

Abacus & Vedic Maths - Skill Development Courses

Dear Parents,

As most of you are aware that Abacus is a Brain Development Program which helps in overall development of the brain resulting in better creativity, concentration & confidence of the child. Abacus also imparts better techniques to do faster calculations.

ABACUS for Classes I-V

Benefits of Abacus for children

- Abacus helps in removing the phobia of Mathematics
- Developing Concentration
- 360 degree Brain Development
- Improving Memory
- Generating Self Confidence
- Children will adopt a skill to do the calculations easily which will provide them an edge in future.

VEDIC MATHS for Classes VI-IX

Vedic Maths is an ancient technique to perform tedious calculations within seconds for students. It reduces time taken for calculations & removes the possibility of silly mistakes in the calculations.

After learning Vedic Maths your child will be able to do problems like H.C.F., L.C.M. Square root, Cube root etc, in seconds.

Mahendra Pratap Singh Public School, Prayagraj, Uttar Pradesh in association with AVAS is providing this opportunity to all the students building common platform that too at very nominal fees.
