhan Srivastava

Parents speak...

from the heart

At Mahanagar Public Inter College, education goes beyond textbooks. The school's emphasis on holistic development has helped our child grow emotionally, socially, and intellectually.

We appreciate the balanced approach, where academics are complemented by extracurricular activities, sports, and life skills training. The dedicated faculty members provide individualized attention, ensuring that each child's unique talents are nurtured.

It's heartening to see our child become a well-rounded, confident individual. We couldn't have asked for a better environment for our child's all-around growth.

Mr. & Mrs. Chandra Rawat
Parent of Shreya Rawat & Ayush Rawat

We are thoroughly impressed with the modern facilities and progressive teaching methods at Mahanagar Public Inter College. The school leverages technology - the smart classes to enhance the learning experience, making education interactive and engaging. Our child is excited to learn each day, thanks to the innovative curriculum that encourages creativity and critical thinking.

The school's commitment to staying updated with the latest educational trends sets it apart.

We are confident that our child is receiving the best possible education, preparing them for future challenges.

Mr. & Mrs. Vishnu Dayal Dixit
Parent of Hema Dixit & Mayank Dixit

One of the standout aspects of Mahanagar Public Inter College is the strong sense of community and transparent communication between the school and parents.

We always feel informed and involved in our child's educational journey. The school organizes regular events, workshops, and parent-teacher interactions, creating a supportive network. It's reassuring to know that our concerns are heard, and the school is genuinely invested in our child's well-being.

We are grateful to be a part of this collaborative and positive learning environment.

Mr. & Mrs. Arvind Singh
Parent of Kashish Singh & Aditya Singh

Honored with Prestigious Education Excellence Award 2024

Mr. Deepank Kansal

Director

Mahanagar Public Inter College

We are immensely proud to share that our respected Director Sir has been awarded the coveted Education Excellence Award by Bhagwan Baksh Singh Degree College. This recognition stands as a testament to the visionary leadership, unwavering dedication, and transformative impact our Director has had on the educational landscape of our institution.

Under his guidance, the school has witnessed significant strides in both academic and co-curricular excellence. The introduction and implementation of progressive, student-centered teaching methodologies have greatly enhanced the learning environment, fostering not only intellectual growth but also emotional and social development. His alignment with the New Curriculum Framework has positioned the school as a model for educational reform, promoting interdisciplinary learning, critical thinking, and creativity.

This award also recognizes his commitment to empowering teachers, encouraging professional development, and fostering a culture of collaboration.

| April 2024 |

The support and motivation provided to our teaching staff have created a vibrant and dynamic educational community, where innovation and passion for learning thrive.

Receiving the Education Excellence Award is a remarkable achievement, reflecting the collective efforts of our teachers, students, and the wider school community, all driven by the Director's vision of education as a tool for personal and societal transformation. This prestigious honor is a recognition of the relentless pursuit of excellence, the embrace of innovation, and the unwavering commitment to the betterment of education.

We look forward to continuing the journey of excellence. These award not only celebrates past achievements but also sets the stage for future successes, as we remain committed to providing the quality education for our students.

Igniting Curiosity Through Dynamic Engaging Workshops: Robotics, Baking, Music, and Art & Craft

A series of vibrant workshops has brought learning to life through robotics, culinary arts, music, and creativity. The Robotic Workshop ignited curiosity as participants explored the fundamentals of robotics, building functional robots while enhancing problem-solving and teamwork skills. It was a hands-on experience that made technology exciting and accessible.

Meanwhile, the Baking Class Workshop offered a delightful journey into the world of culinary arts. Participants learned the art of baking cakes, cookies, and pastries under expert guidance, mastering techniques like mixing, kneading, and decorating. The sweet aroma of freshly baked goodies added joy to the learning experience, inspiring creativity and precision.

Creativity continued to flourish in the Art & Craft Workshop, where participants expressed themselves through colors, textures, and innovative designs. Guided by skilled instructors, they explored various art techniques, from painting and sketching to crafting decorative items. This workshop not only nurtured artistic skills but also encouraged imagination and self-expression.

The Triple Swing Music Concert Workshop brought rhythm and melody to life, as participants explored swing music's dynamic patterns through interactive jam sessions and live performances.

These workshops provided enriching experiences, sparking curiosity, creativity, and learning in unique and engaging ways.

ACHIEVERS

GLIMPSES OF THE PAST...

With enriching history that expands for over two decades, Mahanagar Public Inter College emerged from a vision to build a haven of learning, where education transcends textbooks and curiosity leads the way. The school was established with a mission to nurture young minds, empower them with knowledge, and instill values that last a lifetime.

What began as a small endeavor has grown into a thriving institution, recognized for its commitment to academic excellence, creative exploration, and holistic development.

Over the years, our school has become a second home for countless students, offering a warm and inclusive environment where each child is encouraged to discover their unique potential.

Our journey is marked by the dedication of our educators, the enthusiasm of our students, and the unwavering support of our community. As we continue to grow, we remain steadfast in our promise to inspire, educate, and prepare our students to thrive in an ever-changing world.

Mahanagar Public Inter College is not just an institution but a promise to shape bright futures, one student at a time.

Journeying through the corridors of time, we revisit the cherished moments that have shaped our school's legacy. These memories are more than just photographs; they are echoes of laughter, milestones of achievement, and reflections of growth. Each snapshot captures the spirit of curiosity, friendship, and learning that defines our community.

As we celebrate our journey, we honor the foundations laid by those who came before us, inspiring generations to dream, explore, and achieve. Let these glimpses remind us of where we started and inspire us as we continue to build the future.

Today, this legacy is gracefully carried forward by Mr. Deepank, whose leadership and dedication continue to inspire the entire school community. Under his stewardship, Mahanagar Public Inter College remains committed to holistic education, blending tradition with innovation, and fostering an environment where every student is encouraged to explore, learn, and achieve.

With unwavering passion and a nurturing spirit, Smt. Suman Lata Ji leads the way, ensuring that the values and dreams that laid the foundation of our school continue to thrive. Her vision empowers us to grow while staying true to our roots, guiding generations of students towards success and lifelong learning.

"Looking back at our journey, we find the roots that ground us and the wings that inspire us to soar."

DOWN THE MEMORY LANE...

"Walking down memory lane, we find moments that shaped us, dreams that inspired us, and a journey that defined us."

Memories Of Honor.....

Moments in History

Honoring the Legacy of Esteemed Visitors

Throughout its journey, Mahanagar Public Inter College has been privileged to welcome an array of distinguished guests whose presence has left a lasting impact on our school community. From influential leaders to visionary thinkers, each visit has enriched our legacy, inspiring students and educators alike to strive for excellence.

These visits have not only been moments of honor but have also served as invaluable learning experiences. Our students have had the rare opportunity to witness greatness up close, absorbing words of wisdom, values of leadership, and stories of perseverance. These interactions have ignited dreams, broadened horizons, and instilled a sense of purpose and responsibility in young minds.

From inaugural ceremonies to annual celebrations and special events, our esteemed guests have graced us with their insights and experiences, leaving behind a legacy that continues to shape our values and aspirations. Their words echo in our classrooms, motivating each student to aim higher and contribute positively to society.

Capturing the essence of moments that have defined our history. We celebrate not just the visits but the inspiration they have infused into the very fabric of our school. As we look back, we are reminded of the powerful influence of these leaders, whose presence has helped mold our students into the leaders of tomorrow.

With gratitude and respect, we honor the legacy of our esteemed visitors, whose footprints continue to guide our path to excellence.
