**Note-**

**1. It has come to the notice that the parents do not pay heed to the uniform that their ward wears to the school. The uniform is not replaced even after it ill-fits or worn-out. It is expected of the parents to send their wards to the school smartly dressed. The school will be forced to take strict action against children who come shabbily dressed to the School.**

**2. All the items should be procured from the prescribed suppliers for uniformity in colour and quality. The school will not accept the mismatch in colour and design.**

**3. Parents to ensure that their children do not ask for narrowing of the bottoms of track pants and School trousers.**
