

# OUR LADY OF FATIMA CONVENT SCHOOL

Chura Seel Road, Assarpur-Budhanpur, Patiala.

Dear Parents

Date: 18.02.2025

**Our Lady of Fatima Convent School Assarpur-Budhanpur, Patiala** has always been at the forefront and a pioneer in promoting latest trends in technology. To develop competencies and keep our students in step with our hi-tech world, the school has collaborated with 'Create Mind Studio' to introduce **Our Lady of Fatima Convent School Assarpur-Budhanpur, Patiala 'Innovation Robotics Lab Program'** The first of its kind of lab, where students will learn how to construct robots of their design to work for humans (our students). It's vital that our students have easy to access information, accelerated learning and fun opportunities to practice what they learn.

It will be conducted in the academic year 2025-2026 during school hours for the students of Grade I to IX. The highlights of the program are as follows:

- 1) Become an Innovator by Mastering Robotics, Coding, Electronics through STEM.
- 2) Learn how to build Mobile Apps.
- 3) Building robotics models using State of Art Robotics Kit and Software.
- 4) Application of Robotics to make models into working robots with the help of Artificial Intelligence.
- 5) Learning to becoming young Entrepreneurs of the future.
- 6) Cost of the program will be Rs.1840/- for the full annum.

This program is well planned for using STEM concepts to give our students a headstart in this techno savvy world. The students gets proficient in:

- 1) Logical reasoning and creative thinking.
- 2) Develop Critical thinking skills for team work and problem solving.
- 3) Designing solutions for the real world problems.

Thank you for your valuable feedback.
