SEC. SCHOOL SEC-14, GURUGRAM**

*Despite the hot sun,
We can still have a lot of fun,
Summer is.....ice cream scoops,
Whenever our spirits droop,
Watermelons and jellies,
To joyfully fill our bellies,
In my head, I can hear a humming,
Soon, summer vacation is coming.....*

Dear parents,

Warm greetings!

Children look forward to the summer vacation all year long. It is the best time to have loads of fun and family time, with vacation just around the corner, we are sharing some tips to make this period fruitful and memorable.

As we step into summer break, we are excited to share a thoughtfully curated set of activities and worksheets as part of your child's Holiday Homework.

We request your kind cooperation in ensuring your child enjoys this learning experience without pressure. Let's make these holidays not just about rest, but also reflection and reinforcement.

Note:- During holidays, kindly encourage your child to do regular reading practice and communicate in English at home. Please help your child read one chapter every day from each subject, to improve reading fluency, vocabulary and confidence in speaking English. Kindly mention child's name behind the sheets, charts etc.
